Dear Mr. Bader:

First of all, permit me to congratulate you on your purchase.

They say out of sight out of mind. In this case it isn't so, as I haven't forgotten your asking me when we met last year, to let you know if I ever come across any Old Master paintings, and I have, just one, which belongs to a dealer friend of mine, and I suggested my writing to tell you about it.

It's an oil on canvas, laid down a number of times, said to relate to the work of MATHIAS STOMER. It's 57 x 71 inches. It does have some condition problems, the severity of which depends on who's looking at the painting.

Rather than quote you a negotiable price, the asking price is a firm \$ 8,000.

I look forward to hearing from you, and in the meantime, I trust this finds you and your family well.

Kindest regards,

Charles Goldsmith
