A Chemist Helping Chemists

March 12, 1996

Dr. Reinhard Schlögl
Mariahilferstraße 35
II, 1
A1060 Vienna
Austria

Dear Dr. Schlögl:

May I share something with you, which has bothered me for quite a while?

One of my old chemist friends at the University of Sussex is Sir Harry Kroto, the man who discovered buckminsterfullerene and who is likely to be a Nobel Laureate for that work in the near future. He has worked closely with a very able scientist, Dr. W. Krätschmer, at the Max-Planck-Institut in Heidelberg.

After I gave me talk on Loschmidt at the University of Sussex, Harry Kroto talked to Dr. Krätschmer, whose letter of March 24, 1993, copy enclosed, will be self-explanatory.

Professor G. Vogl is the man in physics at the University in Vienna in whose office hangs that splendid portrait of Loschmidt. But how can Vogl talk such nonsense, saying that he "suspected that this all may be a hoax, since the people from Vienna like to claim everything for themselves (sic)!" This reminded me of exactly the opposite opinion, surely much more correct, expressed by Boltzmann in 1895.

One of us, perhaps best you, should talk to Vogl. But perhaps the man has in the meantime changed his mind if he was at all interested in what took place at the Symposium in Vienna last June.

Dr. Reinhard Schlögl
March 12, 1996
Page 2

I am almost tempted to use Krätschmer's letter in my talk in Vienna on June 11th to illustrate what nonsense can come even from Viennese professors.

With all good wishes, I remain,

Yours sincerely,

AB/cw

Professor Satoru Masamune
 Department of Chemistry
 Massachusetts Institute of Technology
 Cambridge, MA 02139

Dear Professor Masamune:

A very able historian of science, Dr. Reinhard Schlögl, of Radio Austria in Vienna, has been commissioned to produce a documentary on science at MIT.

Dr. Schlögl plans to visit MIT this coming May. He has asked me to contact some of the most eminent chemists at MIT to introduce him with the hope that he will be able to speak to you personally about your work.

With all good wishes, I remain,

Yours sincerely,

Fax 43-1-587 7270

Lieber Dr. Schlögl

*Ich plane solche Briefe
 an die wichtigsten Chemiker an
 an MIT zu senden.*

Task Force on the Status of Women in Psychology

The American Psychological Association is pleased to announce the formation of the American Psychological Association Task Force on the Status of Women in Psychology. The Task Force was formed in response to the request of the American Psychological Association's Council on Women and Gender Equity, which was established in 1991. The Task Force will be responsible for conducting a comprehensive review of the current status of women in psychology and for recommending ways to improve the status of women in the profession. The Task Force will report its findings and recommendations to the Council on Women and Gender Equity and to the American Psychological Association.

Date:

Dear Alfred

Of course we are happy to accept your coupon - Torrey Pines toll! Consider it on for 2/11 that day.

I only have a few minutes left in my office today so here is a quick list of MIT's chemical stars

P.S.

* ^{K BREMAN} Klaus Breman (born in Austria!)

Steven Buchwald

Sylvia Ceyer ^{CEYER}

~~John Deutsch (man head of CIA)~~

~~Robert~~ Bob Field

* Dan Kemp

* Steve ⁿ Liggard

* Sat ^{to} Masamune

* Marc Molina (Nobel Prize)

* ^{Richard} ~~Rich~~ Schrock ^{SCHROCK}

* Joanne Stubbe

* John Wargyl

Vietnam Serpenth

* means the best ~~to~~

Add George BUCHI

G. Khorana

P. LANSBURY

P.S. he ^{is} sure to avoid Klibanov! he is a charlatan!
Hope this is of help regards,
D

A Chemist Helping Chemists

April 24, 1996

Dr. Reinhard Schlögl
Mariahilferstraße 35
II, 1
A1060 Vienna
Austria

Dear Dr. Schlögl:

Last week I was the after-banquet speaker at a dinner honoring the Nobel Laureate, H.C. Brown. One of the other speakers was Professor Richard Schrock, to whom I had written about your visit to MIT. A description about Dr. Schrock is enclosed.

He told me that he had received my letter and much looks forward to meeting you.

With best wishes, I remain,

Yours sincerely,

AB/cw

Enclosure

Nicht vergessen:

- a) Leseförderung - Vortrag im
Großen Hörsaal des

A Chemist Helping Chemists

April 24, 1996

Dr. Reinhard Schlögl
Mariahilferstraße 35
II, 1
A1060 Vienna
Austria

Dear Dr. Schlögl:

Last week I was the after-banquet speaker at a dinner honoring the Nobel Laureate, H.C. Brown. One of the other speakers was Professor Richard Schrock, to whom I had written about your visit to MIT. A description about Dr. Schrock is enclosed.

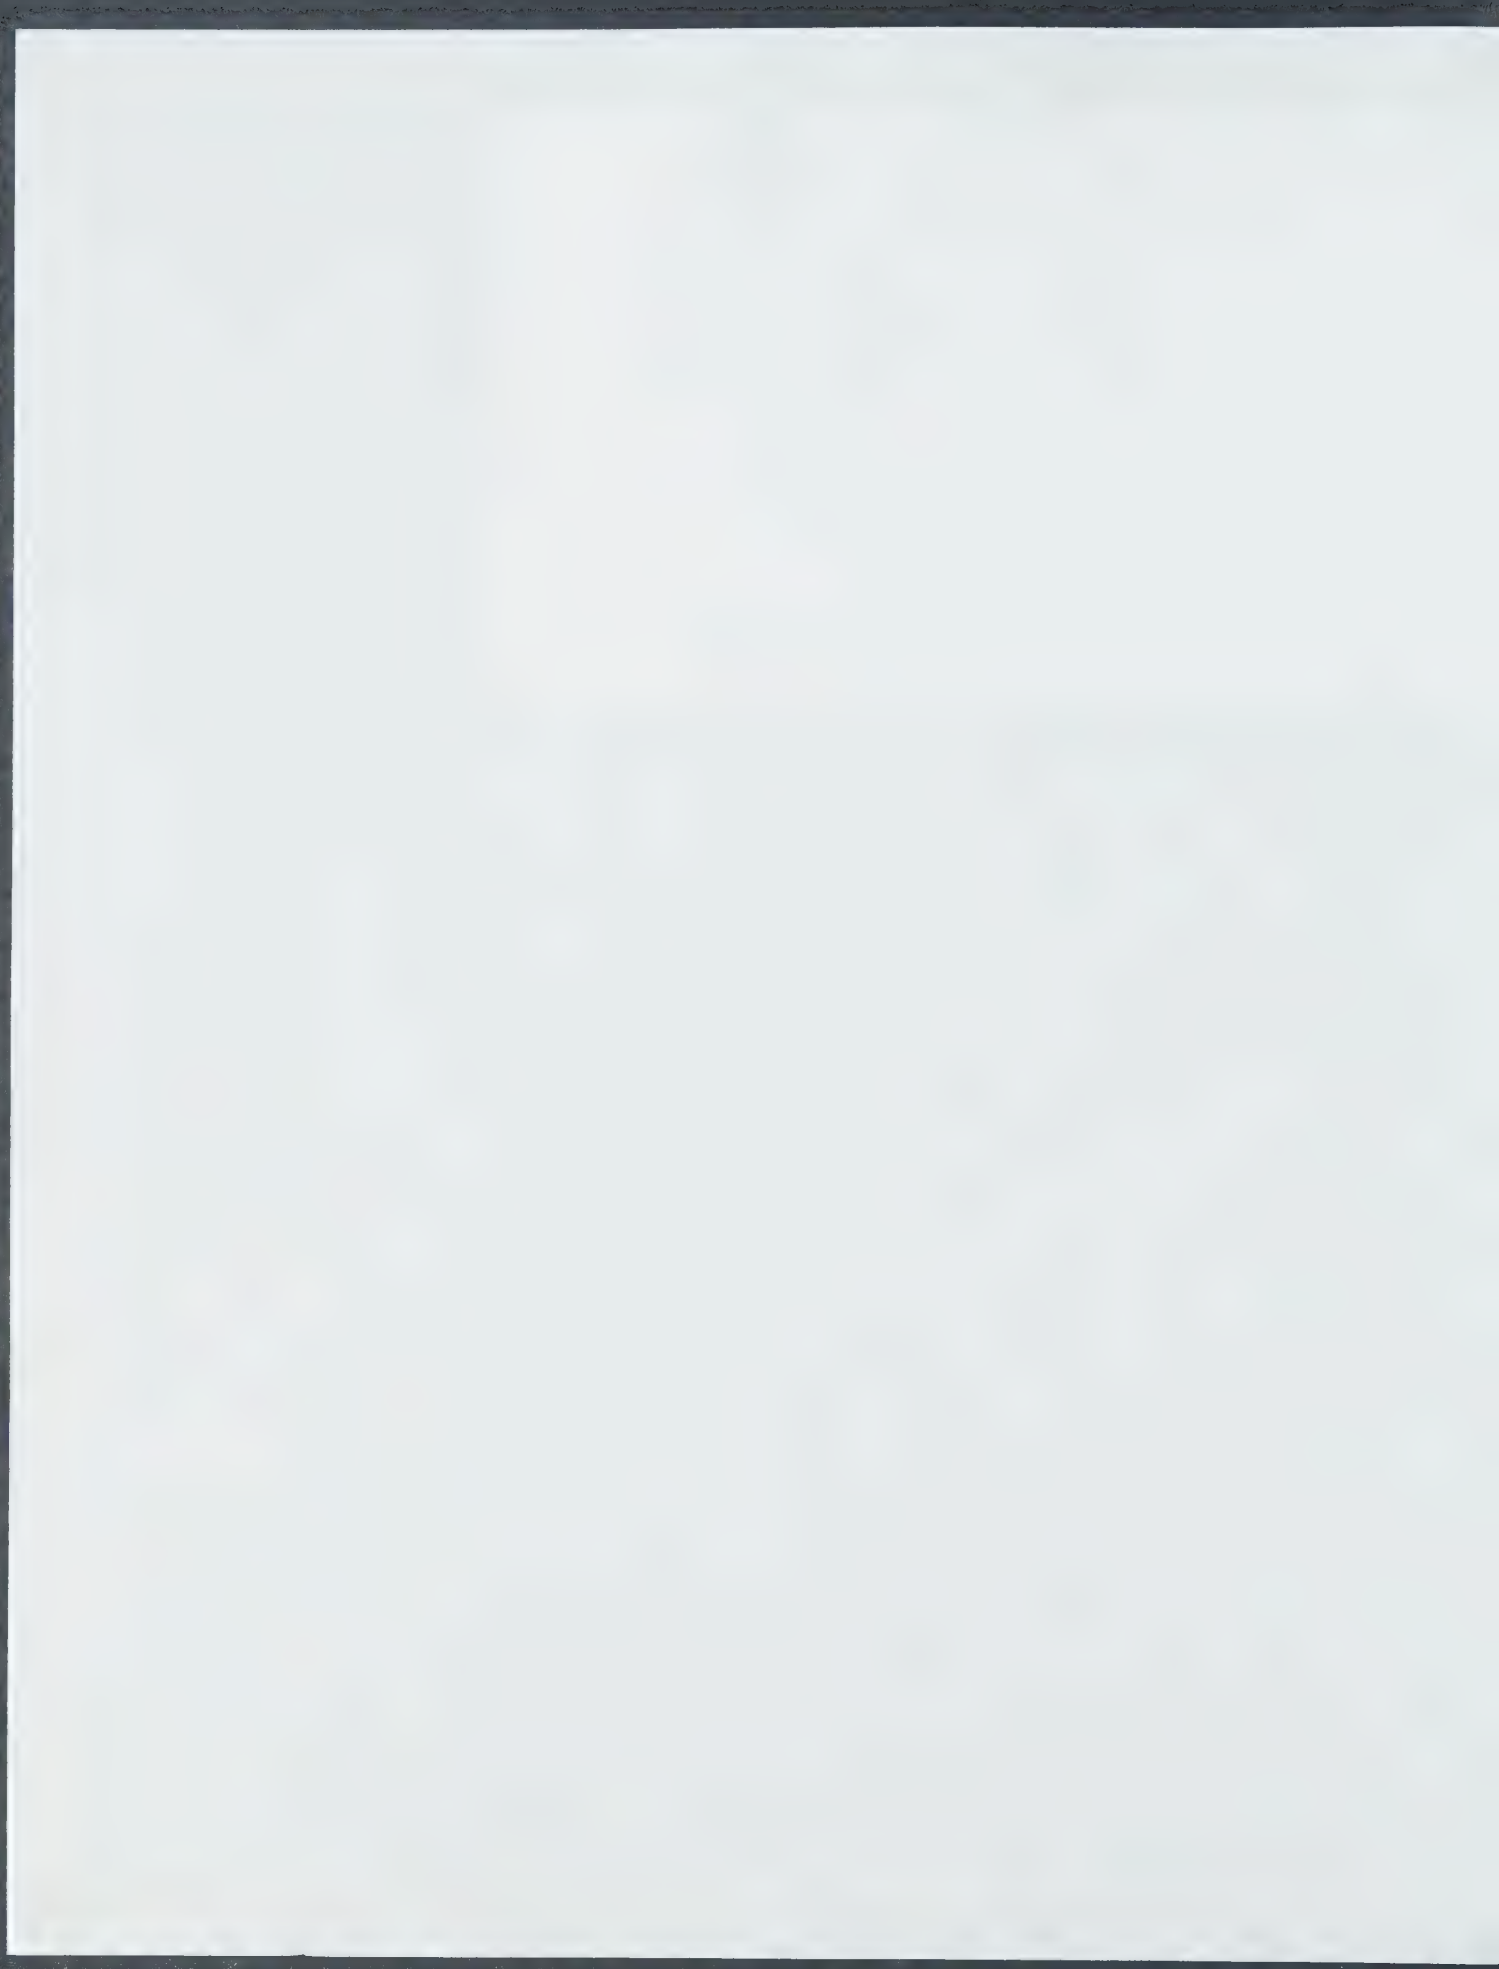

He told me that he had received my letter and much looks forward to meeting you.

With best wishes, I remain,

Yours sincerely,

AB/cw

Austria

Dear Dr. Schlögl:

My calendar for May is filling up rapidly, and I hope that you can tell me soon when you plan to visit us in Milwaukee.

The week of May 6th is relatively free, but during the week of May 13th, I would like to attend the Christie's New York auction on the 15th and the Sotheby's auction on the 16th.

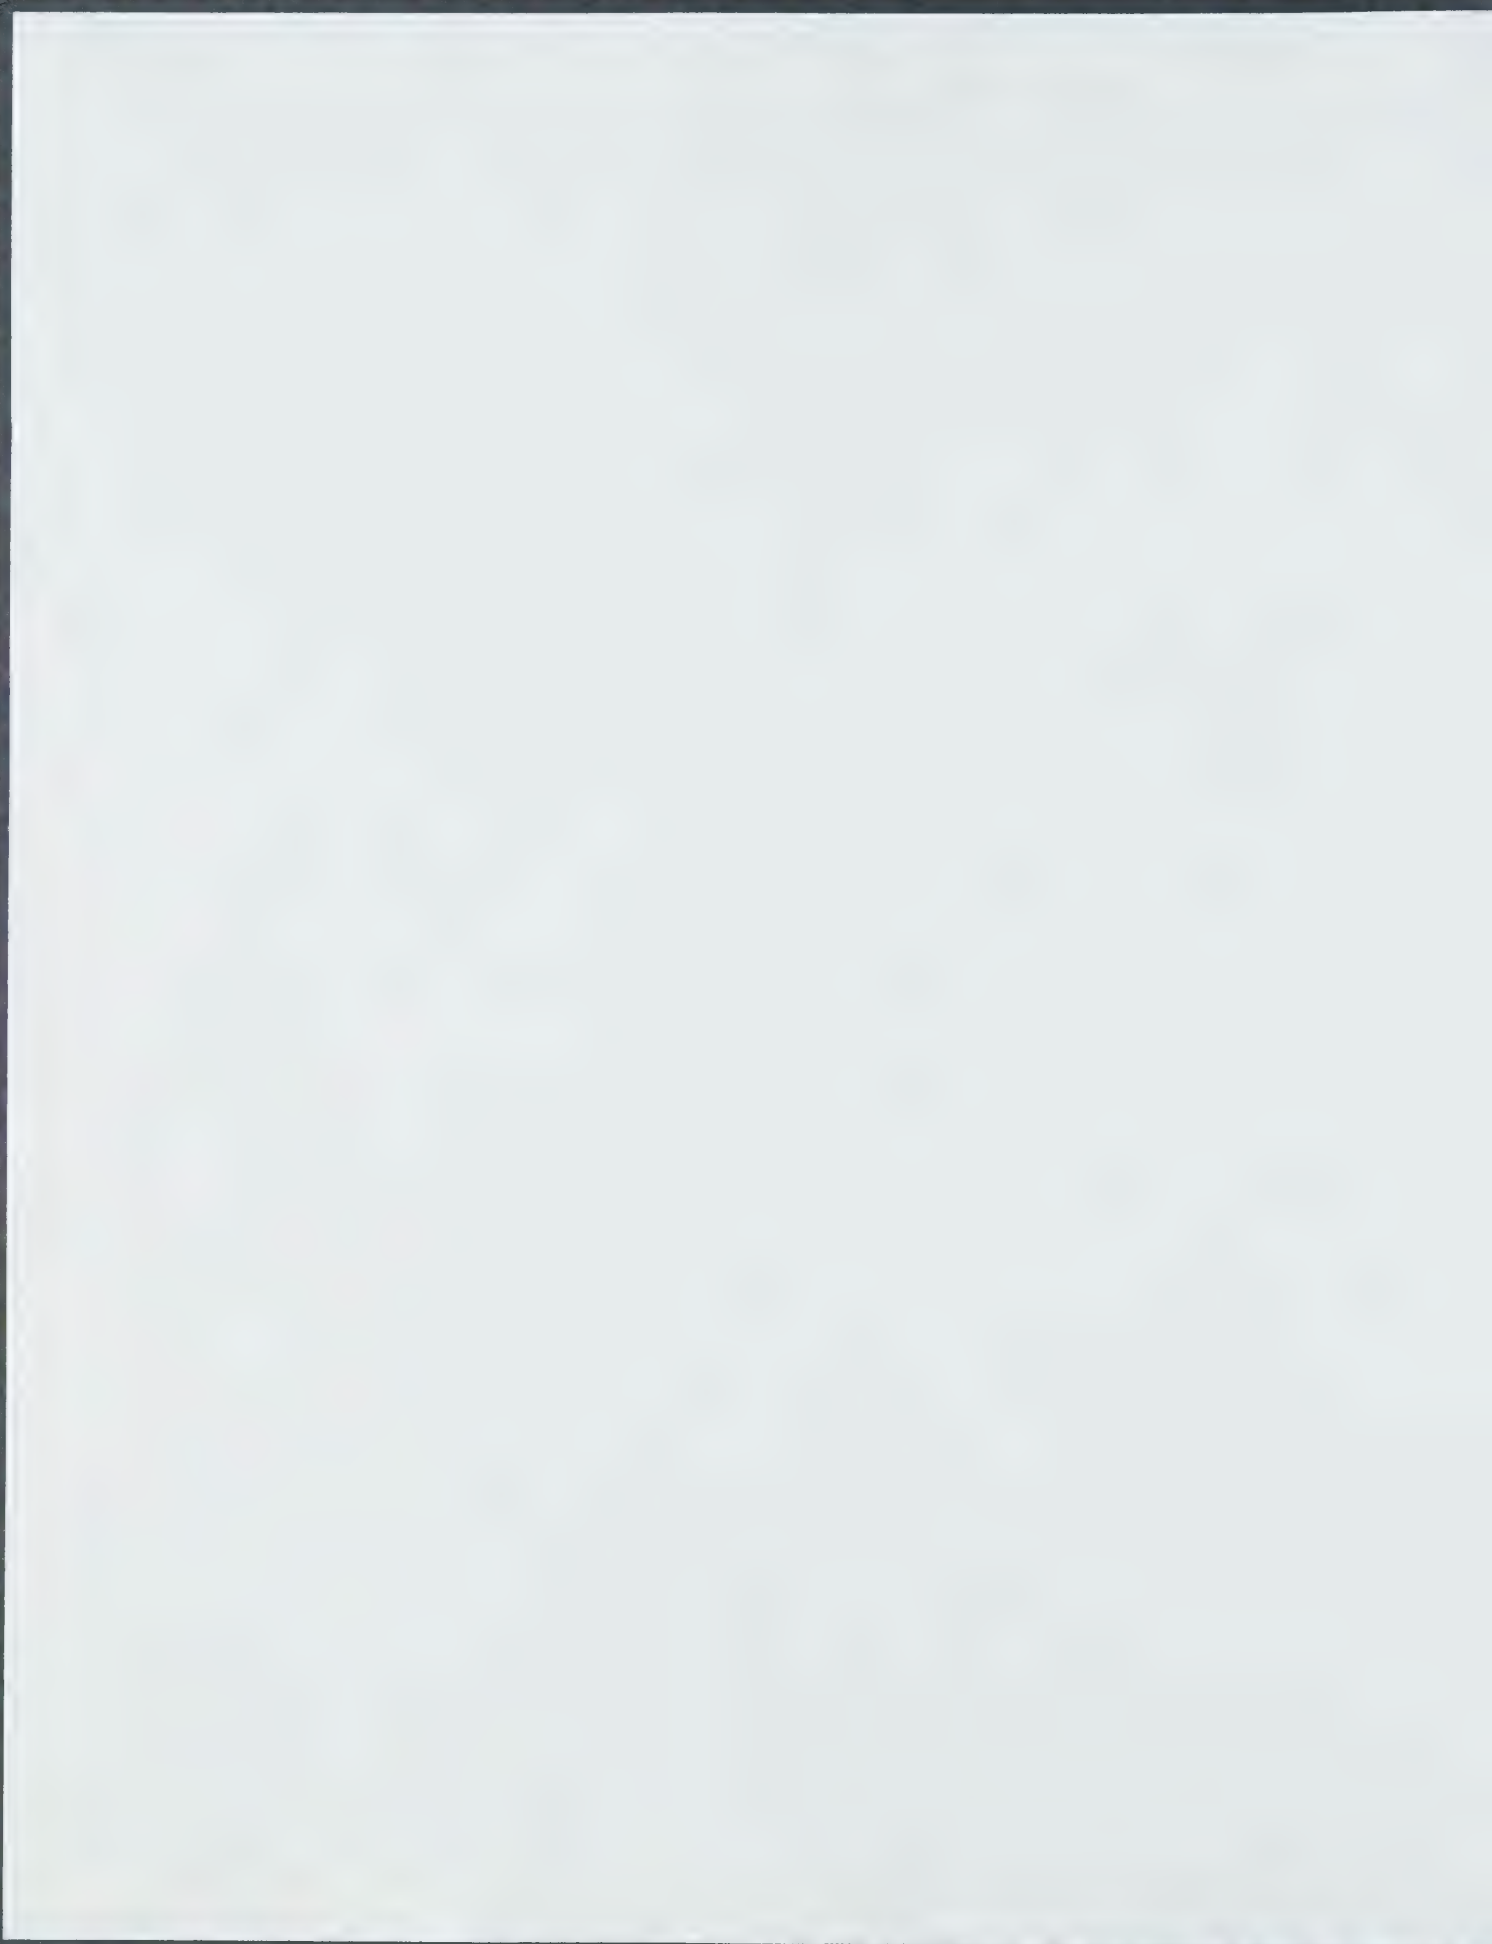

But of course, we would like to be able to welcome you in Milwaukee and are wondering whether you could perhaps be with us the weekend of May 11th and 12th.

You will have seen the responses from various MIT professors who look forward to seeing you.

With best wishes, I remain,

Yours sincerely,

AB/cw

A1060 Vienna
Austria

Dear Dr. Schlögl:

Enclosed please find a good deal of correspondence showing my efforts to get the Czechs to issue a postage stamp in honor of Loschmidt.

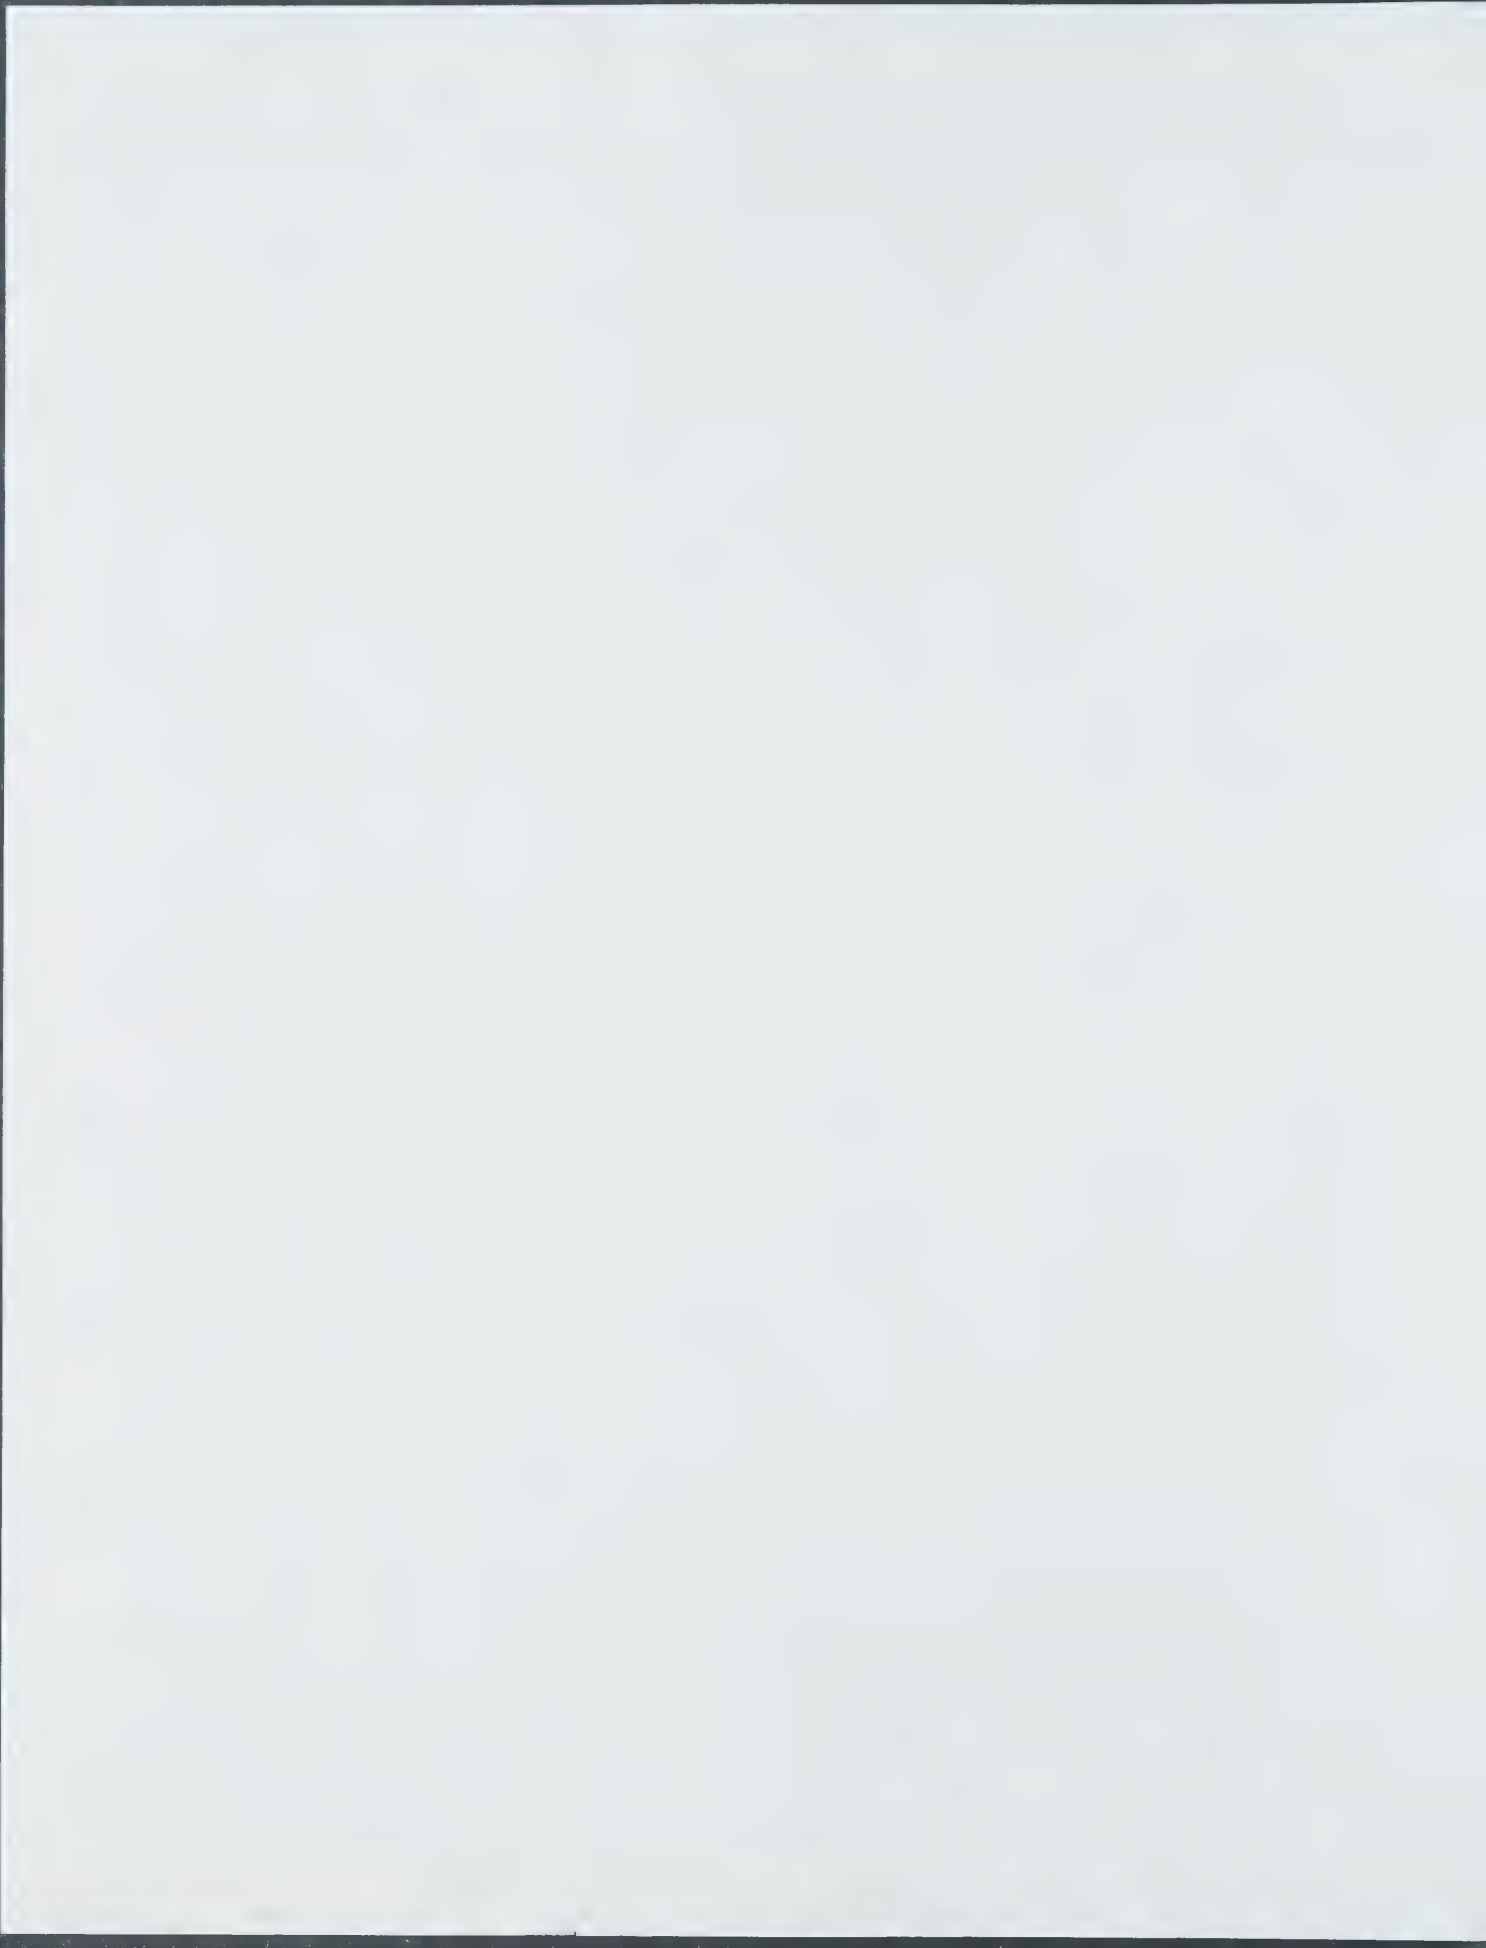

I am particularly disappointed in Professor Zahradnik's letter of March 4th. He is the president of the Czech Academy of Sciences, and I fear that he just gave up too easily. If only I knew someone like Dr. Reinhard Schlögl in Prague!

With all good wishes, I remain,

Yours sincerely,

AB/cw

Dear Dr. Bader:

Thank you for your letter of March 7, concerning the visit of Dr. Reinhard Schlögl of Radio Austria. I certainly would be happy to see him when he comes to MIT. I should be around most of May, except for the week of May 12-17, when I shall be at the Annual Mass Spectrometry Conference in Portland, Oregon.

I wonder whether Dr. Schlögl is related to K. (Karl?) Schlögl of the Department of Chemistry at the University of Vienna during the 1950s? He is an "academic cousin" of mine, as both of us were descendants of Prof. Ernst Späth.

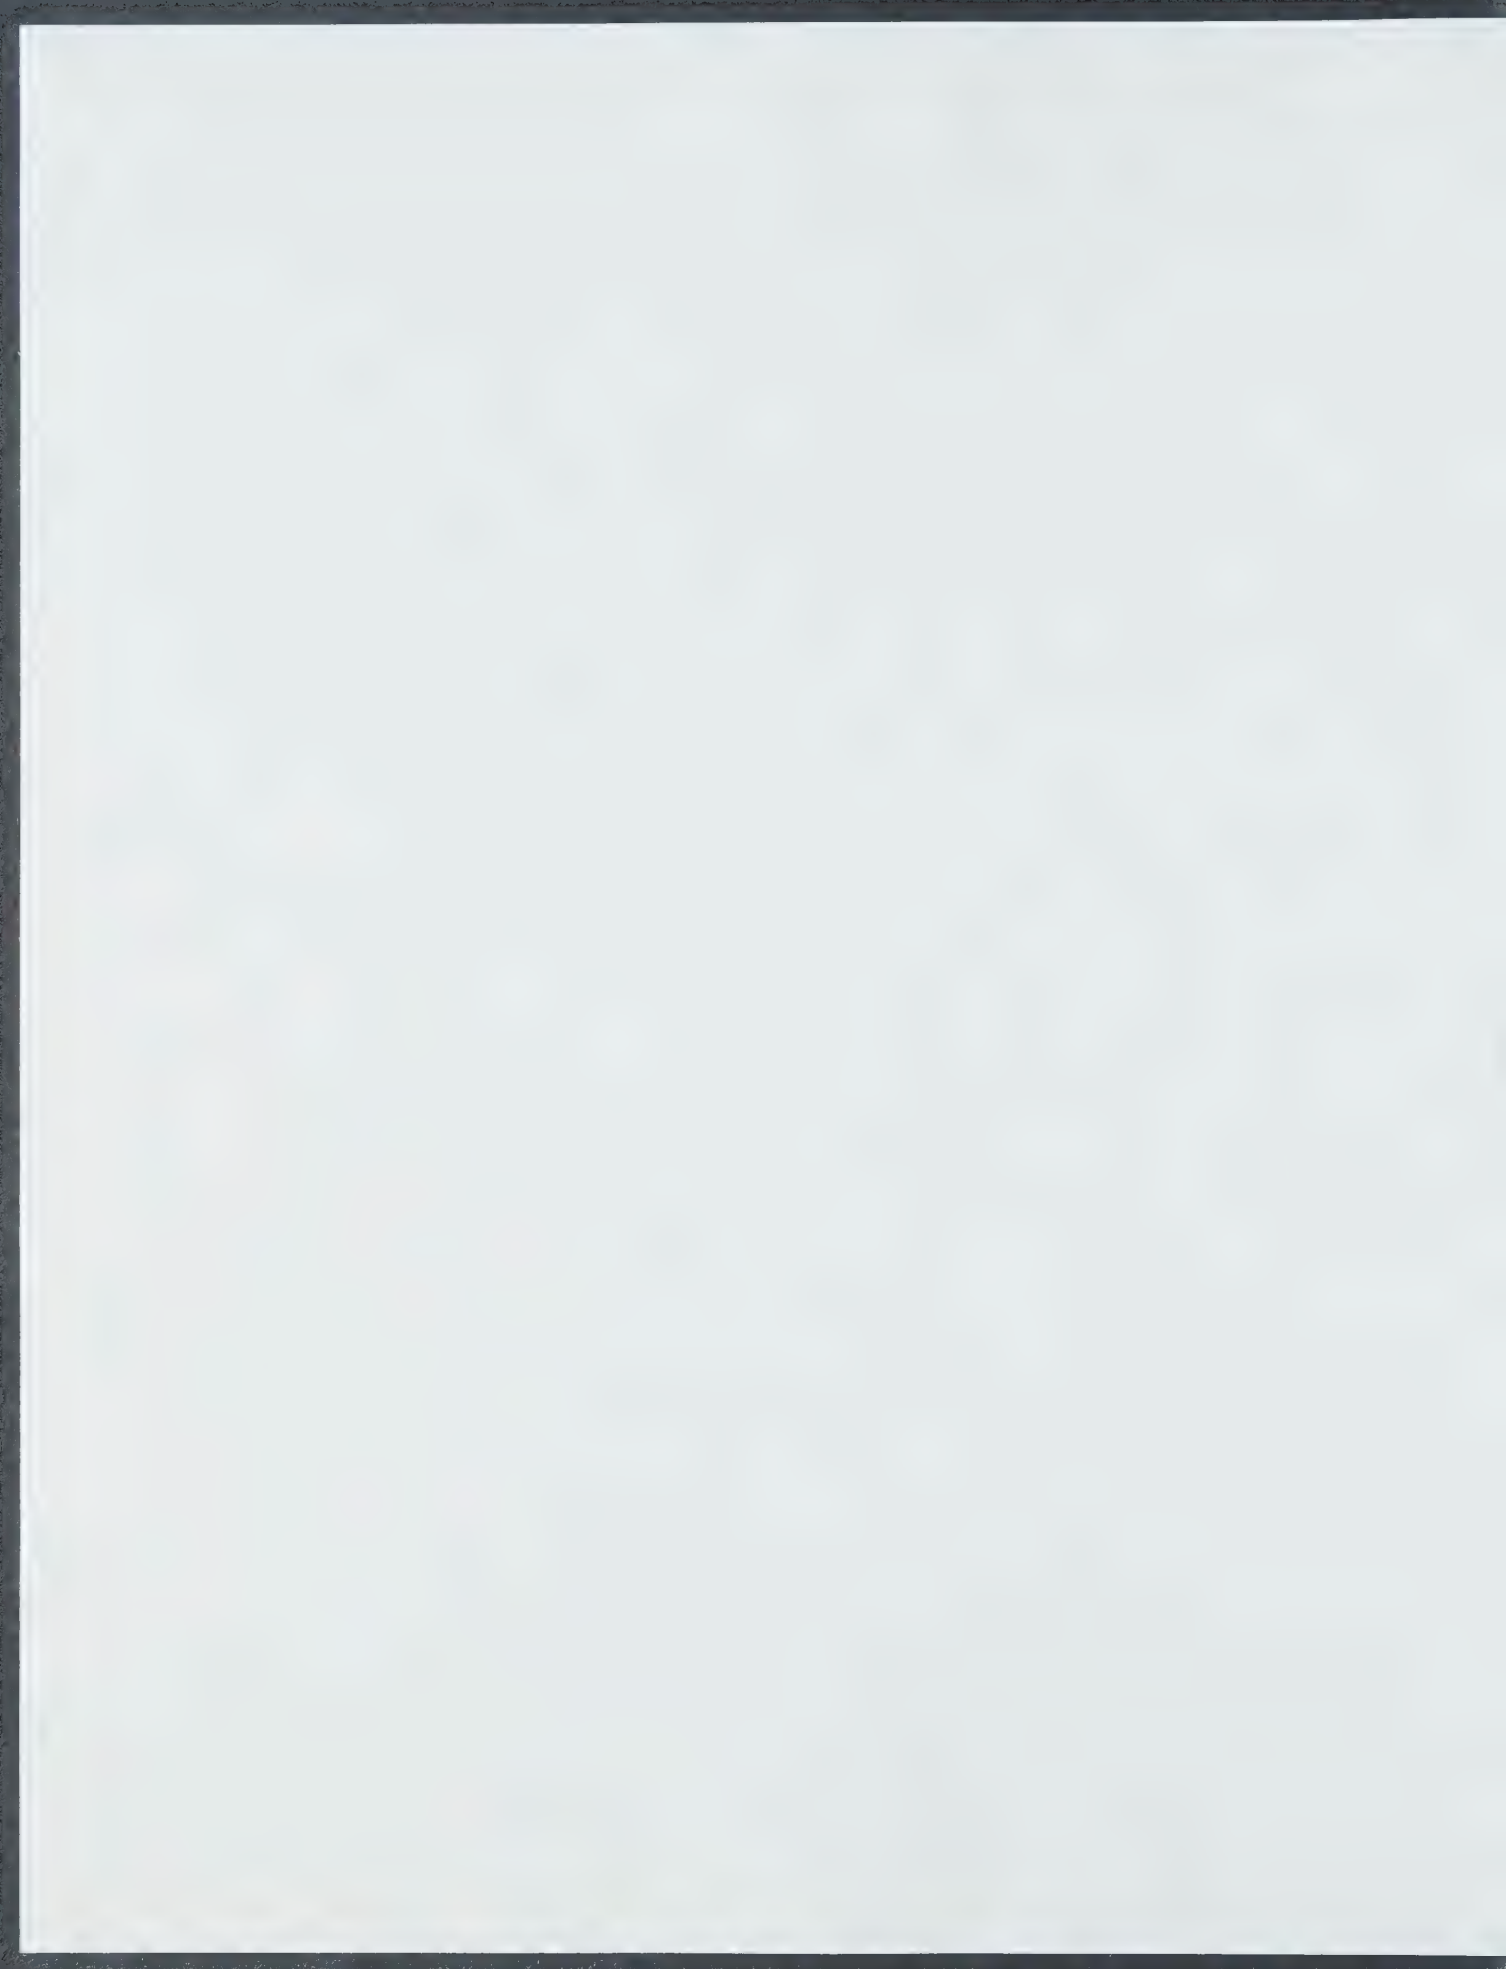

Very truly yours,

Mit herzlichem Grüßen,
Klaus Biemann

ALFRED BADER FINE ARTS

DR. ALFRED BADER

ESTABLISHED 1961

April 18, 1995

Dr. Reinhard Schlögl
Mariahilferstraße 35
A1060 Vienna
Austria

Dear Dr. Schlögl:

It was such a pleasure to be able to chat with you today.

There are two people at the American Chemical Society in Washington whom you will find very helpful. The first is Mr. Michael Heylin, the editor of *Chemical & Engineering News*, a publication which goes to every member of the ACS every week. The other man who may be very interested is an assistant managing editor, Mr. Ernest L. Carpenter.

Of course, you should also talk to some of the executives of the ACS, and I am sure that Michael Heylin and Ernest Carpenter will direct you.

Their address and telephone number are enclosed.

What a pity that you can't visit us in Milwaukee. If your plans should change, please let me know, and a comfortable guest room would await you and your wife in our house.

I so look forward to seeing you in Vienna in June. In the meantime, could you help me by sending me the address of Düticke and Mr. Moser's first name?

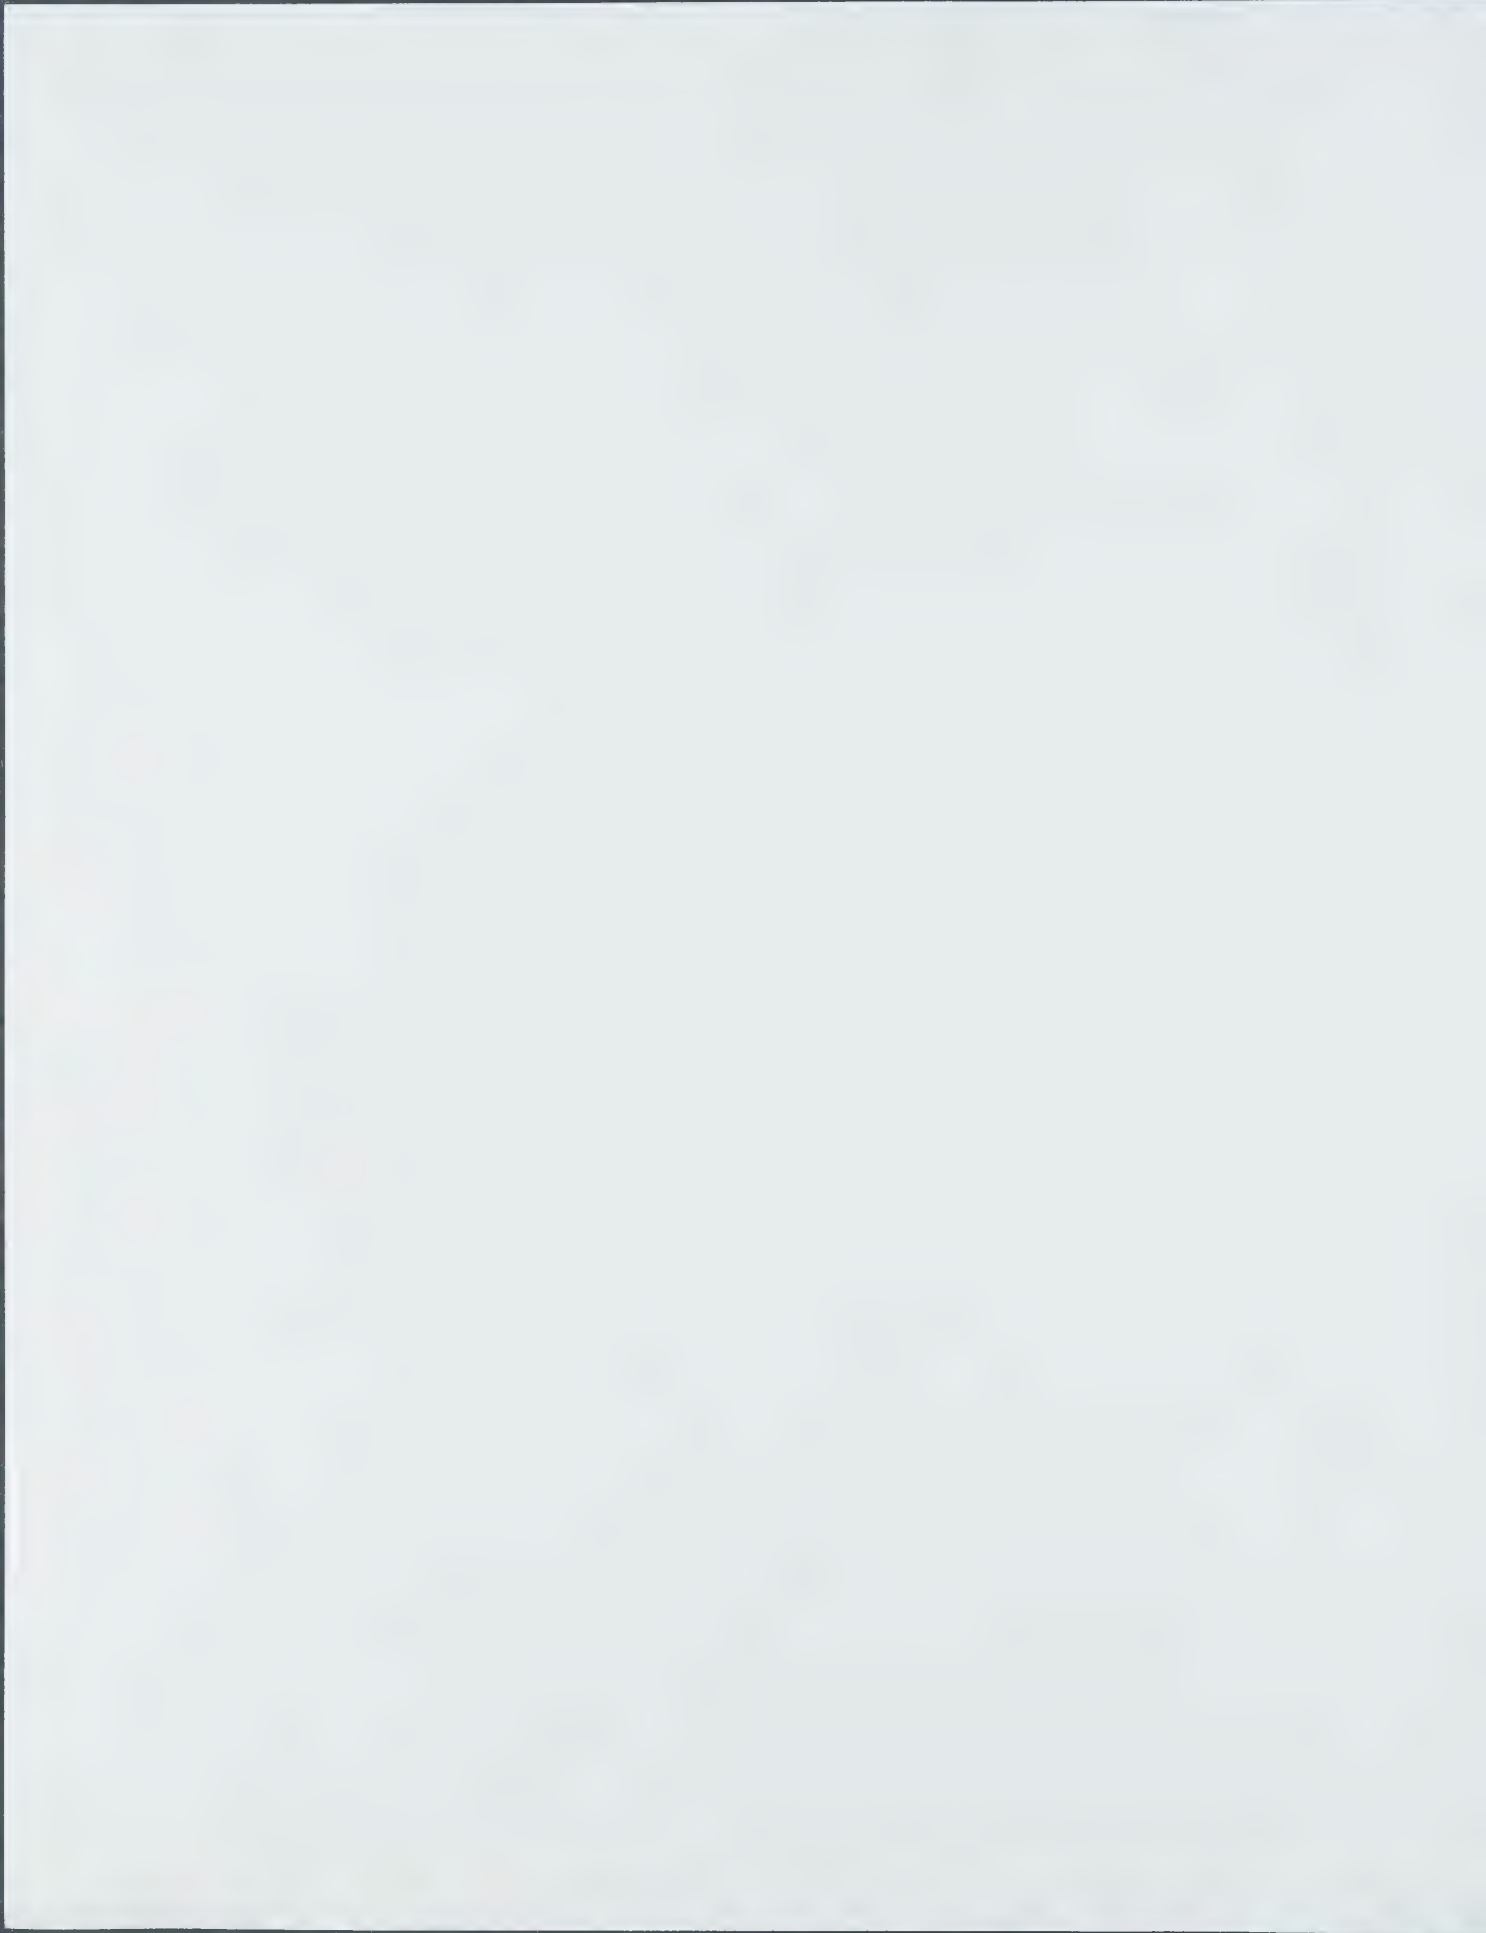

With all good wishes, I remain,

Yours sincerely,

AB/cw

Dear Dr. Schlögl:

Dr. Bader is traveling and will be in the Czech Republic all next week, arriving in Vienna on Friday afternoon, June 23rd. He is staying at the Hotel Strudlhof near the University (as indicated on the enclosed copy of fax) and would very much like to talk to you on Saturday or Sunday. Would you please leave a message for him at the hotel? Thank you.

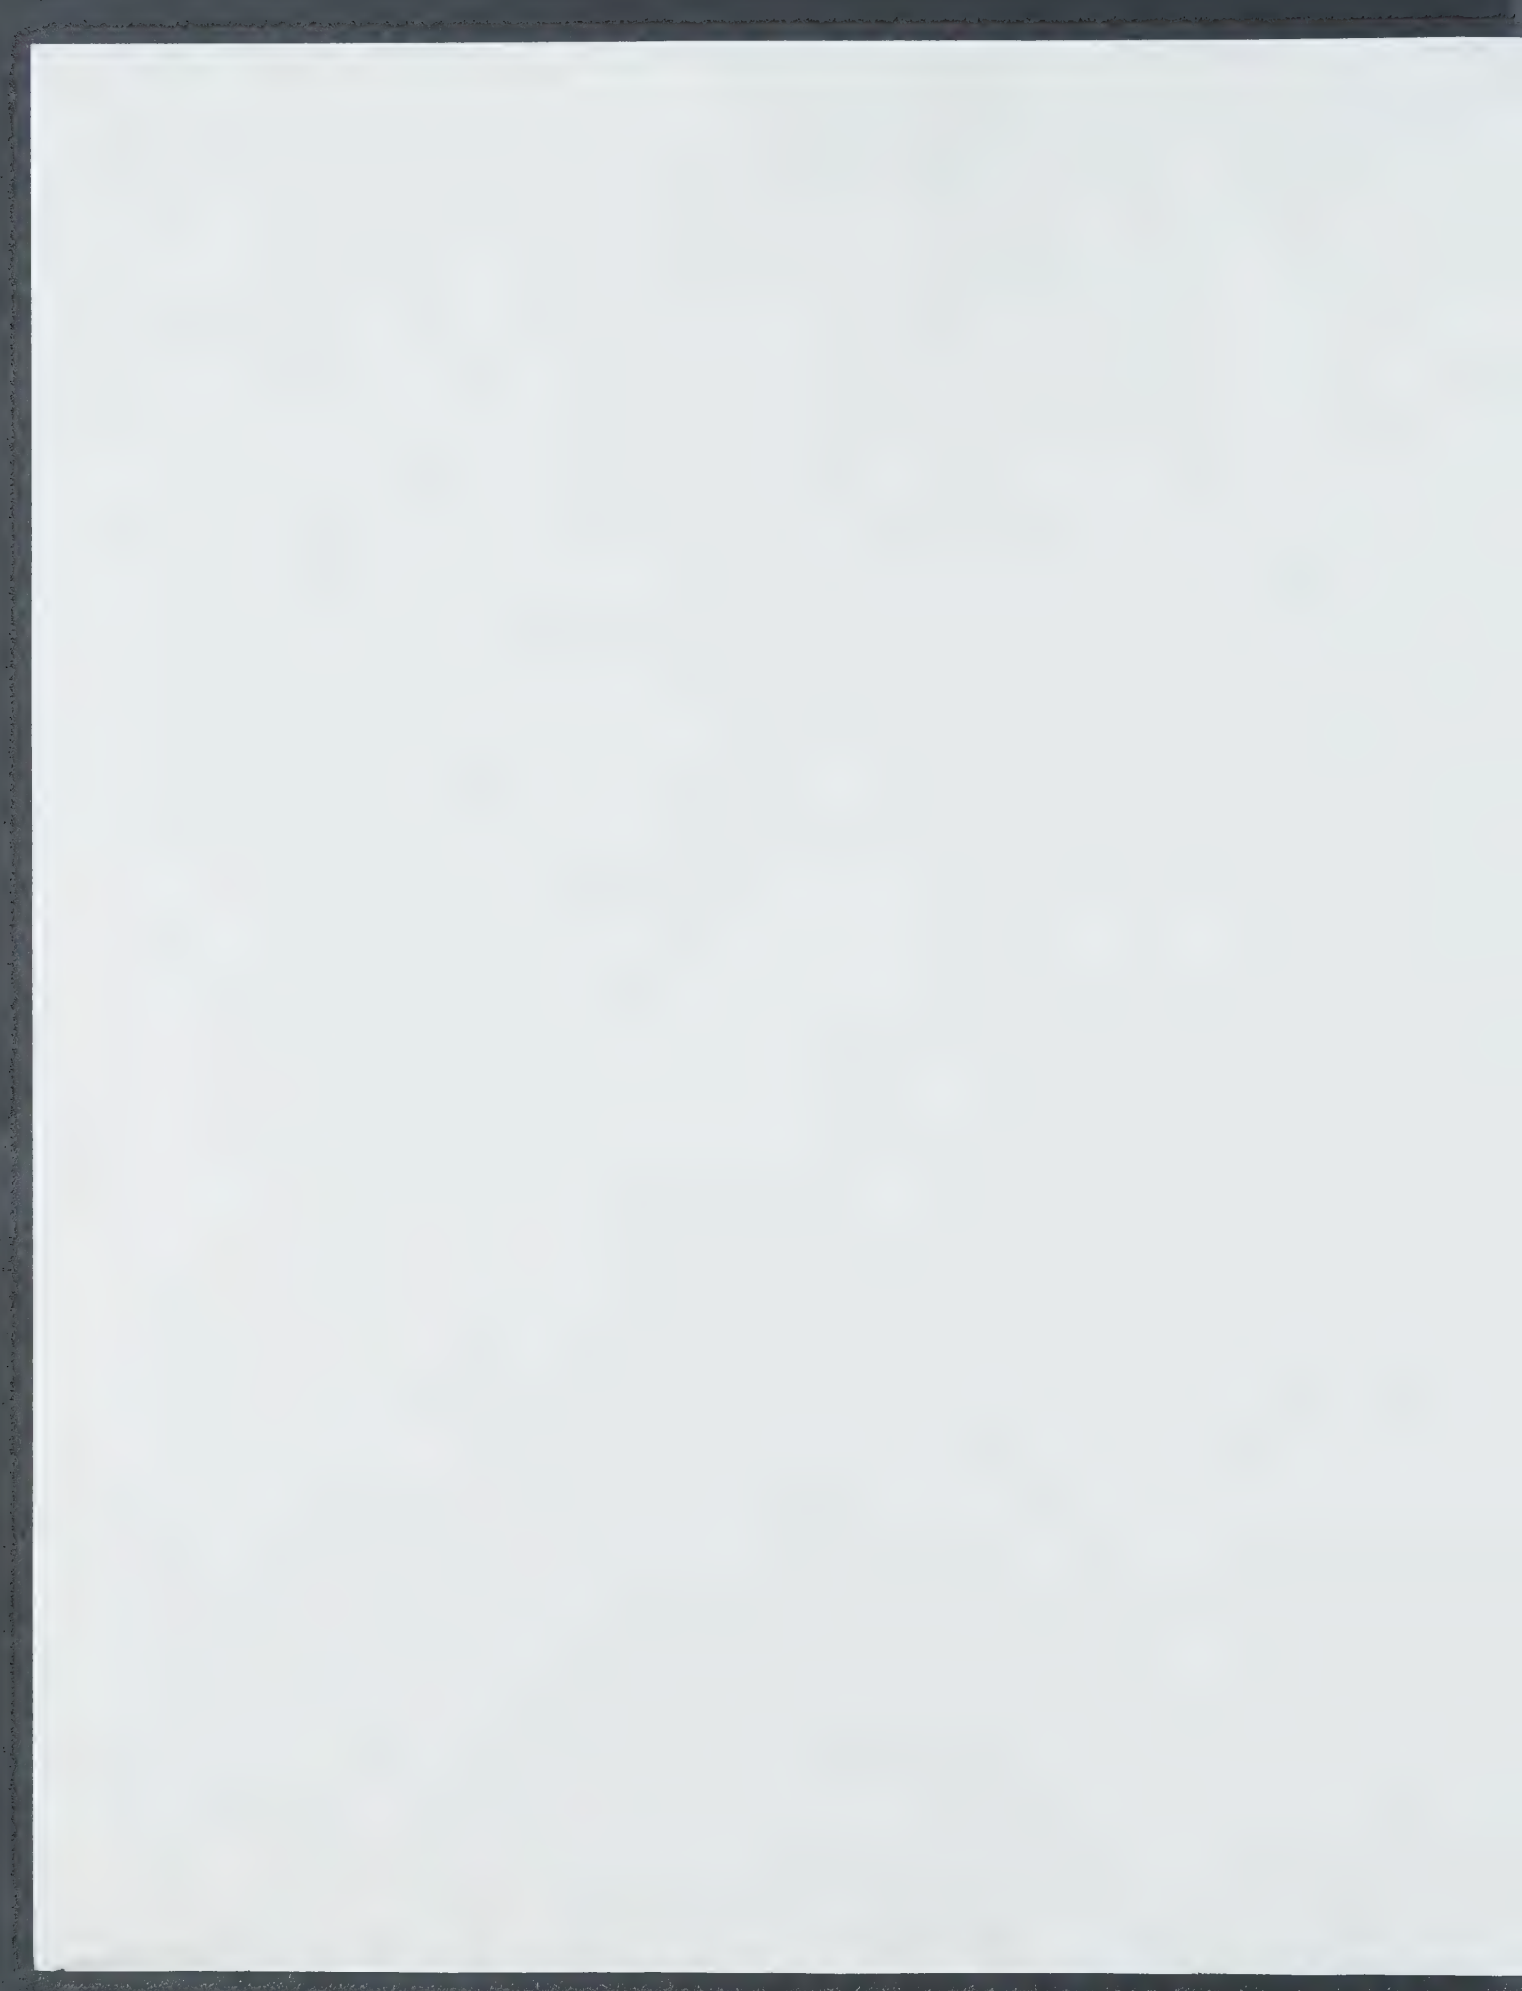

Sincerely,

Cheryl Weiss
Assistant to Dr. Bader

A Chemist Helping Chemists

November 2, 1995

Dr. Reinhard Schlögl
Mariahilferstraße 35
A1060 Vienna
Austria

Dear Dr. Schlögl:

Thank you so much for your most helpful letter of October 15th and the transcript of your program dealing with the International Josef Loschmidt Symposium.

It would be great, indeed, if my book could be translated into German, and I know that my literary agent in London, Mr. Jeffrey Simmons, is in contact with a Viennese publisher, Europa Verlag. That publisher is considering it, and surely, at least in chapters 1 and 16, it is very much a Viennese story. Might it be possible for you to call the publisher and share your thinking with them?

Thank you for your corrections, which I will incorporate in a second printing, if there is one. I have certainly learned from this book that it is practically impossible to have so long a book without any flaws.

I hope that when you meet with Dr. Rosner he will show you not only the latest Aldrich catalogs but also some of the *Aldrichimica Acta*.

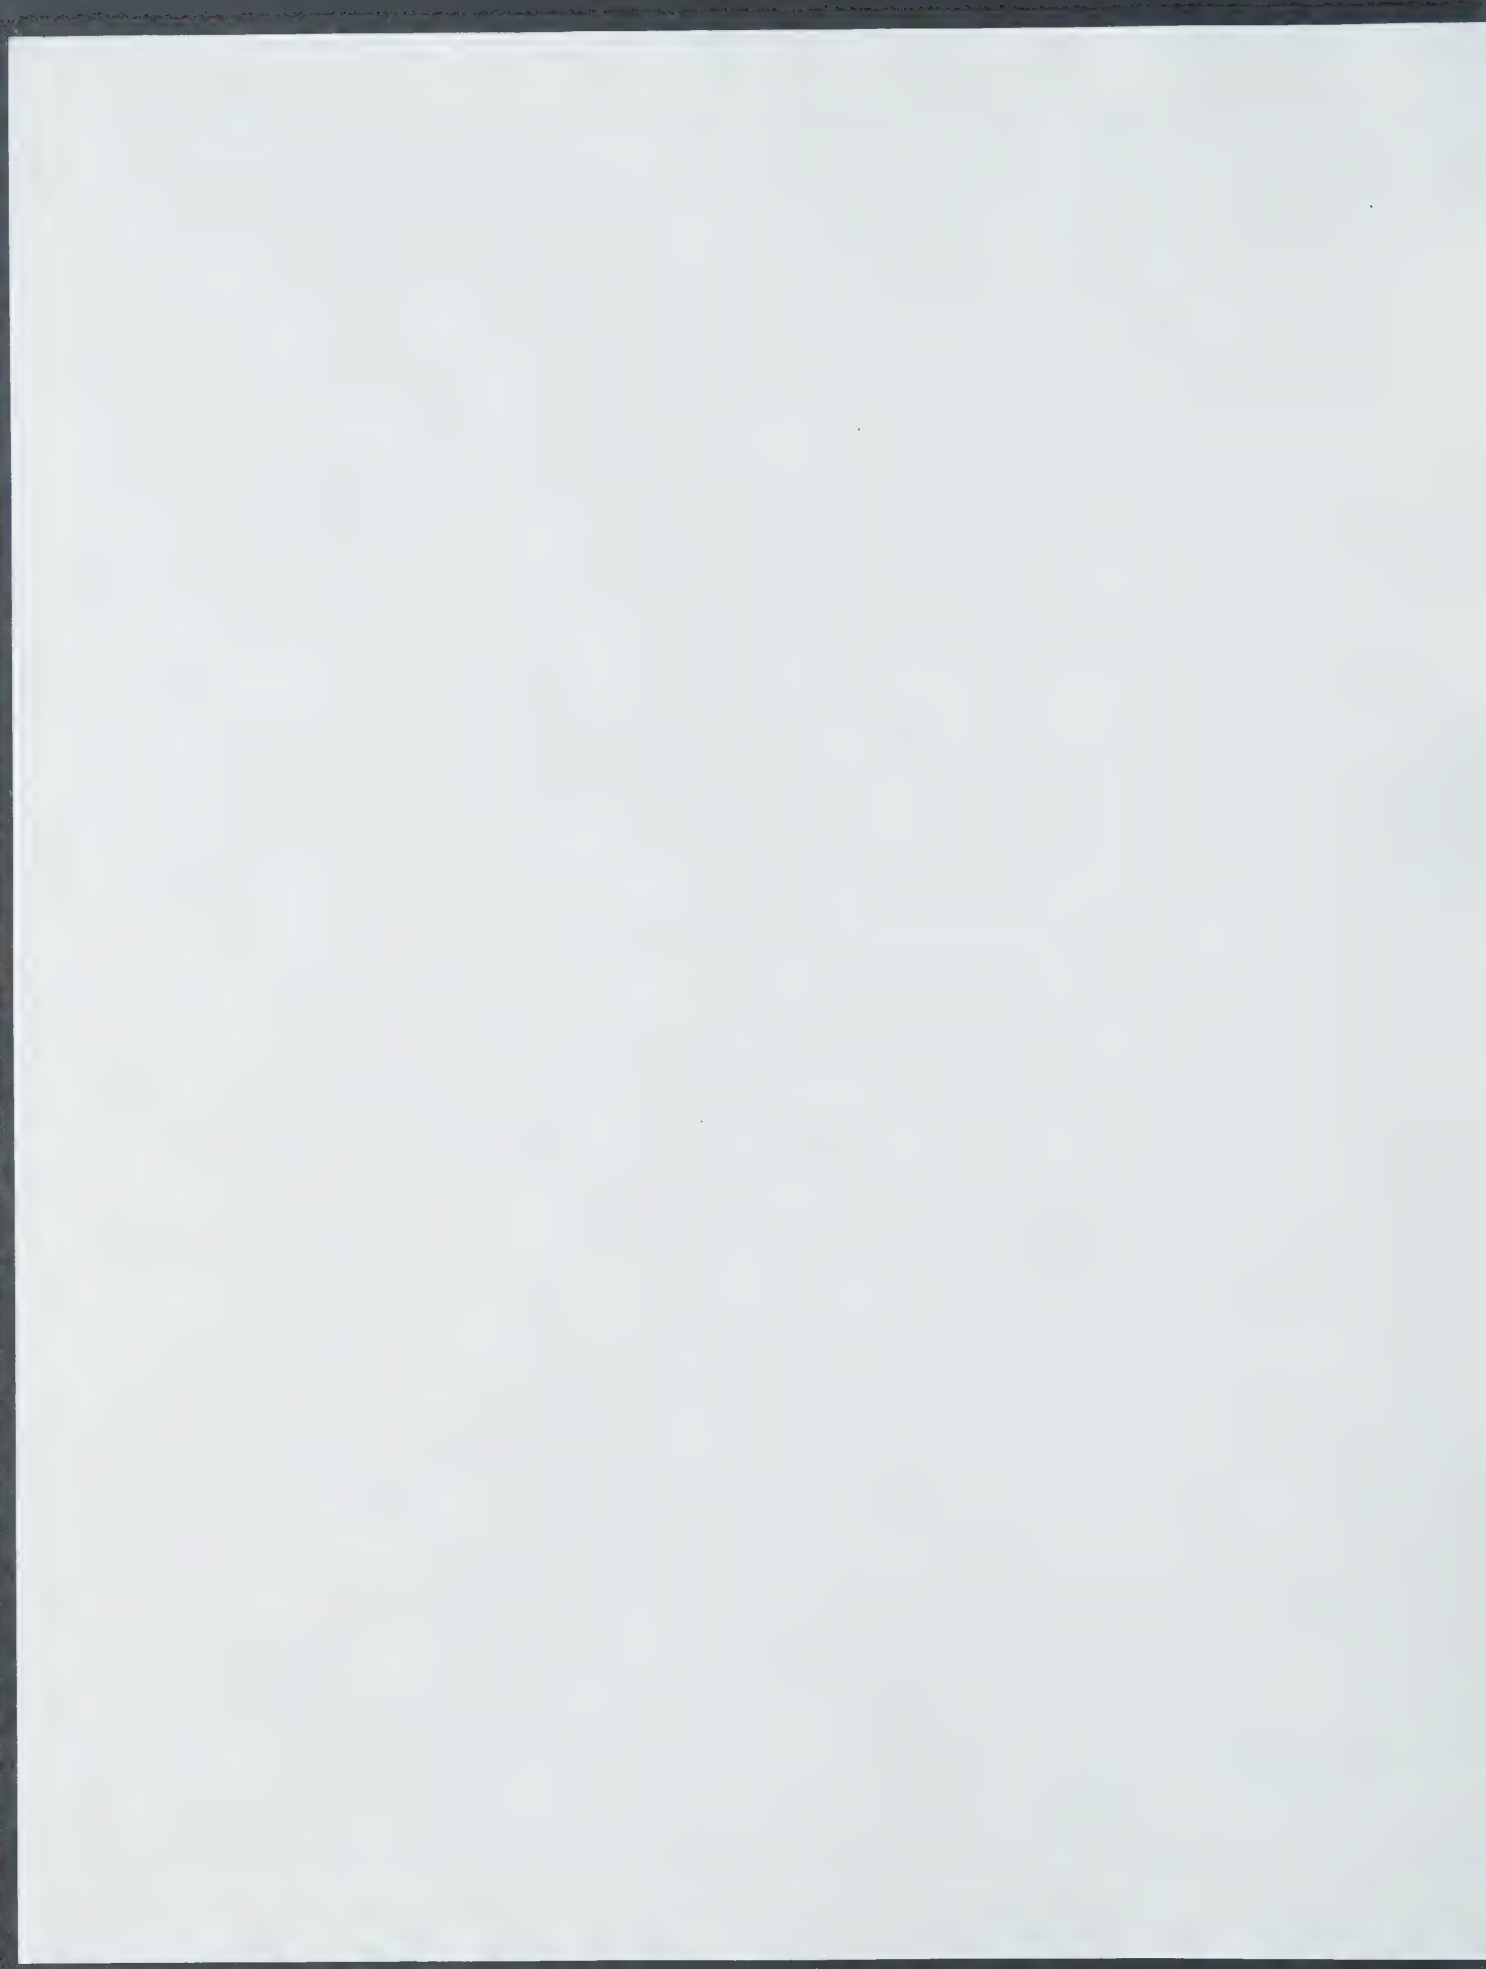

Last but not least, I do hope that you will come and visit us in Milwaukee sometime. And then of course, I hope to meet with you again in Vienna next June.

With all good wishes, I remain,

Yours sincerely,

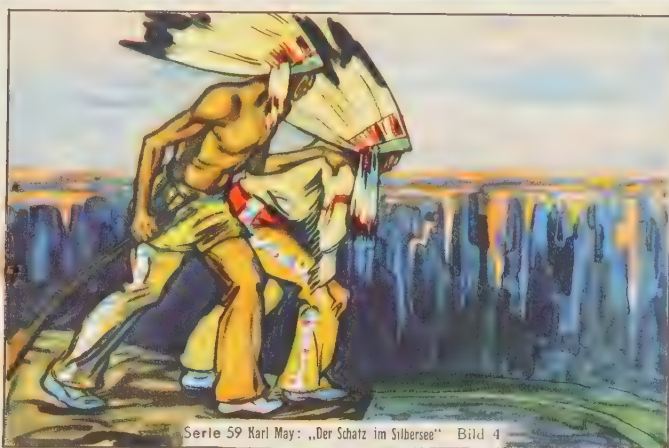

AB/cw

Serie 11

Karl May: „Der Schatz im Silbersee“
Eine schwierige Verhandlung.

Bild 3

Old Shatterhand ist mit einigen Freunden von den Yampa-Utahs, angeführt von Ovuts-avaht, dem Großen Wolf, überrumpelt worden. Im Augenblick des Überfalls befanden sich grad zwei Tramps von der Bande des ‚Roten Cornel‘ mit Namen Knox und Hilton bei den Jägern. Die beiden Abenteurer haben den Utahs zwei Pferde gestohlen. Da hilft es nichts, daß Old Shatterhand beim Losbrechen der Roten die Tramps niederschlägt, um zu zeigen, daß er nicht gemeinsame Sache mit ihnen macht. Der Große Wolf fordert den Tod aller Weißen. In zähem Verhandeln gelingt es Old Shatterhand endlich, einen Aufschub durchzusetzen. Und er weiß: Zeit gewonnen, viel gewonnen!

Ein hübsches Sammelalbum mit Begleittext können Sie über Ihren Kaufmann zum Preise von S 7.- bestellen

Der Hausfrau mit der guten Qualität,

KARL MAY SERIENBILDER Band III Serien 41-60

Serie 59

Karl May: „Der Schatz im Silbersee“
Der Silbersee.

Bild 4

Turmhohe Felswände, in allen Farben schillernd, schließen ein Tal ein, das vielleicht zwei Stunden lang und halb so breit sein mag. In den zahlreichen Klüften, die sie durchreißen, wachsen Bäume und Sträucher; je tiefer herab, desto dichter wird der Wald, der rundum bis nahe an den See tritt und zwischen sich und dem Wasser nur einen schmalen Grasstreifen durchblicken läßt. Der Wald spiegelt seine Wipfel im See, und die Berghäupter werfen ihre Schatten über die Flut. Kein Lufthauch kräuselt die Fläche. Man könnte meinen, ein mit Quecksilber gefülltes Becken vor sich zu haben.

Dieses 4blättrige Kleeblatt bringt jeder Küche Glück.

Für die Bilder ist ein schönes Sammelalbum zum Preise von S 7.- über Ihren Kaufmann oder direkt per Nachnahmeversand erhältlich.

Ebhart & Herout MARGARINEFABRIK · WIEN XIV, Stockhamnergasse 19

Wien, 15.10.95

Sehr geehrter Herr Dr. Pader!

Vielen Dank für Ihren Brief vom 21. September,
in dem Sie über die Sammlung von Zeichnungen
(Salomon-Tempel ...) schreiben. Es gibt
tatsächlich unskwürdige Zufälle! Danke auch
für den Tip, mich mit Prof. V. Manúth, Queens-
-University in Verbindung zu setzen. Ich werde das
demnächst tun.

Während meines Urlaubs in Kärnten habe
ich Ihr Buch sorgfältig gelesen und wiederholt
auch ausführlich mit Dr. Rosner diskutiert.
Ich finde es sehr spannend geschrieben und habe
jetzt noch viel mehr Respekt vor Ihnen als
vor der Lehrkraft des "Adventures".

Das wäre eine tolle Sache, wenn man es auch
auf deutsch herausbringen könnte. Haben Sie
das je überlegt?

Sie auch immer: Als Ergänzung für unsere
Gespräche (→ Radioausstrahlung "Alfred Pader -
- ein Portrait...") ist das Buch ideal.

Ein paar Kleinigkeiten, die vom Verlag überssehen
würden, sind mir aufgefallen. Ich hoffe, Sie sind
mit nicht böse, daß ich Sie damit vollst. "nerve",

aber vielleicht ist es für die 2. Auflage nützlich:

- S. 16: Ich bin kein Karl May - Kenner - aber: sollte man statt „old Shatterhand“ nicht „Old Shatterhand“ schreiben? Weil's doch ein Eigenname ist?
- -||- Michel-Katalog oder Michtl?
- S. 20 Hitzing statt Hietzing!

Ein paar Fragen habe ich auch noch:

- Trifft der Untertitel „Adventures of a dwarf“ coll. nicht nur einen kleinen Teil ihrer Persönlichkeit?

Jab's seitens des Verlages keine Alternativen?

... a life full of adventures ...

... art, bible, demistry ... als Stichworte!

- Alles in allem: Ein tolles Buch, auch für den Laien lesbar, sehr informativ ... und vor allem sehr menschlich.

Viele sollten es lesen - und könnten wohl einiges daraus lernen!

In einigen Tagen werde ich Dr. Rosner treffen - er wird mir den berühmten (Sigma)-Aldrich-Katalog zeigen (Rosner: „Wenn Sie den nicht gesch. haben, dann können Sie gar nicht mitreden!“) und u.a. auch über Sie plaudern. Ich grüße Sie sehr herzlich von Wien, das unheimlich gerne vom Mitwachen gleich weit entfernt ist, wie unjährl. Nur Reinhard Felicitas

PS: Die Gültigkeitsdauer Karl-May-Libros könnte Sie interessieren - Sie sind ein großer Kenner der Vertriebswege! - als Kunde - vielleicht zusammen mit Ihnen.

A Chemist Helping Chemists

December 27, 1995

Dr. Reinhard Schlögl
Mariahilferstraße 35
II, 1
A1060 Vienna
Austria

Dear Reinhard:

Thank you so much for your letter of November 11th and the copy of the University magazine with your two-page article with that sad Letter to the Editor entitled "Who Needs Loschmidt?"

During our discussion by telephone from England, I promised to send you a copy of that very interesting article on Loschmidt's work in physics from the Journal of Chemical Education, and that is now enclosed.

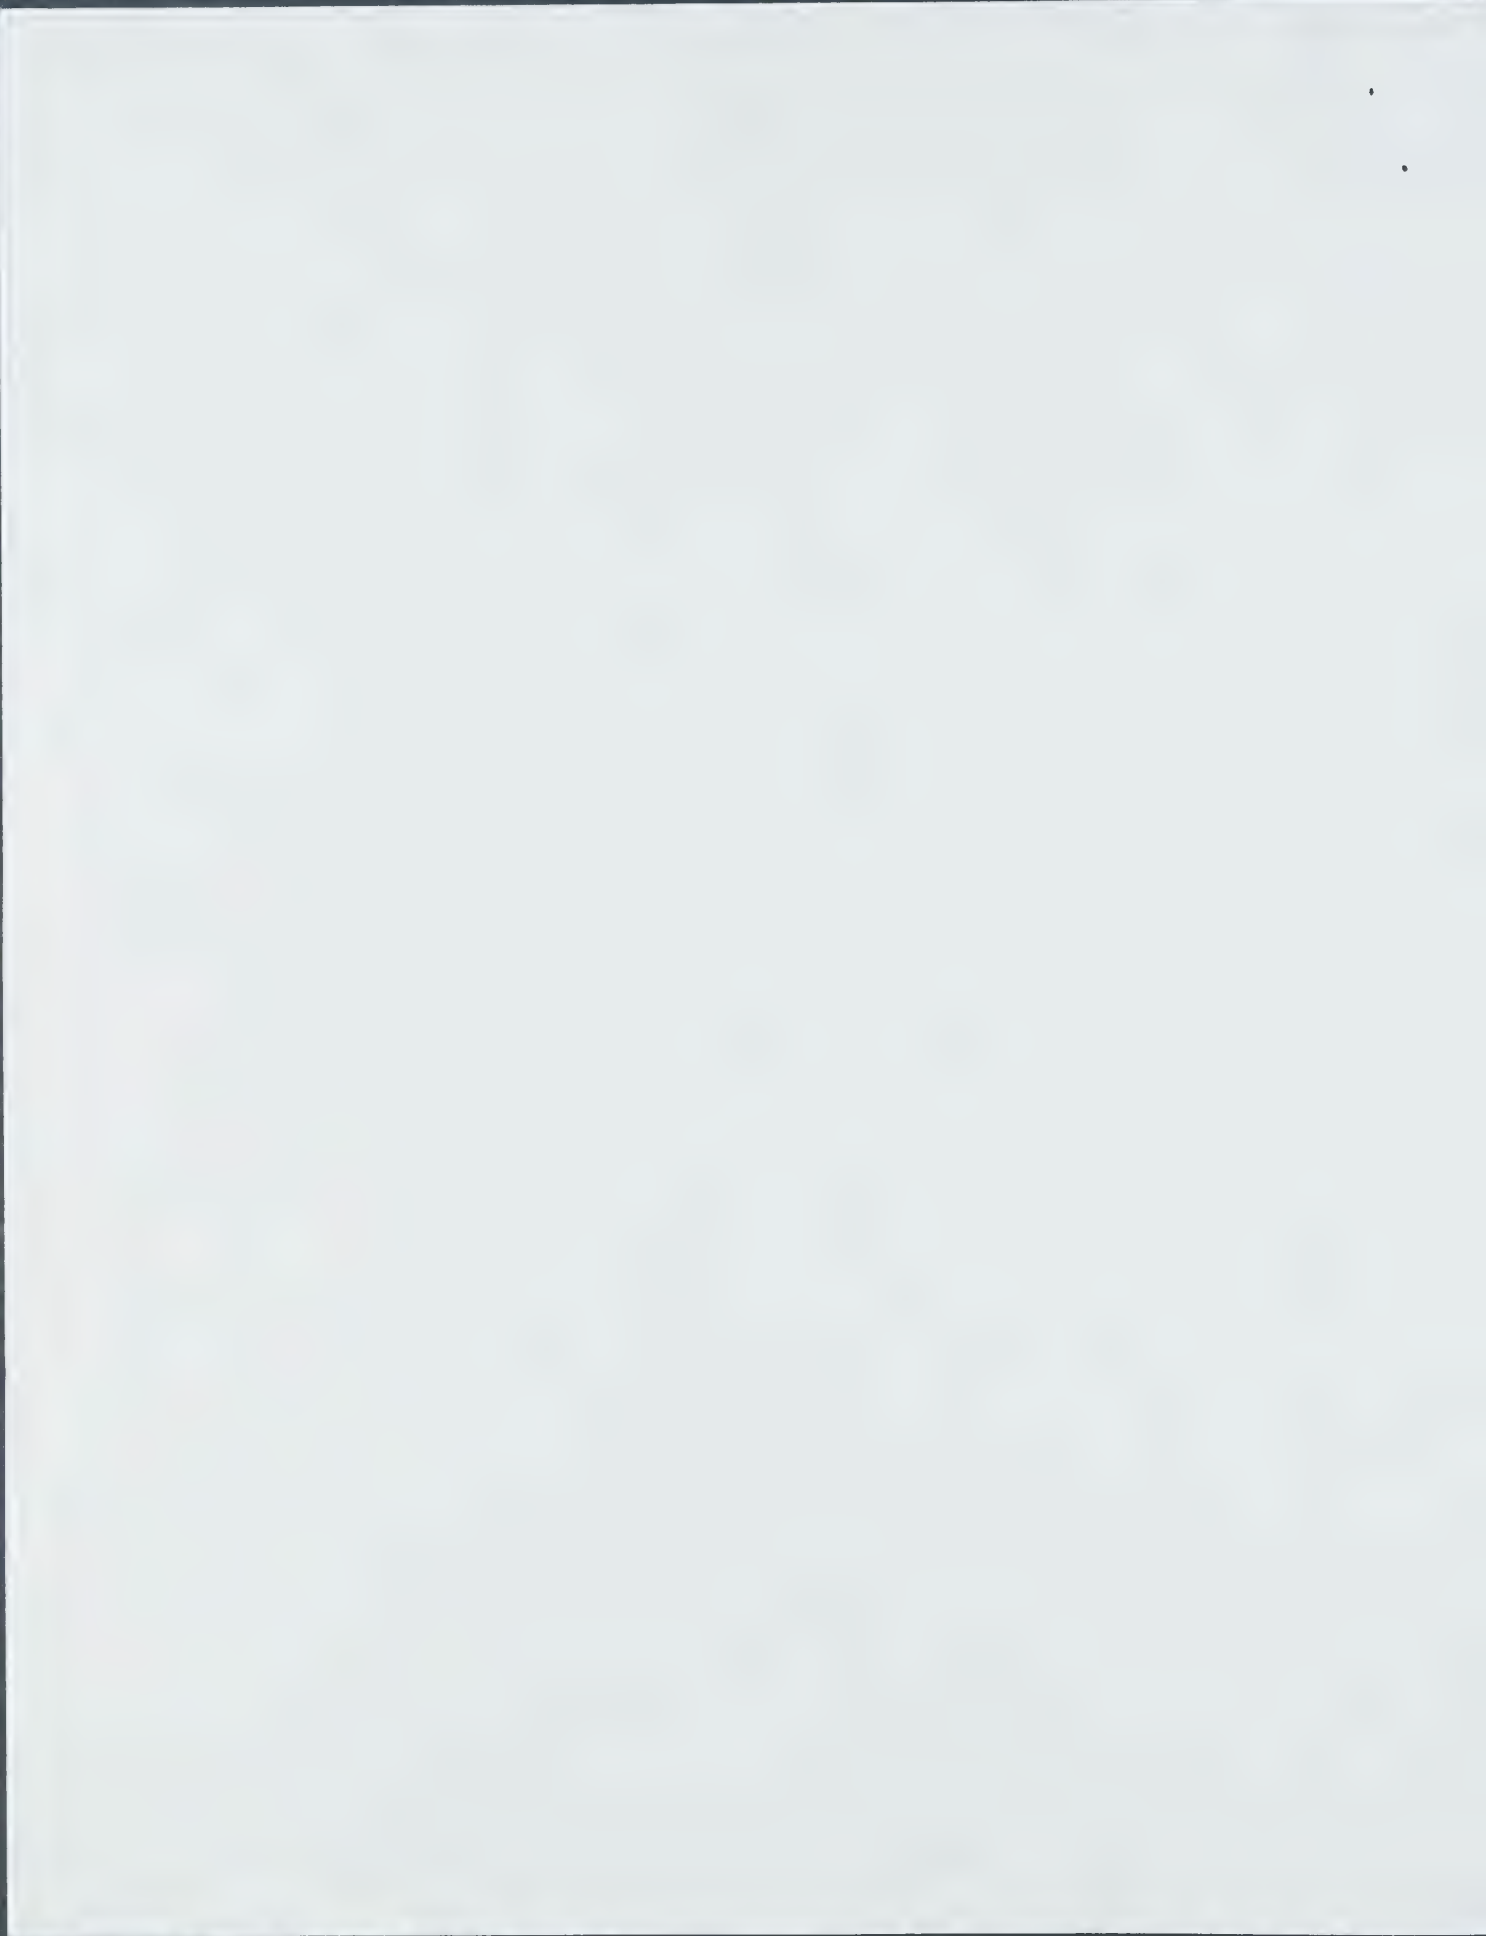

When next you come to New York, please do remember that it is so easy to fly non-stop from LaGuardia or Newark to Milwaukee using Midwest Express, the best airline I know.

Of course, we also much look forward to seeing you again in Vienna next June.

With all good wishes for 1996, I remain,

Yours sincerely,

AB/cw

Wien, 8. 11. 1915

Sehr geehrter Herr Dr. Zader!

Vielen Dank für Ihr Schreiben vom 2. November.
Soeben habe ich mit dem Lektorat des Wiener
Europa-Verlages telefoniert. Dort weiß man
im Augenblick noch nichts von Ihrem Buch.
Offenbar hat Mr. J. Simmons in London noch
keine entsprechenden Ergebnisse geführt.

Ich werde jedenfalls mit dem Verlag Kontakt
halten.

Dr. Rosner hat mir vor einigen Tagen eine
Ausgabe des Aldrich-Katalogs gebracht
wirklich ein imposantes Werk!!!

Vielen Dank auch für Ihre wiederholten
Einladungen nach Milwaukee, aber ich fürchte,
in naher Zukunft werde ich /br. meine Frau
nicht in der Lage sein, nach Wisconsin zu
kommen. Aber vielleicht können wir uns „auf
halbem Weg“ treffen. Zum Beispiel in New York.
Höchstensweise habe ich in der ersten Dezemberhälfte
berüfflicht dort zu sein wie auch immer,

/.

Wenn ich in die USA komme, lasse ich Sie
auf jeden Fall wissen.

Am „schlimmsten Fall“ sehen wir einander im
Juni in Wien.

Mit eiserner Hartnäckigkeit und fast schon an
Stärke grenzender Willenskraft ist es mir
gelungen, einen weiteren Artikel im Wiener
Universitätsmagazin „univers“ zum Thema
Loschnitz unterzubringen. ^(S. 6...) Dermal - wohl zu
Recht - eine recht kritische Sache. Schön, daß
es der Verlag ungehindert abgedruckt hat.

Die Loschnitz - Gedenktafel (→ Lacknergasse 78)
entwickelt sich zwar aber doch positiv (Viel
Papierkram mit Ämtern etc. - v. Bundesdenkmalamt)
Aber 1966 wird jedenfalls die feierliche Enthüllung
stattfinden.

Morgen, P. M., mache ich eine Vorführung
von 3-D-Diapositiven mit Aufnahmen vor
der Loschnitz - Feier am Grab - - - und ich
werde auch jene Photographie zeigen, wo die
ich vor Ihnen (gemeinsam mit Dr. Rosen)
in meinem Studio gemacht habe - ebenfalls
in Stereo. Diese wissenschaftshistorischen Bilder
werde ich übrigens an der Technischen Universität vorführen.
Es muß Sie sehr lustig über Wien
sein
Ihr
