Dr. A. V. Douglas,
127 King St. West,
Kingston, Ontario.

Dear Miss Douglas:-

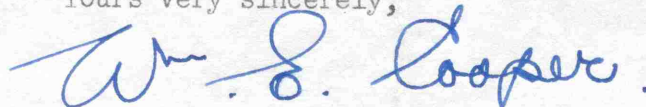

Your kind letter of the 20th of the month was passed along to our President, Mr. Colin Webster, and at the Annual Meeting on Thursday, November 23rd, was read to the Board of Directors.

It was with deep regret that your resignation from the Board was accepted. However, under the circumstances the Board realize just how difficult it is for you to attend the meetings of the Board from time to time. In accepting your resignation, the Board wished me to write you on their behalf, expressing their sincere regret; but at the same time they wish you to know how much your presence on the Board has meant through all the years gone by, when you could and did attend meetings, and were active in the projects of the Mission. We know that your interest in the work of the Mission will not wane, and we will keep you on the mailing list, which will assure you of a full report on all that goes on.

Mr. Barratt will be mailing you a copy of his report, together with the report of Mrs. G. R. Patterson. I am sure you will be glad to read this latter report and realize just what she has already accomplished.

With kindest personal regards,

Yours very sincerely,

Wm. E. Cooper,
Honorary Secretary.
