Dear Miss Douglas:

Re: Estate late Mina Elizabeth Douglas.

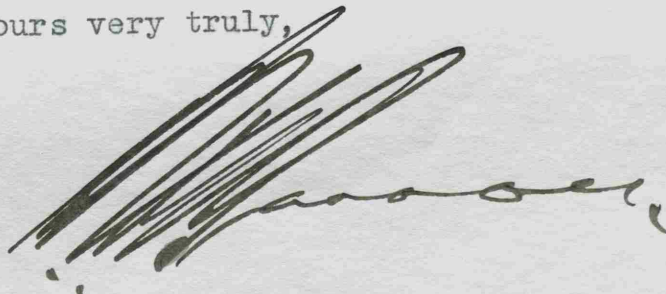

As requested by you I enclose our account for fees and disbursements.

Re: Professor G. Vibert Douglas.

You will recollect that in June last your brother called with you in connection with a Birth Certificate relating to three Policies of Sun Life Assurance Company of Canada. I procured an Extract of the registration of your brother's birth from the Registers of St. James Methodist Church in which he is described as George Douglas Vibert. I then communicated with Mr. Stanley A. Neilson of Sun Life Assurance Company of Canada, and he sent me some forms for execution by your brother indentifying "George Vibert Douglas" as described in the Policies with "George Douglas Vibert" mentioned in the Birth Certificate. I wrote Mr. Neilson early in August that I expected your brother to be in Montreal within a few weeks, when he would probably complete the Declarations. I still have the Declarations; do you expect your brother to be here shortly or had I better send the Declarations to him in Halifax for completion and return?

Yours very truly,
