Brail Outline of GIFFIN FAMILY of AMERICA

by
Lady-May A. Giffin
(Mrs. Stewart Hamilton Giffin)

^{Oct. 1943}
This Chapter of the Giffin Family of America is
Dedicated to Miss Gladys Clow, & Mr. Ambrose Clow.

To - Mr. E. C. Ryte, as Librarian of Queen's
University, Kingston, Ontario, Canada. In gratitude
for Mr. Ryte's interest in checking several items
for me in relation to Corp. Wm. Clow and his
data on file at Queen's University.

Of this book only three copies are available,
the original I have kept for research and to add
new data; the 1st was sent upon request to the
Very Right Reverend T. Hutchinson Coghlin, of Dunblane
Cathedral, Dunblane, Scot.; the 2nd to Queen's University;
the 3rd to Miss Gladys Clow, of Rockville, Ontario.

Undoubtedly there will be mistakes found in
this book, but every effort has been made to check &
verify data given, my only source of information was
obtained from Miss Gladys Clow who copied all
data she could get of the previous Clow Books
mentioned herein, & records belonging to the family,
as well as that found at cemeteries near Lyn, Ont.

I should appreciate hearing of any names
that have not been known, & have been omitted.

This is a rather rough copy, of the book
I am working on the Giffin Family in America, that is
a section of the Giffin Book. If & when the Giffin
book is completed and published, I will gladly send
a copy of same to Queens. But if then, at least
this rough copy, will be on file for research work,
even if not completed & as perfect as possible.

Most sincerely, Lady-May Giffin
Mrs. Stewart Hamilton Giffin

Historical Soc. vol. 12 The name of William Clow was found in an article U.E. Loyalist Johnstown District. The year 1782 was known as the "Hungry Summer". A list of the settlers who endured this frightful year contains the name of WM. CLOW."

From the Recorder and Times Newspaper, Brockville, Ont., Canada. (date of issue lost)

"The history of William Clow, founder of a well known Leeds County family, from the time of his discharge as a United Empire Loyalist soldier until his death near Lyn in the year 1815, may be traced in old documents which have been discovered by his great grandson and namesake, William Clow, in the family residence where they have lived for years in a small trunk covered with deer-skin.

The first exhibit is the Discharge of William Clow from "His Majesty's Provincial Regiment called Loyal Rangers, whereof Edward Jessup, Esq. (the founder of Prescott, Ont.) is Major Commandant." This is dated at River du Chene, December 24, 1785, and reads as follows:

"These are to certify that the bearer hereof, William Clow, Corp. in William Fraser's Company of the aforesaid Regiment, born in the Parish of Dunblaine, in the County of Pairth (sic), aged twenty-three, hath served honestly and faithfully in the said Regiment two years, and in consequence of His Majesty's Order for Disbanding the said Regiment, he is hereby Discharged, and is entitled, by His Majesty's late Order, to the Portion of Land allotted to each Corporal of His Provincial Corps who wishes to become a Settler in this Province. He having first received all just demands of Pay, Cloathing, etc., from his entry into the said Regiment, to the date of his Discharge, as appears by his Receipt on the Back hereof. Also have served Four years in Major McAlpin's Corps."

Three Certificates, each signed by John Collins, Deputy Surveyor-General, and each issued at Elizabethtown on November 5, 1787, refer to lands drawn by William Clow and his associates. He, with Frederick Johnson and family, drew 200 acres consisting of Lot no. 16 in the sixth concession of the "seigneurie" of Elizabethtown, and Clow alone by Lord Dorchester's bounty, drew another 200 acres consisting of Lot no. 7 in the eighth concession of the same "seigneurie", Henry Clow and family drew 200 acres, Lot 26, in the seventh concession of Elizabethtown.

Moreover, the Land Board of the Eastern District, meeting at Augusta on November 19, 1794, assigned him a further 100 acres consisting of the east half on Lot 32 in the Second concession of Elizabethtown, while the Land Board of the Lunenburg District sitting at Matilda on October 7, 1790, gave Henry Clow 200 acres comprised in Lot 32 in the third concession of Elizabethtown.

Clow again took the oath of allegiance on April 11, 1801, as required by law, before James Breckenridge, Commissioner, and on November 2, 1801, a deed to him of Lot no. 32 in the third concession of Elizabethtown was registered by William B. Peters. The grant bears the initials of Peter Hunter, who was then the Lieutenant-Governor of Upper Canada.

The record closes with the Last Will and Testament of William Clow dated October 21, 1814, when he was "very sick and weak in body but of perfect mind and memory thanks be to God", and its probate before Levis P. Sherwood, Judge of the Surrogate Court for the District of Johnstown, the old soldier and Loyalist named Rev. William Hallock, Rev. William Smart, and Robert McLean, all of Elizabethtown, as his executors, and his "beloved wife, Sophia", as his executrix.

The will provided that his wife should be furnished with "sufficient, decent and comfortable accommodations and house room in my present dwelling-house for and during the continuance of her natural life" and she was bequeathed all household furniture, beds and bedding, together with one-third the annual income from her husband's real estate. The income of the remaining two-thirds was appropriated for the maintenance of his family not otherwise provided for and for the education and bringing up of his younger children in a decent and becoming manner.

It was provided that each of his daughters, upon reaching the age of 21 years, should receive "a good feather bed and bedding and a good milch cow and the remainder of my personal estate excepting the amount of five shillings, I will and devise to be applied to the education and bringing up of my children".

In addition to what he had already received his son PETER CLOW, was bequeathed five shillings. His second son, William, received the Homestead farm consisting of the southerly half of Lot no. 33 in the third concession of Elizabethtown and front part of Lot no. 32.

(cont)

IV All the remaining real estate consisting of Lot 32 and the last half of Lot 33 in the second concession, Lot 35 in the sixth concession, Lot no. 7 in the eighth concession all in Elizabethtown with Lot 2 in the third concession of Nepean, near Ottawa, was to be equally divided amongst his sons, JAMES, JOHN, HENRY, DUNCAN, ROBERT and DAVID.

William Clow, who had applied his signature to his Discharge Paper from Jessups Corps, was so weak at the time he made his will that he was able only to make his mark in the presence of John Gardiner, Suzins Gardiner and Robert McLean as witnesses.

Genealogy of Clow Family - was written by the late J.S. Webster, Township Clerk of Elizabethtown on the occasion of Mr. and Mrs. Ambrose Clow's twentieth wedding anniversary, January 9th., 1859 and Mr. Clow's birthday. The pitcher referred to now belongs to Ambrose Clow's elder son, George Ambrose, and was given to him when he was about three weeks old by Anna Davidson Fitzpatrick at her death and is to remain in the Clow Family. Cole's Ferry is now known as Hudson's Point situated five miles west of Brockville, Ontario, Canada.

Gnealogy of Clow Family by Webster

William Clow, founder of the Canadian branch of the Clow Family, was born near Glasgow, Scotland (not so very close) in 1754, emigrated to Vermont and afterwards to Cole's Ferry in 1784. His wife was Sophia Strader. There were 13 children in the family.

When he landed at Cole's Ferry, he had a pot, a canoe, and an axe and something vitally more essential which the historian has omitted - the indomitable spirit of the Scot emigrant that is able to overcome all obstacles.

He was a United Empire Loyalist and rather than forswear his allegiance to the British Crown he left everything behind for conscience sake and landed here with the possessions as stated above.

His son, Henry, being the seventh of a family of thirteen was born March 6, 1786 at the present Homestead. The House that Mr. Ambrose Clow now owns was built in the year 1840 and is in an excellent state of preservation.

Henry's wife was Nancy Gardiner and from that Union there were ten children. Their son, George, was the eighth child of a family of ten and was born February 24, 1839 in the present house. His wife was Eleanor Aird. Ambrose, the sixth child of a family of six, was born January 9, 1862. His wife is Laura Dickey. They have three girls and two boys.

The total number of descendants of William Clow as shown by the family history in the possession of Ambrose Clow, is approximately 500. Mr. Clow has a pitcher that was brought with William Clow in 1784.

Wm. CLOW's birthplace "Dunblaine" is a village famous as a Cathedral Town, (at present (1945), The Very Right Reverend T. Hutchison Cockburn, Moderator of the Presbyterian Church of Scotland and Head of the Dunblaine Cathedral has so very kindly offered to search for Wm. CLOW's birth record so we may learn his parents names, and also has requested a wish that I send him a record of the family for the Archives of the Cathedral, which I am more than happy to do.)

In the spring of 1785 he tapped some H-maple trees, stored the sap in the canoe and boiled it down in the two iron kettles.

In 1786-7 Mr. CLOW and Mr. Adam Cole, sr. jointly purchased a cow in Montreal (Wm. CLOW, 3rd., grandson of Wm. CLOW, sr. married the granddaughter of Adam Cole, sr. and Thankful Fulford, daug. of Abel Fulford.).

His great grandson Wm. CLOW, at the family residence where they have lived for years discovered a small trunk covered with deer skin, which held the personal papers of Wm. CLOW, sr. The papers contained the following:

a) Discharge paper from "His Majesty's Provincial Regiment called the Loyal Rangers whereof Edward Jessup, Esq. (founder of Prescott, Ont.) is Major Commandant." This dated at River du Chene, December 24, 1783 and reads: "These are to certify that the Bearer hereof, WILLIAM CLOW, Corp. in Capt. Wm. Mr. E. C. Hyde, The Librarian
Queens' University, Kingston

My dear Mr. Hyde

Your letter of October the eighteenth at hand; I must say your pleasant words make me feel as if I might truly accomplish a good Genealogical Book someday; at least I now do not feel too apologetic for my first typed version, which you so gallantly placed in your library's Treasure Room.

Just this morning I received a letter dated 9-24 from Rev. Harold A. Cockburn of St. Michael's Church, Dumfries, Scot. He arrived home safely, and is taking my book to his brother The Very Right Rev. T. Hutchison Cockburn of Durham Cathedral, so we now know that two copies are accounted for in good order.

I have a few bits of data to

add to the book, which I will send a little later on, after I have verified one item

And I'm hoping someday we will hear from Dunblane as to Corp. Wm. How's parents and ancestry.

Mr. Kyle, I have a big problem and since you are a Canadian, in Canada, possibly you can advise me, how to act, what to say to get just one response to my many letters, asking one very simple question — It is one, which has an available answer, I am sure, but believe me it might as well be "where are the keys to the gold vault" as far as any answer goes.

I have attached a separate sheet, showing data I have on a Mrs. Adaline Elbra Gray Gibroy Monroe, it is a notice from a Torontville Newspaper (presumably the Recorder). Unfortunately the year date is missing, but one date I have is "Sept. 13th a Saturday" also I know it was between 1919-1930 but most likely 1924(5-6). That particular year date, if found gives the clues

Prince George Hotel

George H. Newton - Manager

To several other dates of importance.
Relatives, think it all too foolish,
I will not answer; also I have
written the Athens Baptist Church,
Athens Methodist Church, Athens
Tonn. Clerk, The Recorder at Brockville
(they replied too busy) (confidentially from
the length of the letter, I have assumed
they could have checked two dated
issues, in the same given time)
The Hospital at Brockville, all
no answers

Any suggestions you make I shall
be glad to try. I don't suppose
I'd be so fortunate, that you
would have Brockville 'Pages'
on hand for 9-13, 14, 15, 16, 17-1924 (-5-6)

Possibly you know some one at
the Hospital whom you or I could
contact?

Please do not go to any great
trouble, but I thought you just
might happen to have a contact

in for of Brockville (from Kingston) &
might be able to advise me,
had to send a letter to get a
response.

Again, thank you for your many
courtesies & consideration

Most sincerely,

Lady-Mary Giffin

" Mrs. Adeline Monroe, whose death occurred on Saturday, Sept. 13th at St. Vincent de Paul Hospital, where she has been a patient for the past eight months, was born at Smith Falls 67 yrs. ago. She was a daughter of the late Wm. Dorway, of Smith Falls and at an early age went to Athens with the family of Rev. Malcolm Macgregor, pastor of Athens Baptist Church.

About 50 yrs. ago, deceased was married to the late E. Gilroy, who until his death 24 yrs. ago, carried on a carriage making business. (etc. etc.)

— and the sorrow felt at her demise was expressed in the large gathering of citizens at the funeral, which was held from her late residence, Athens, on Monday afternoon at two o'clock. The service being conducted by Rev. H. Warren of the Athens Methodist Church.

Interment was made in the family plot, Athens. " Apparently from the above, this is the date he was on Monday or later, the 9-15, 17, 17. (P. T. O.)

Mr. E. C. Kyle, the Librarian
Queen's University,
Kingston, Ontario

My dear Mr. Kyle,
I had hoped to obtain a typewriter, so as to make a newer and clearer copy of the "Clow Family of America", since knowing that you wished to have some for the Genealogical Records of Queen's Library. However such is impossible today, so I am here in sending you the 2nd copy made this year.

Quite frankly I do not like to send you such an unfinished piece of work, while I am not a professional, still I like to be as thorough as humanly possible, and this book, only covers a section of the book I am working on "The Giffin Family of America". I have great hopes of soon learning something of Wm. Clow's parents, & also Sophia Strader Clow's family.

Though since I know personally of family records and books being destroyed, for no earthly reason, except "they look so old & old fashioned" - I feel that it might be well, for you to have this very rough copy, if it can be of any help, to those doing research, and it might help some one years from now; I know I am deeply grateful to a gentleman that kept a Giffin Record intact that he made in 1881 and is today preserved by his granddaughter. Unquestionable there will be some errors -

I have listed my references, the old families are recorded in books available, the new names are kept in a Clow Record, which was copied for me.

by Miss Gladys Clow of Brookville, whose father, Mr.
Ambrose Clow, owns the two Clow Records.

Since the book is unfinished, I would not want it
written up, as a printed book is often treated. But
it can be used as research, & if any item is brought
to your notice, I should like to know, & any
suggested corrections, or new data.

The only part for which I have complete records
such as birth certificates, marriage records, vital
statistics from Town Records in United States etc.
is in regards to the Giffin family, thus Mary Jane
Clow & Hamilton Giffin's, ancestry and descendants.

Hoping this small effort will be of some
good value.

Most sincerely,

Lady-May Giffin

(Mrs. Stewart H. Giffin)
