TO: Ms. Katherine Davidson Page 1 of 1

FAX #: 374-7976

Dear Katherine,

Thank you for all your help with the last five frames and the next four.

I am really happy with the last five and, as I told you, sold the first of these pictures today.

It was too bad we were so rushed today. If we had had a little more time I would have pointed to your invoice which I paid today and asked you to compare the cost of that large and fine frame with the projected cost of the next four. You know of course that the frame just picked up is also large and has a fillet and yet together its price was very reasonable \$125.25.

Should a man who just sold a Rembrandt and a Rubens worry about the cost of such frames? Probably not, but I can't jump out of my skin.

With many thanks for your help and best regards, I remain

Yours sincerely,

Alfred Bader

FAX #: 374-7976

Dear Miss Davidson,

Thank you so much for all your help this afternoon.

Unless I hear from your office before, I will come in this coming Friday, one week from today, to pick up the six paintings.

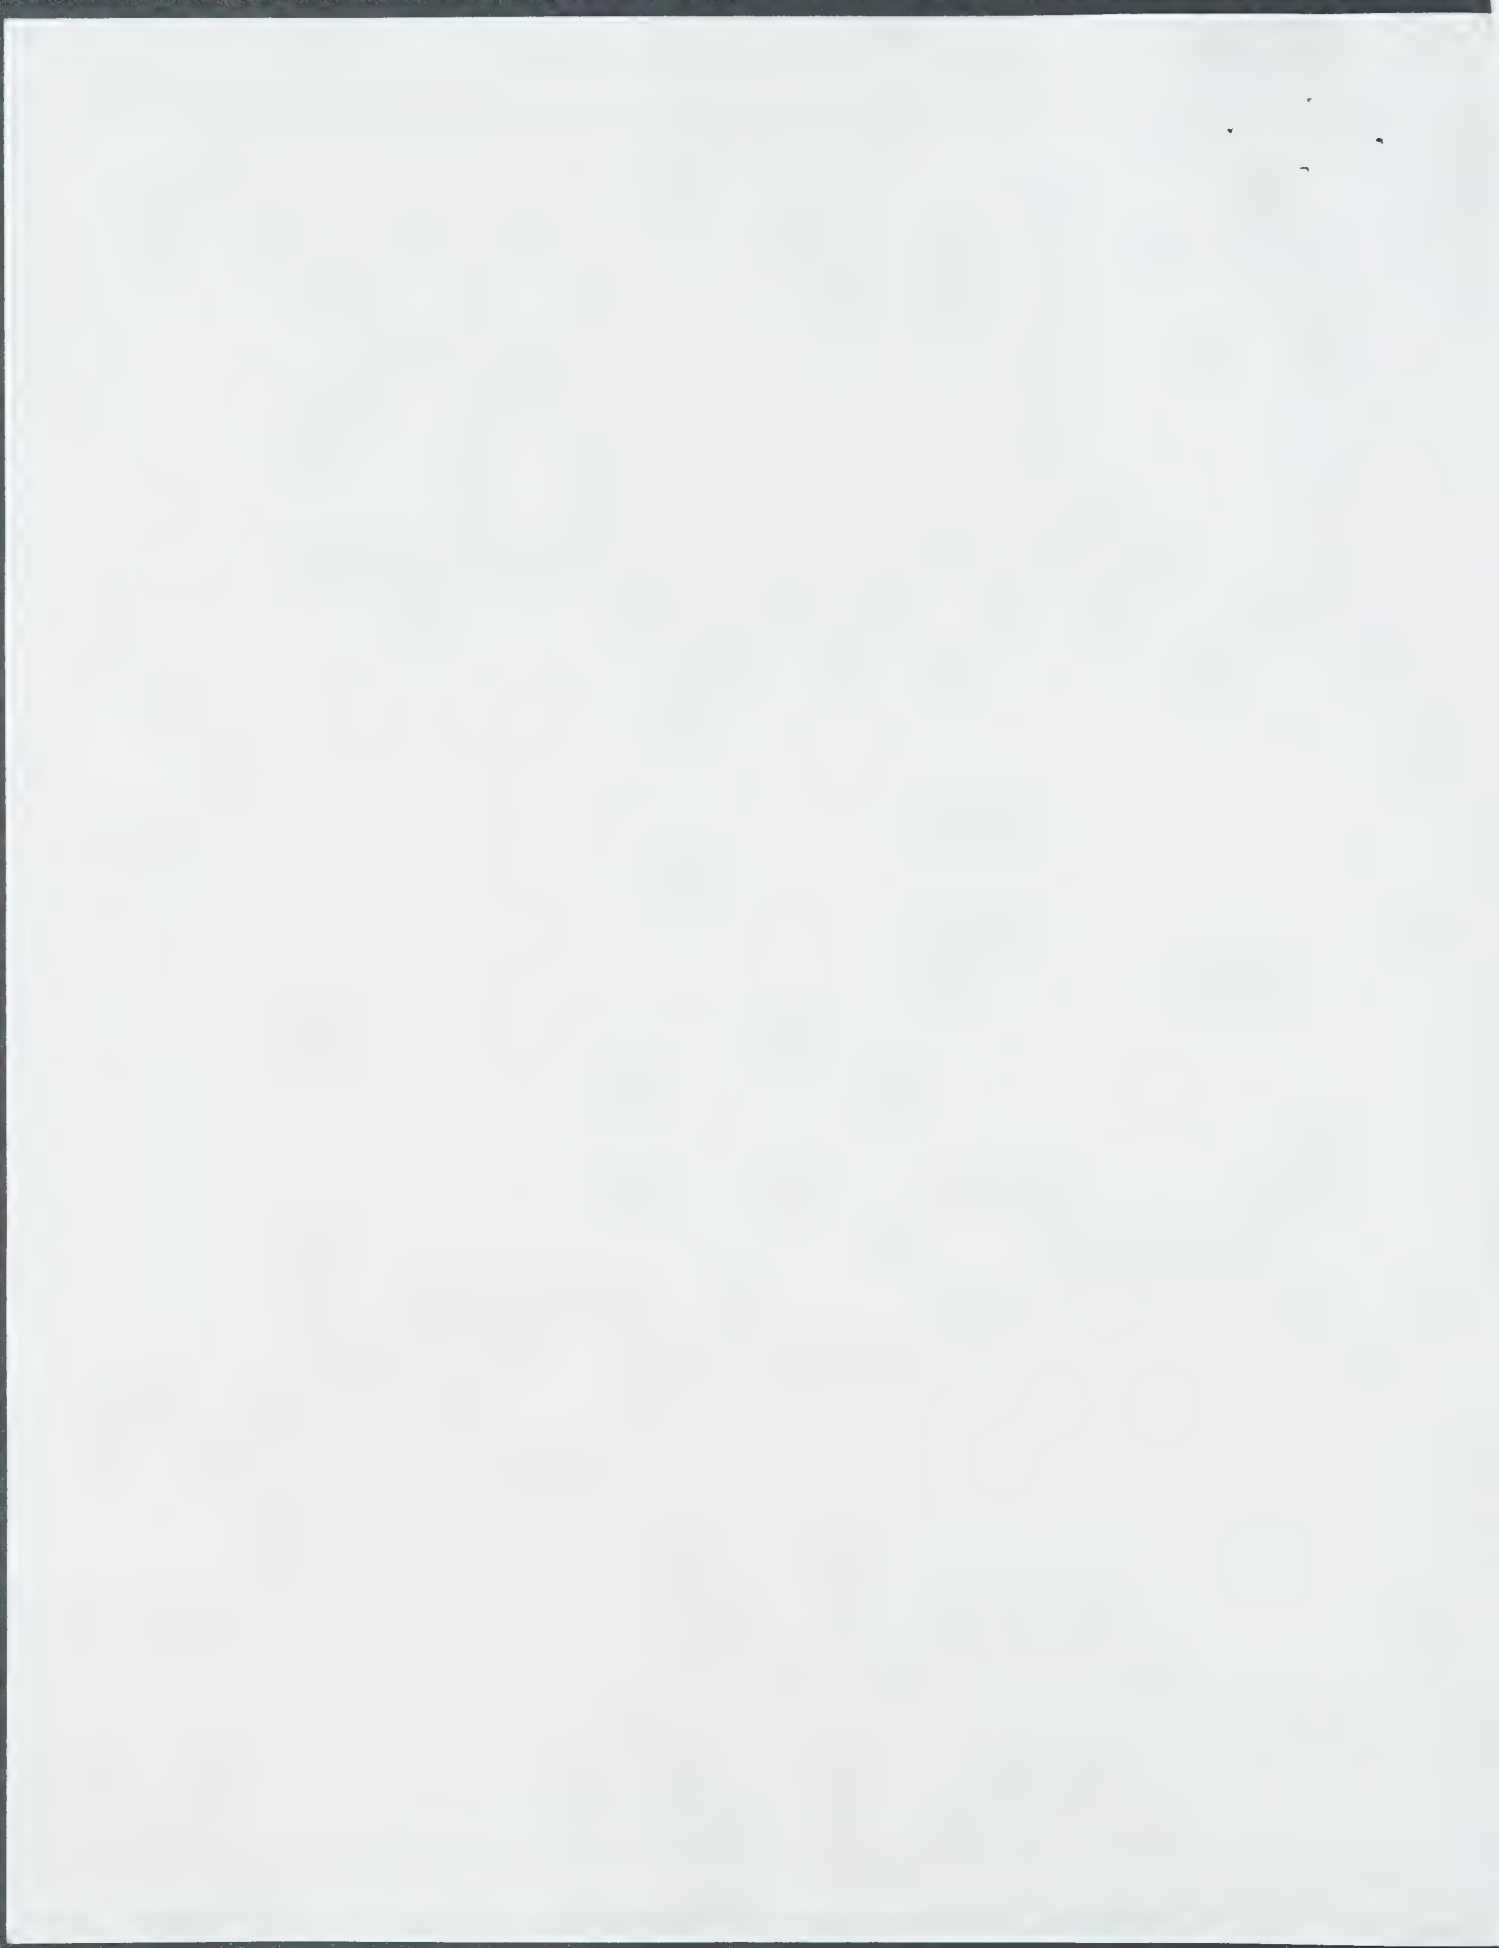

I grossly overstated the value of these six paintings; the value is nowhere near \$100,000, but as shown on the enclosed, \$31,000. I presume that you carry insurance.

You noted on the last two paintings that the prices for the frames are discounted but they may actually be discounted for all six. Thank you for whatever help you can give me on the fourth painting, The Rembrandt student, where you noted a price of \$135.00.

Have a good trip to New York.

Best wishes,

Alfred Bader  
AB/az
