Dr. A.V. Douglas,
127 King Street West,
Kingston.

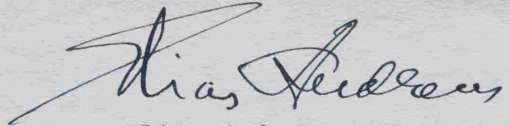

Dear Dr. Douglas:

My attention has been drawn to your contribution to our Capital Fund which you have so kindly forwarded to us through Sydenham Street United Church. I am indeed happy to note that you have given it in memory of Rev. Dr. George Douglas, who is remembered for his distinction as a preacher and also as Principal of Wesleyan Theological College, Montreal.

I want you to know how deeply we appreciate this contribution.

With warmest good wishes,

Sincerely yours,

Elias Andrews,
Principal.

Dear Doctor Douglas,

George and I are deeply touched by your warm response to our naming our daughter Julie Vibert in honor of you. We would also like to thank you very much for your gift. We have chosen a baby spoon and fork in International Sterling "1810", a pattern which closely resembles the few pieces of sterling which George's parents were able to bring out from their home in Hungary. The spoon is engraved "From Dr. A. Vibert-Douglas".

It is our fondest hope that wee Julie Vibert Weber will follow your inspiring example of great womanhood.

We are planning to take Julie Vibert to Kingston with us to attend George's Medical Class Reunion in October, 1967. We hope very much that you may find a chance to visit us before then. We would be honored and happy to have you.

Once again, our grateful thanks and appreciation.

Sincerely,
Catherine

George
