Puss My Darling, today is dear
Aunt Winnie's birthday & I had hoped
to be home to give you a
special hug. What a darling
she was & how tremendously
you & I owe our progress
to her wisdom. She was one
of the wisest people I have ever
run across - not knowledge but
an intuitive wisdom.

God bless you my Darling
Sister & I hope that you are
getting rested. I saw Dr & Mrs
John Bon Pointe today & she
said she had heard that you
were making a wonderful
success of your dearship from

H. M. Tomp & others,

My great love to you.

Your old friend

G.
