Dear Mrs. Horowitz,

Isabel and I have only just returned from England and that will explain my responding to your interesting letter of June 26<sup>th</sup> so late.

We receive several requests for funds every working day and must be selective where we help. We still help the Hillel Academy in Milwaukee and particularly Chabad which now administers it. Of course we help our schools, Victoria University in Toronto and Queen's. We have absolutely no connection with York and know, of course, that the Toronto Jewish community is very well to do and surely helps you.

With all good wishes I remain

Yours sincerely,

Alfred Bader

Hi, Mr. Young,

Alfred and Isabel left this morning for Toronto, but I can help you get into the website.

<http://www.alfredbader.com> ought to do it for you.

Regards,  
Ann

Good Morning Alfred, Woody told me you have a web site, however I'm having a problem bringing it up. He said it was simply [alfredbader.com](http://www.alfredbader.com) Could you help me find it? My life is so complicated at this moment, that if I started to tell you, by the time I finished typing, it could easily have changed by then. Hope all is well with the Bader family, give my love to Isabel, and a big hug for you. Fondest Regards Barry

Dear Dr. Logan:

I am sorry that several trips have delayed my thanking you for your thoughtful letter of December 4, regarding the publication to honor Professor Egbert Haverkamp Begemann's 60th birthday a year from now.

I plan to celebrate Professor Haverkamp Begemann's birthday in a somewhat personal manner, and hence would only like to become a supporter of this volume.

My check for \$200 is enclosed. All good wishes.

Sincerely,

Affred Bader
