Dr. Alfred Bader
Milwaukee,

Dear Dr. Bader:

What a distinct pleasure to meet Mrs. Bader and you at Queen's. I greatly enjoyed our chat - it brought back happy memories of my friendships with Jewish Canadians when I was at McGill.

I haven't had a chance to retrieve the Court Dress from the Agnes Etherington Art Gallery but when I do I'll pack it more carefully.

Stethem Hall on the Canadian Forces Base, Kingston, is named in honour of Col. H.W. L. Stethem who was Base Commander from 1966 to 1968. He lived from 1915 to 1981.

Please remember me to Mrs. Bader.

Yours,
John.

My dear Sir,
The enclosed

is for the books

which a list of names to meet the
order and you at once. I have
sent a list of books back with
particulars with names of authors and
I have had a copy to return the list
from the State Department but I
do not think I will be able to

return it to the Commission for
the books so named in the list of
State and also these books from 1912
to 1918. The list from 1912 to 1918
I have enclosed me to the books

Yours,
John

Dr. Alfred Bader
c/o The Holiday Inn, Kingston

Dear Dr. Bader:

Thank you indeed for your kind letter of 10 Oct 95.

Perhaps Mrs. Bader and you would like to join me for tea from four to six at my home on Mon., 23 Oct., or Tues., 24 Oct. or Wed., 25 Oct. If any of these dates is O.K. for you, please just leave your reply with the desk at the Holiday Inn. I would pick you up at Summerhill at 4 p.m. on the day you select. My home is just outside Kingston and difficult to find so I think this arrangement is the most convenient for you.

With kindest regards,

John S. Ellis.

Dr. Alfred Bader
Milwaukee Wisconsin

Dear Dr. Bader:

Thank you for your kind letter of
20 Apr. 95.

Yes my father was Dean of Applied
Science and, interestingly enough, his father
was Dean of Education.

For your reunion weekend, as I will be
out of town, I will leave the court dress with
Miss Fars of the Agnes Etherington Art Centre,
so that Mrs. Bader and you can see it at
your convenience.

With best regards,

John S. Ellis

Professor J.S. Ellis
Civil Engineering Department
Royal Military College of Canada
Kingston, Ontario K7K 5L0
Canada

Dear Professor Ellis:

Thank you so much for your thoughtful and most interesting letter of March 22.

Your court dress given by Maria Theresia to Countess von Lockhart sounds most interesting. Undoubtedly you know how highly the Scots were regarded in Vienna, and there was even a Scots Gate in the old walls around the city.

That dress would be one of the most important in the Queen's collection, and Isabel and I sincerely hope that Queen's will be able to accept it.

We will be at the Queen's reunion next October because that will be the 50th reunion of Sc. '45, my year.

Incidentally, are you perchance related to Dean Ellis, who was Dean of Engineering at Queen's when I was a student?

With best personal regards, I remain,

Yours sincerely,

AB/cw
