Dear Dr. Bader:

Thank you very much for the excellent time we spent at your place. I feel that after this visit I cannot remain the same as a collector. My attitude toward collecting will probably change drastically. I do not want to be even minimally obtrusive but I do not want to miss any opportunity to meet you in the future. It can be trading, buying or selling of the paintings, your lecture etc. It may happen that you just want to show your new acquisition to somebody who really can appreciate it. I hope you understand me. My best regards to Mrs. Bader. Best regards from Mrs. Ackerman.

Sincerely yours,

Leo Ackerman
