Dear David de Witt:

On behalf of the Fairfield-Gutzeit Society, we would like to invite you to visit and tour the Fairfield-Gutzeit House, which is located in the village of Bath, just west of Kingston. The house itself offers an interesting look into the architectural evolution of a village homestead, circa 1796, and is also home to the 17th, 18th and 19th century European paintings of the Gutzeit Art Collection.

The collection is currently undergoing a constructive dialogue as to future plans for restoration, as well as an up to date evaluation of essential contextual and biographical information surrounding the artworks in question. We welcome your visit, and look forward to an open discussion, the sharing of your expertise and any advice you are able to offer us.

Sincerely,

Melinda Richka
