

FLAMBOYANT TREE

Barbados, W. I.

Jan 27 70

Caribbean Hotel
Hastings -

This is a lovely
Island - mostly sugar
acres + acres of it
but plenty of stone
variety - Great whacking

Seas ^{rock} calm sandy
shores - Not too hot. M
lived a "Minnie Moke" i.e. in
open small keep!! We

keep the top on keep!! We
open keep is cool - but sides
hazy marvellous
swims. I have paddled. V. few shells - much to see. O

Dear Mr. Douglas,

The note from yourself
and Sam Lazier about the
death of my father moved me
to tears and touched me
more deeply than any others
I received.

Thank you very much for
writing.

John Allen
