Dear Mr. Malstrom:

I am a serious collector of old master paintings, and as you will see from the enclosed, I am interested both in Dutch and Italian, 16th and 17th century paintings.

My wife and I plan to be in Brussels during the last week of May, and I would appreciate it very much if you would allow me to look at your beautiful Portrait of a Man attributed to Dosso Dossi. It is really a most intriguing portrait and would give us such pleasure to be able to see it.

I will take the liberty of telephoning you when we arrive in Brussels.

Many thanks for all your help.

Sincerely,

Alfred Bader
