Dear Alfred:

Thank you for your check for the share of the painting; I'm enclosing the bill of sale.

The picture is now at the restorer; it's a good painting and I'm sure that it is by Pietro Testa. Photos will be sent to Sir Denis Mahon for verification.

Of course you are right; I was disappointed the way things worked out - but there will always be other paintings. The *Neptune Receiving the Gifts of the Sea* was magnificent, and after close examination the day before the sale, I now think that it will clean well. Certainly it is Recco's masterpiece, and a painting that we'll hear more about.

I am enclosing a copy of your book which I found in Basle, and which you may not yet have seen.

My best regards to Isabelle.

Sincerely,
