**THE LATE PROF. WM. GREGG, D.D.**

Prof. Gregg, died yesterday in Toronto in his 92nd year. For nearly fifty years, first as a minister and later as a professor in Knox College, his work for the Presbyterian Church in Canada was unceasing. A whole-hearted and kindly man, he was greatly beloved by all who knew him. The influence of his personality and the uprightness of his character have left their impress on a host of people. *Globe May 27/09*
