Mr and Mrs. Baden -

Just a short note to say
how much we enjoyed meeting w
you last month.

I especially enjoyed your
talk at the National Gallery and
have a new love for old masters.

We are continuing to explore
options on how we can be of
assistance to the Agnes Etherington
Centre.

I thought you might find

Dear Dr. and Mrs. Bader:

Just a short note to thank you for coming in to speak with us about the Agnes Etherington Art Centre.

Your generosity to Queen's University and the Kingston Community is to be commended. Your support will be felt by generations of students in the years ahead who will benefit from your kind support of the University. Let me assure you that in the coming months we will make every effort in what you can imagine are difficult financial times to continue to be supportive of the Centre.

It was a pleasure meeting with you, and I hope we will have the opportunity again in the near future.

Sincerely,

A handwritten signature in blue ink, appearing to read 'D. B. Maund'.
