The S.S. Wategama

18th Sailed 11 AM -

Ernie, Walter, Joe Charles

+ Bass + dear Geo came

to ship + brought some

+ some nice flowers by

A beautiful cabin all

for myself - After we

sailed received a

box of lovely pink

beds for my dear little

girl + a telegram also

and a note from

from Geo & my
room is like a beam
& a large bench
on the table

We saw the bridge
with all its glory
wonder about it
I wrote letters to you
& Geo about the bridge
& got sent off at night
& had a very thin
I was a pleasant young

Heard his father
at the table - He is
a Presb. & very strong
Unionist - Wrote you
another letter -
It went off at
Tupper Pt - Went
to bed & slept -

Friday - Got his father
Pt. at 8 A.M. - Got
a bath & gave a great
bath to the sheep
Stayed in bed all day

It was a very nice
Put on coat + hat
& went to see sunset
A lot of ball soap
behind the distant
tide - glorious -

Today I read your
first dear little letter
& one or two - Thank
you for beautiful wraps
I am waiting for in bed
Good night Pd - I had also

20 Sat. got up about
11 - Had lunch - found
I was at chief reg. staff
sitting beside him -
very pleasant - found
young man was in
line of Montgomery
who rep. stepping
col. against Peter
them - You knew
Peter suddenly
died - Montgomery
my young man - another

were to work out
they all have gone
away for a holiday
I think that is read of
Scheme - I wish the
were of King's Court -
Very - very cold - many
rebergs some of the
blockings for some of the
peaked of the type of the
beauty of the covered
with birds - - We

passed under the
last night. Today
we are in the straits
Black Labrador on one
side & Newfoundland on other
passed several ships
Auntant - Sent a word
to you Alice - Hope
you got it & I'll let it
be - Message in Book
letting for - Amundson

to Premier of the
England - Had some
of your book
Walter has a dog
Allie I love you re-
miniscences of our trip
in '22 - Some day
perhaps we shall take
a trip to all the Old
Have papers of Belle
with the West station

food buy to Am
Lined out a
It is getting rough
I am sure
at the north end at
our end of table -
In a word I am
naked - with rings.
Geo dear note the
Allie dear
a ring of
a bit of

21 Sunday - 4

Still best. Fed
+ fresh. All gone.

Strong & very good -
Cold & rough staying
in bed - young
man operated on for
apendicitis - Is fine

into room of 10. We
stopped ship for 1/2 hr
while open on -

Dear Mother
I received your letter
with the letter to
sweet the promise
I all the best to
you and the dear
children -

22 Monday - take
through 19 are
not getting up
Bedroom Steam & a
dear old Scotchman

We are getting on fine
& will be in on 7 more
4 more nights only -

Have finished story
North Star - Keep
up interest throughout

Sick young man
very bad tonight -
Was speaking to the
nurse She is a niece
of Lansing Lewis
Mrs Hatcher's brother
There are 2 meat
cases also, deposits
Strange they cannot
be those cases - by

Practically all the officers
& Steward are Scotch
& such broad Scotch
Even the bell boys
My stewardess went
on C.P.M. to India
last year — I do
not know if I told you
the good ones are not
aboard —

23. This is a lovely day
not so cold. I got
my lunch - my young
cousin was ill too
I find many were
the roughness was
tail end of a storm
which raged about
Held. Fogged about
Remind me the weather
over 16000 feet only
I found no contrast
Younger is better

Had a talk about alcohol
with Elymer + B. J. P.
mean about liquor
& prohibition. They
think control is good
& abolition of saloon
but as worked in U.S.
it is a failure in some
ways but a blessing to
the poor. - Wrote letter
to Wellenpinner, J. J. +
Patterson - Had a talk
with a very nice young

There are 11000 students
The name is Wilby.
She is Eng.

We are to arrive on
Thursday!

Two night more -

Story about Jamie
Thompson & Coffin
& Lemp - good.
