Dear Alfred,

It was good to see your name and familiar stationery after many months. I hope that you and Isabel are well.

Thank you for your April 6th letter, along with a gift you have made to help with the renovation of the Hillel House at Queen's University in Kingston, Ontario, in the amount of \$18,000.

Your donation has been processed and I am enclosing a copy of my letter to Attorney Walter Viner.

This also gives me the opportunity to wish you, Isabel, your children, and your grandchildren a very happy Passover.

Dear Tzivia,

I haven't sent you any checks for a while because most of my gifts have gone through Yechiel Bar-Chaim, who is so wonderfully helpful.

Now I would like to give \$18,000 to help with the renovation of the Hillel House at Queen's University, from which I graduated. The house is owned by the Beth Israel Congregation of Kingston, Ontario as described in detail in Attorney Walter Viner's fax of April 1, copy enclosed.

Yechiel has suggested that I send the \$18,000 to you and that you would forward it to Kingston.

With many thanks for your help and with best regards I remain

Yours sincerely,

Alfred Bader

Dear Dr. Bader:

I acknowledge your letter of March 30, 2005 and thank you for your generous gift which should be forwarded to Beth Israel Congregation of Kingston, 116 Centre Street, Kingston, ON K7L 4E6 ATTN Richard Kizell, Treasurer.

Forgive me if I offended you in any way by suggesting the naming of rooms. It was not my intention in any way to diminish the act of freely making a gift.

In our last telephone conversation I did mention that I was unable to speak with the Treasurer as to some questions that you raised and I would for the record, just provide the following background.

1. The Barrie Street Hillel was sold in March of 1975 and the proceeds left for the benefit of Jewish students at Queen's was \$68,800.00 and is invested in GICs. Income generated has been used to pay an annual rent of \$8,000.00, insurance on contents, subsidies to students for out-of-town events, part-time co-ordinators and short falls from time to time in annual student activities. Notwithstanding these payments, this trust fund has been able to grow to some \$140,000.00. As you are aware, interest earned the last 5-6 years has been rather meager and growth has been stagnant.
2. When Beth Israel entered into the agreement in the early 1990's with the Province for Otterburn House (Hillel House), the work required to meet necessary improvements and the Province's criteria amounted to \$450,000.00. A Provincial Grant was obtained in the sum of \$120,000.00 and the balance of some \$330,000.00 was left to be raised by the members of the Congregation.
3. In early 2000, there was extensive renovation to the Beth Israel social hall and other main floor offices and amenities totalling some \$375,000.00.

The members have been most generous and from these two campaigns there remains some \$75,000.00 only in outstanding pledges.

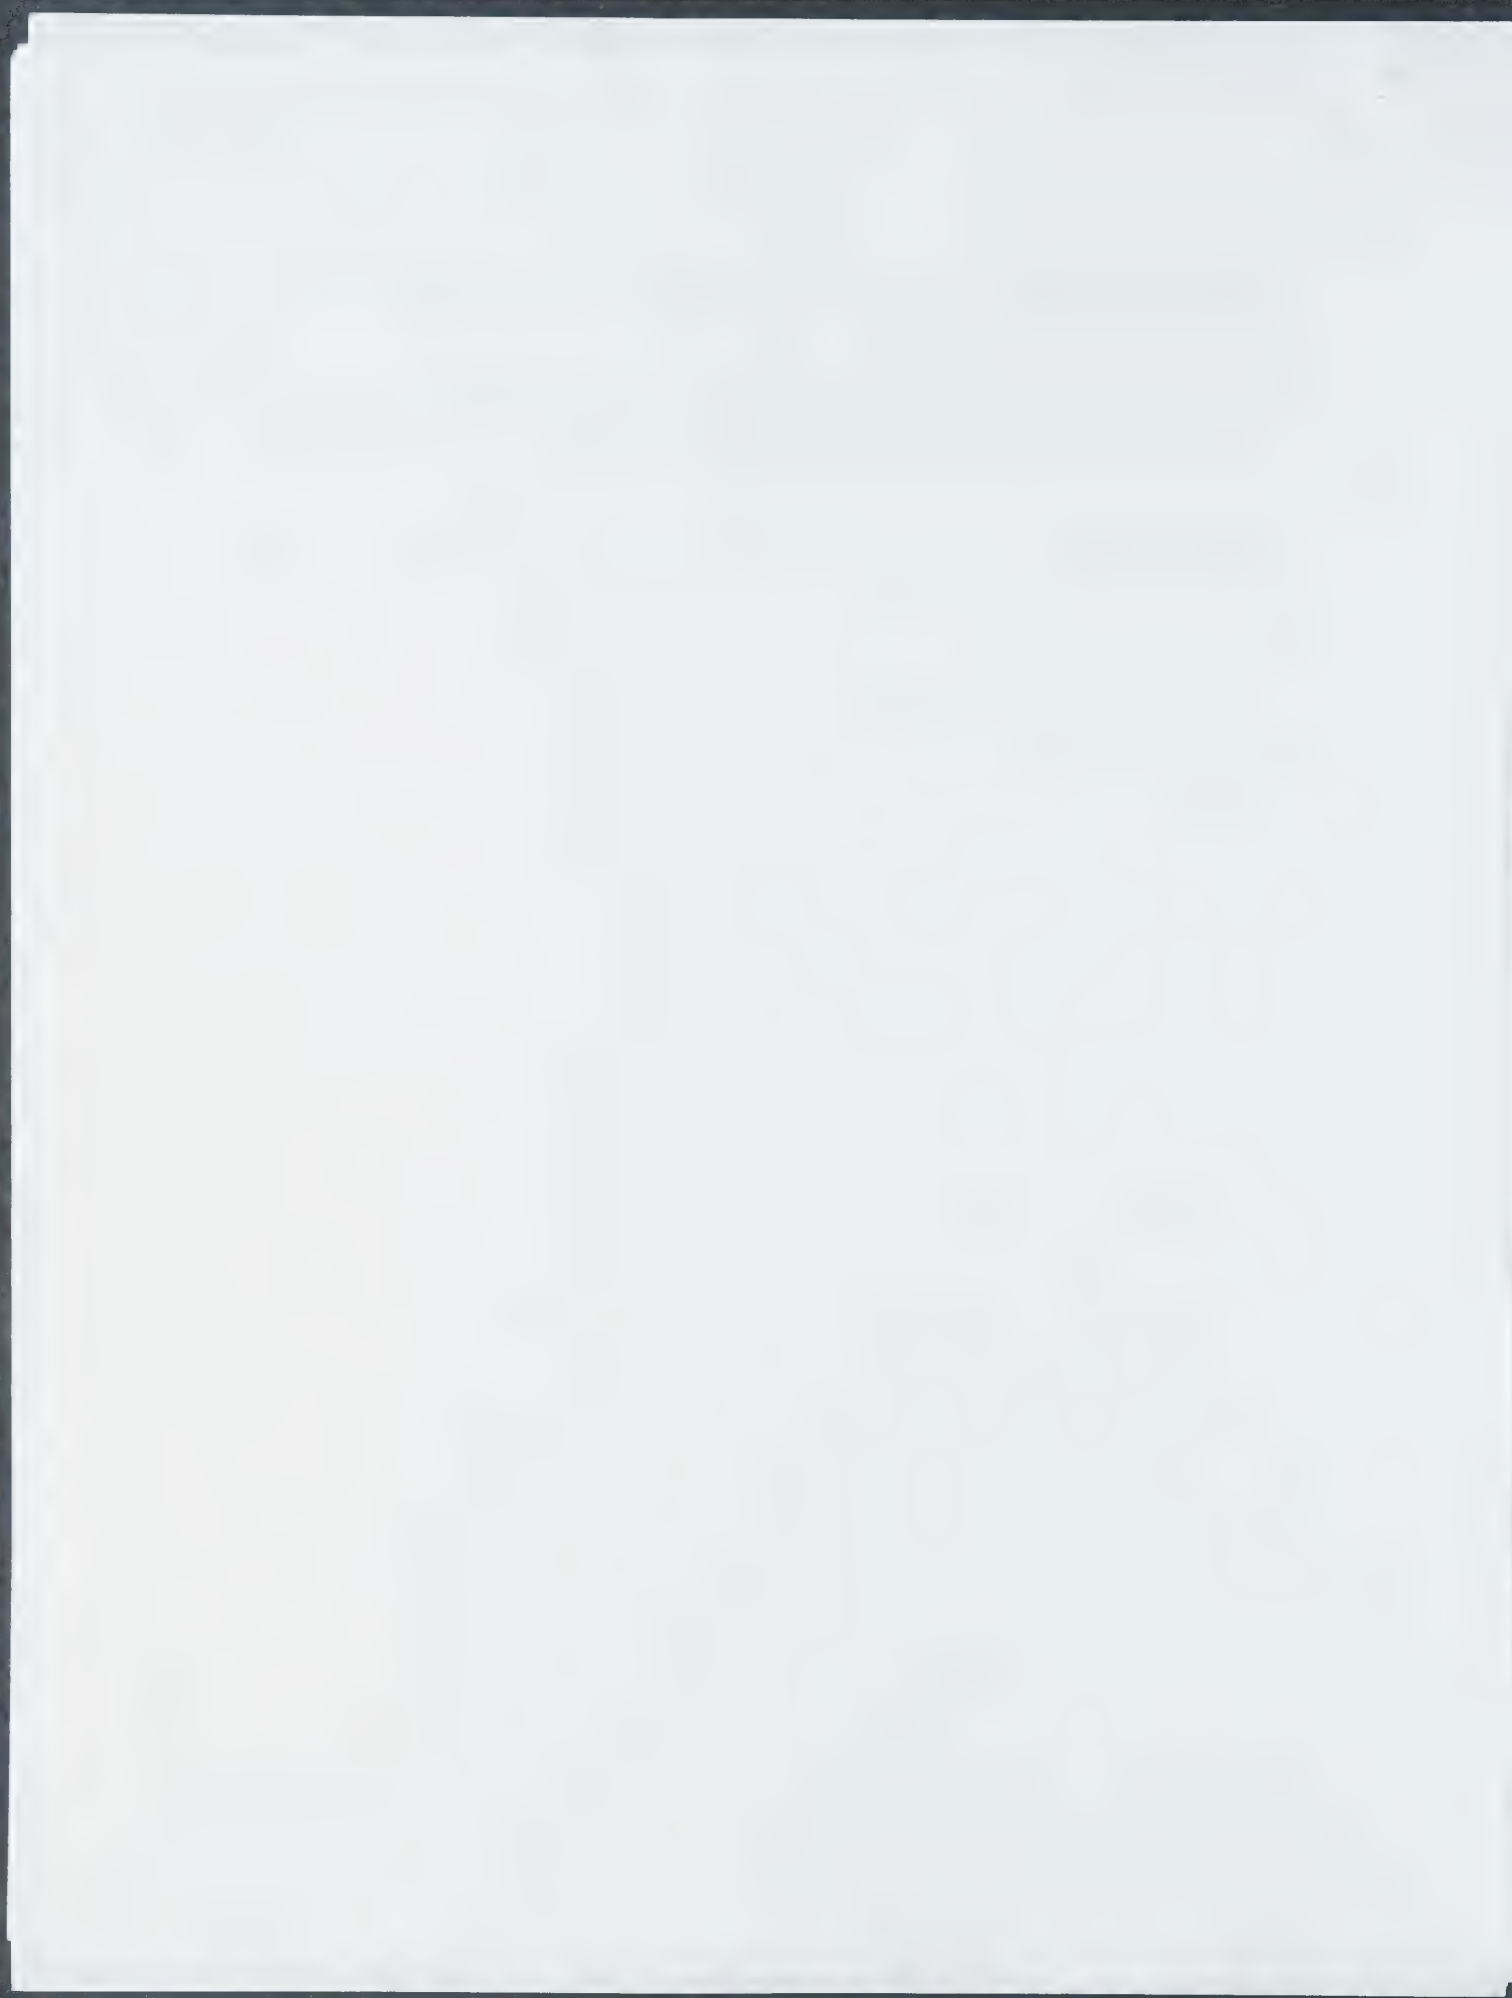

While I do concur that there are some wealthy Jews in Kingston, they have, as evidenced from the above examples, given to our causes as well as to the much wider community's needs. Unlike hospitals and educational institutions, we at Beth Israel do not have vast members of alumni upon which to seek support.

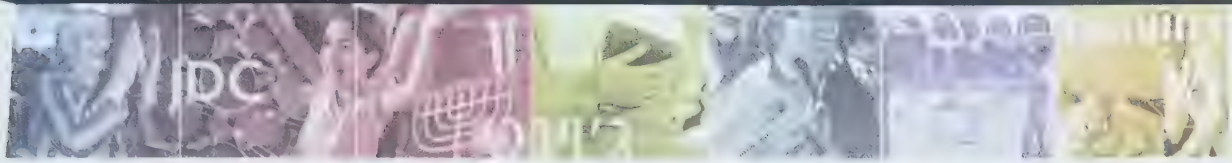

Once again I thank you both for your gift and the courtesy and promptness in which you addressed my request.

Yours sincerely

Walter W. Viner, Q.C.

Dear Ms. Snowden,

In response to your e-mail of August 5th, Isabel and I were not offended by your reminder but we were really surprised that when we sent you £10,000 last year you did not acknowledge that gift. We had to triple check to make certain that you had really received it.

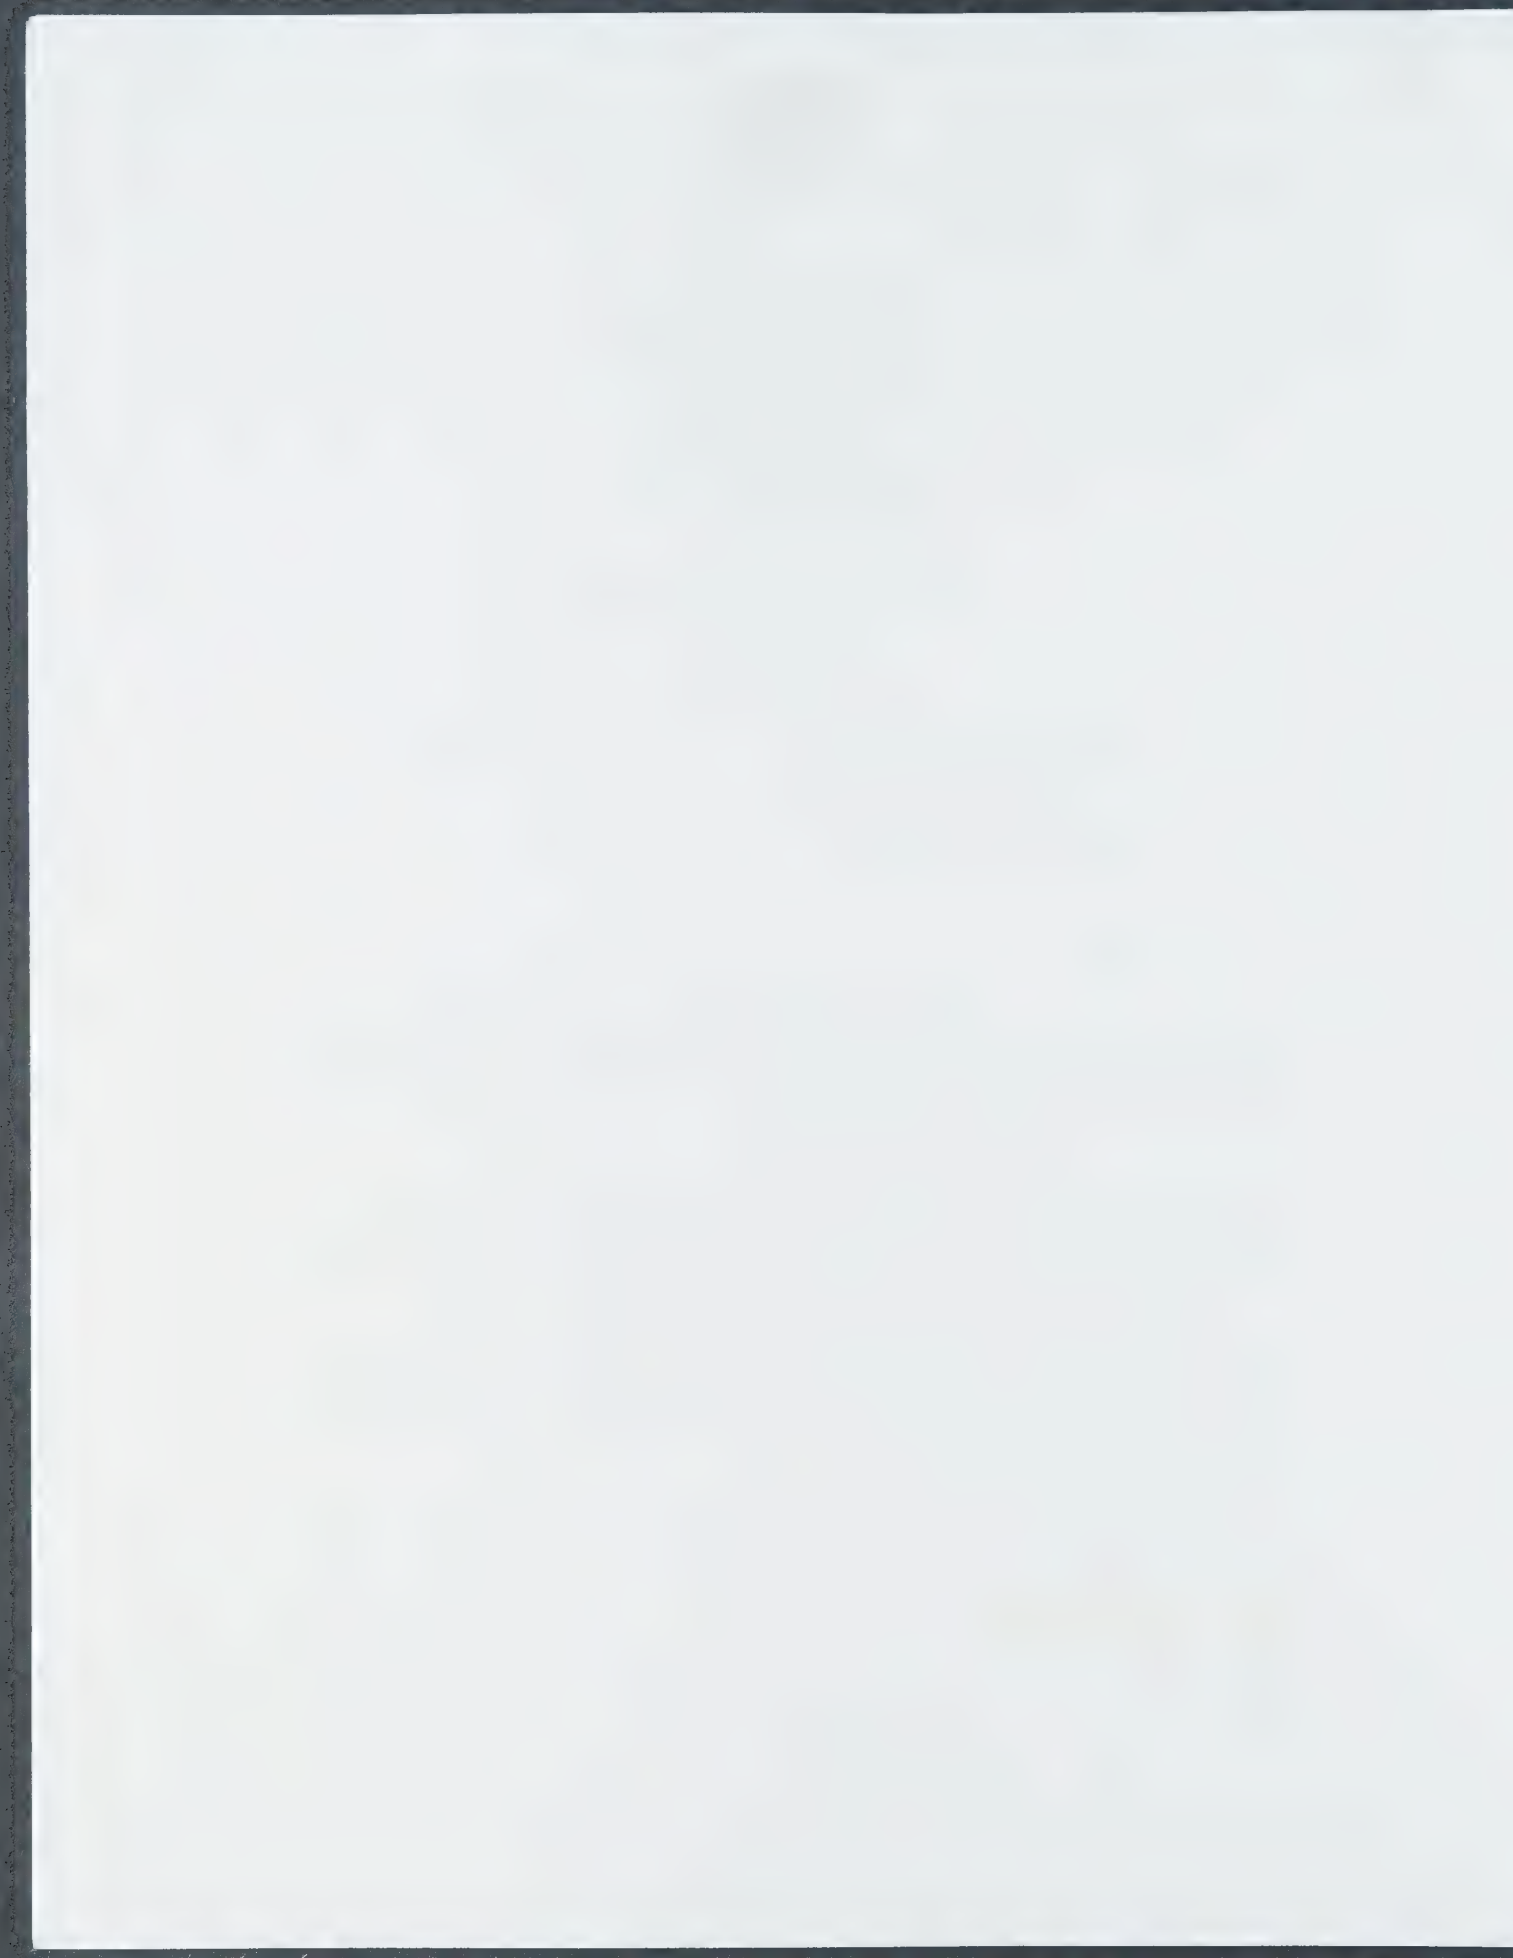

I am now arranging to send you £10,000 as before through the Joint. I would suggest that this be our last gift because, after all, you have been raising hundreds of thousands of pounds for your very good work. It seems clear that you no longer need this gift as you did at the very beginning.

Isabel and I will be back in Bexhill in November and December and again next June and July and would be happy to discuss this with Steven Pizzey.

With best regards I remain

Yours sincerely,

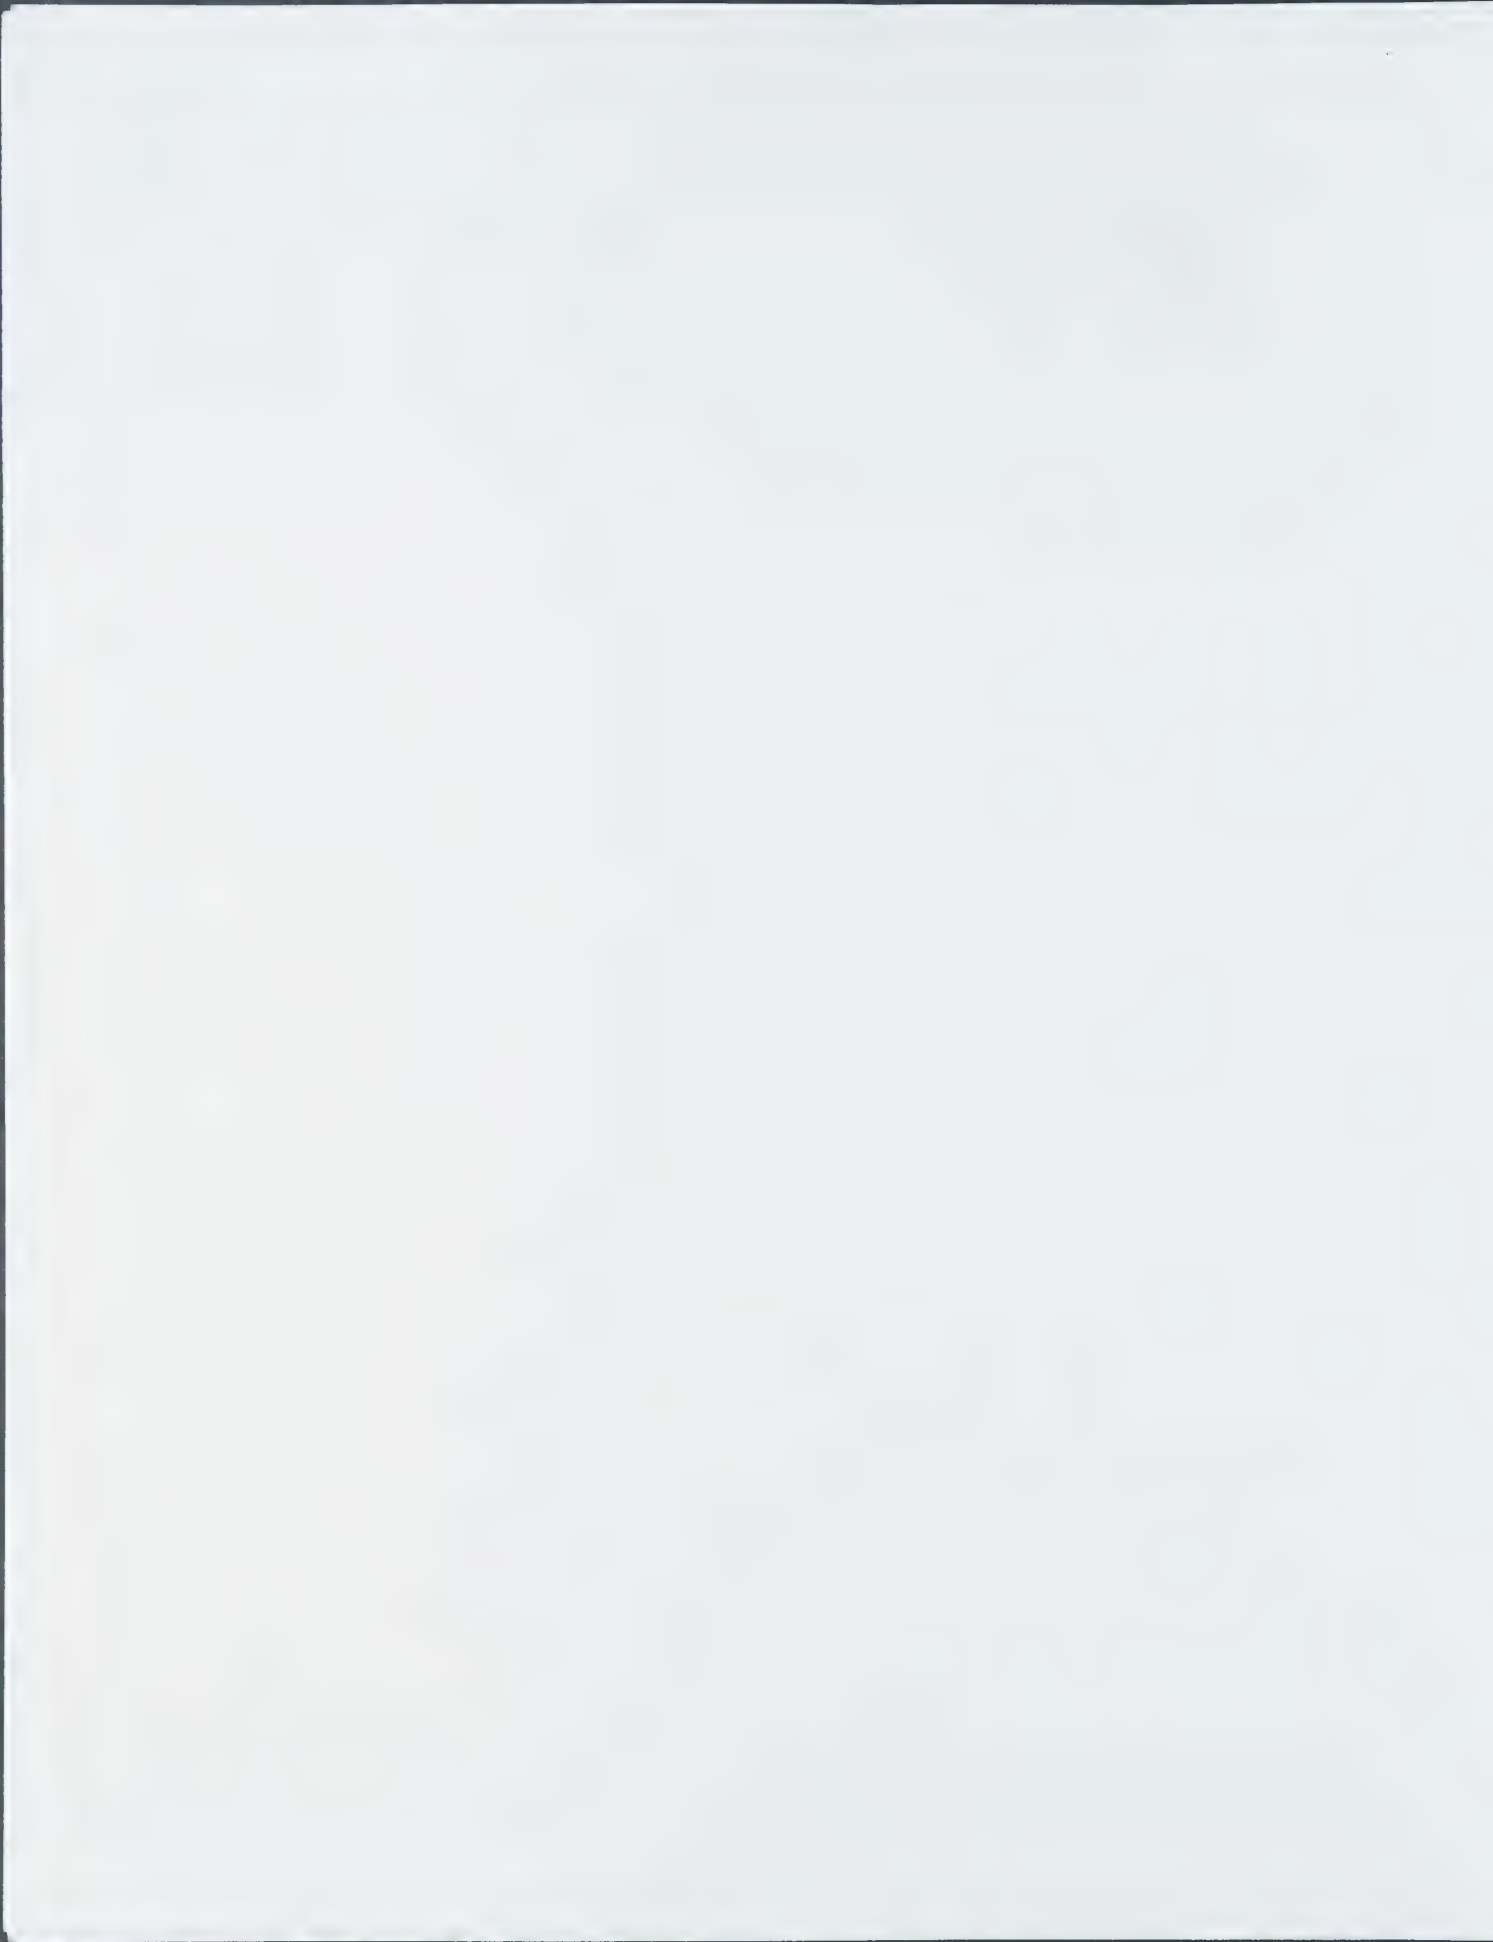

Alfred Bader

Dear Yechiel,

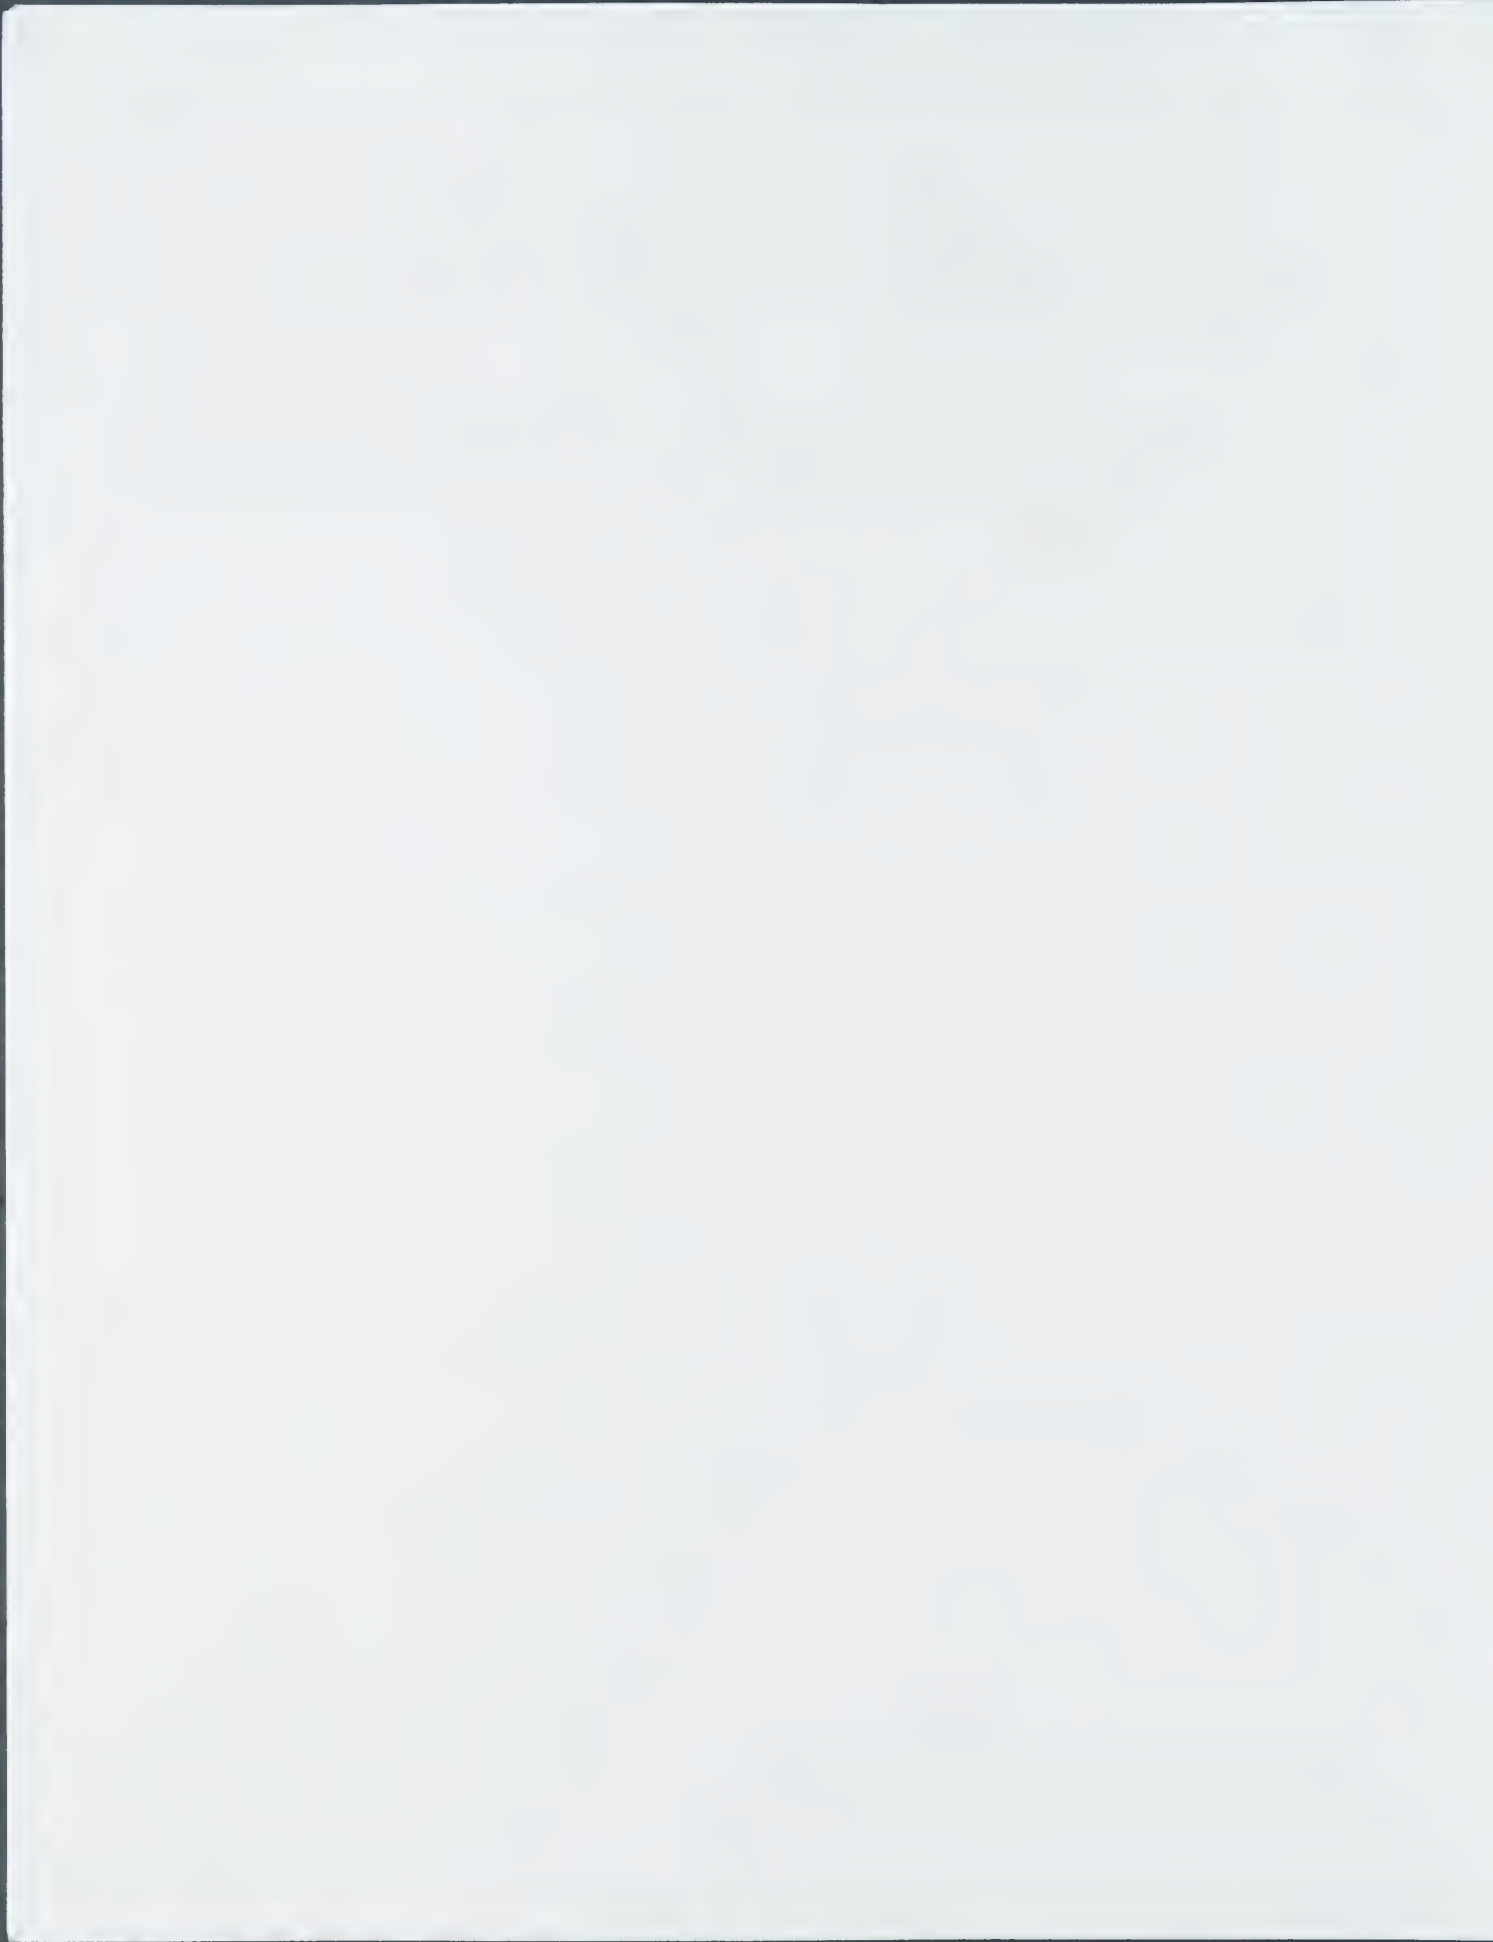

I am happy to know that the money has gone out the Quakers and to Rabbi Fima.

I do not know why Paul Polansky should be faulted for his attacks on the Dane. You shall not stand idly by the blood of your neighbor is a vital commandment in Leviticus 19 and everybody at the Joint should know this.

As you know, for some years now we have been sending £10,000 through the Joint to the Science Centre at Herstmonceux Castle and I would like to ask you to send the equivalent, say \$18,500, to them again. (See separate forwarded e-mail please.) Should I send you a separate check for this or should I forward this ~~into~~ ^{with} my next gifts to the Joint?

With best regards I remain

Yours sincerely,
Alfred Bader

Dear Dr Bader

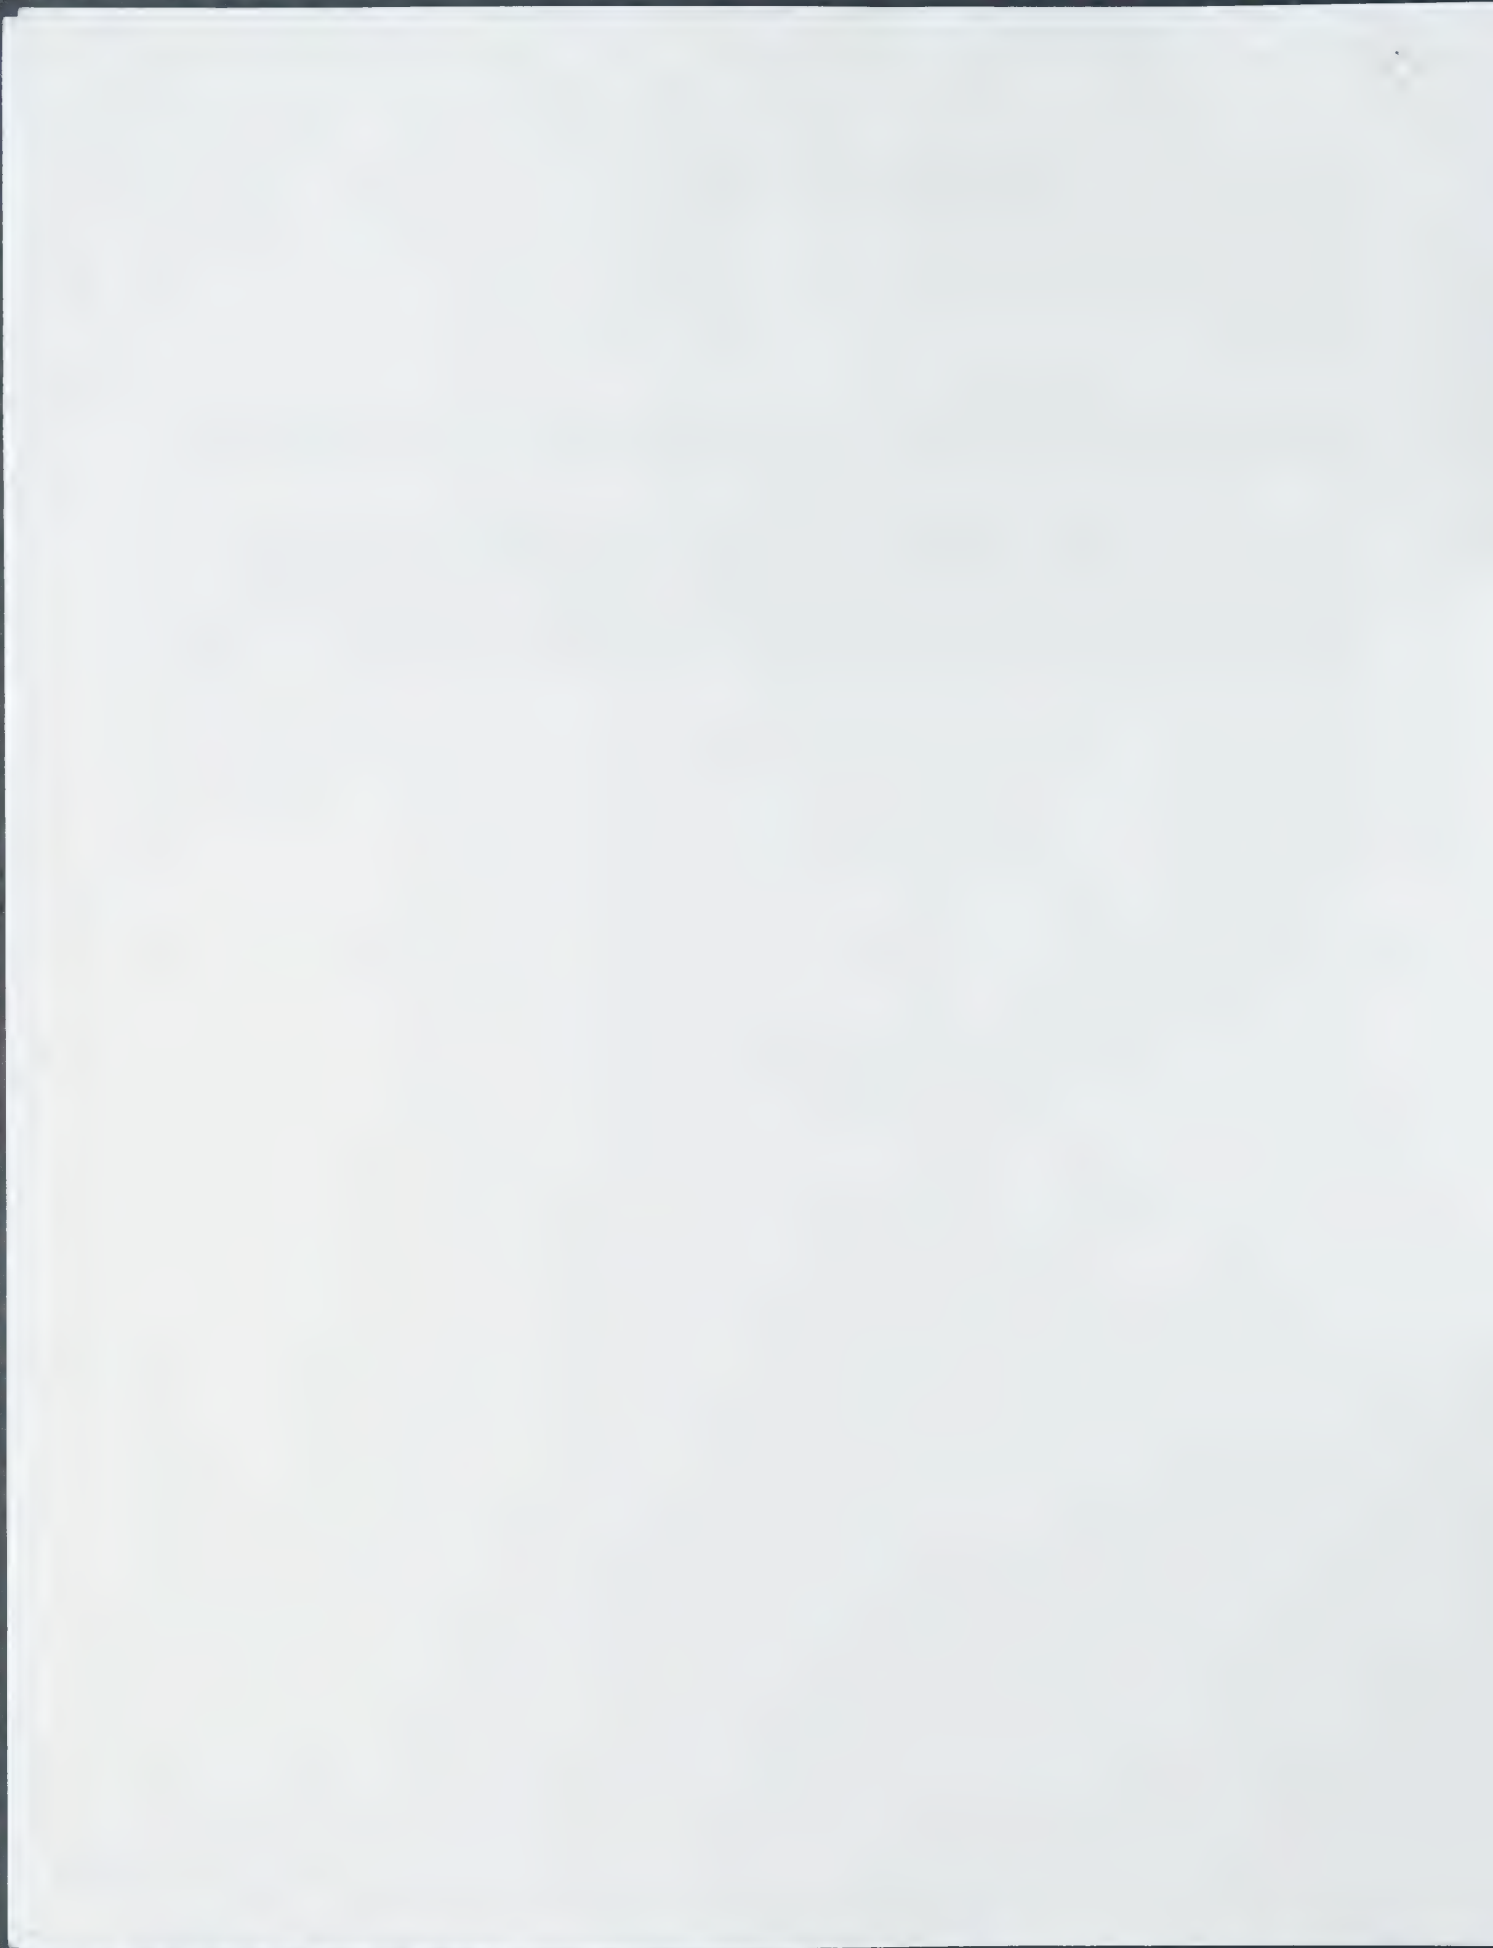

I hope you and Mrs Bader are well.
I hope you won't be offended by a gentle reminder that you usually send us a grant of £10,000 to cover our rent which we pay to the International Study Centre each year.

We have now completed the renovation work on the buildings and telescopes and have recently received another grant from the Millennium Lottery Commission to renew some of the exhibits. This work will take place this autumn and will provide us with new exhibits for the Forces display and new water exhibits for the outdoor areas. We have also begun an outreach programme to take shows and exhibitions into schools. This has proved successful at our other science centre in Norwich so we hope it will do well in Sussex too.

With best wishes

Dear Dr. Bader:

We received your gift of \$1000.00 and it is my pleasure to extend our heartfelt thanks for your generosity. Along with donations of food from grocers, growers and food wholesalers, we can multiply the impact of your donation to provide more meals.

Your donation is doing more than feeding hungry people; it's empowering them too. It's hard to plan for the future when an empty stomach is rumbling. Second Harvest provides a dependable, consistent supply of food that enables people to focus on job skills, school work and taking care of their families.

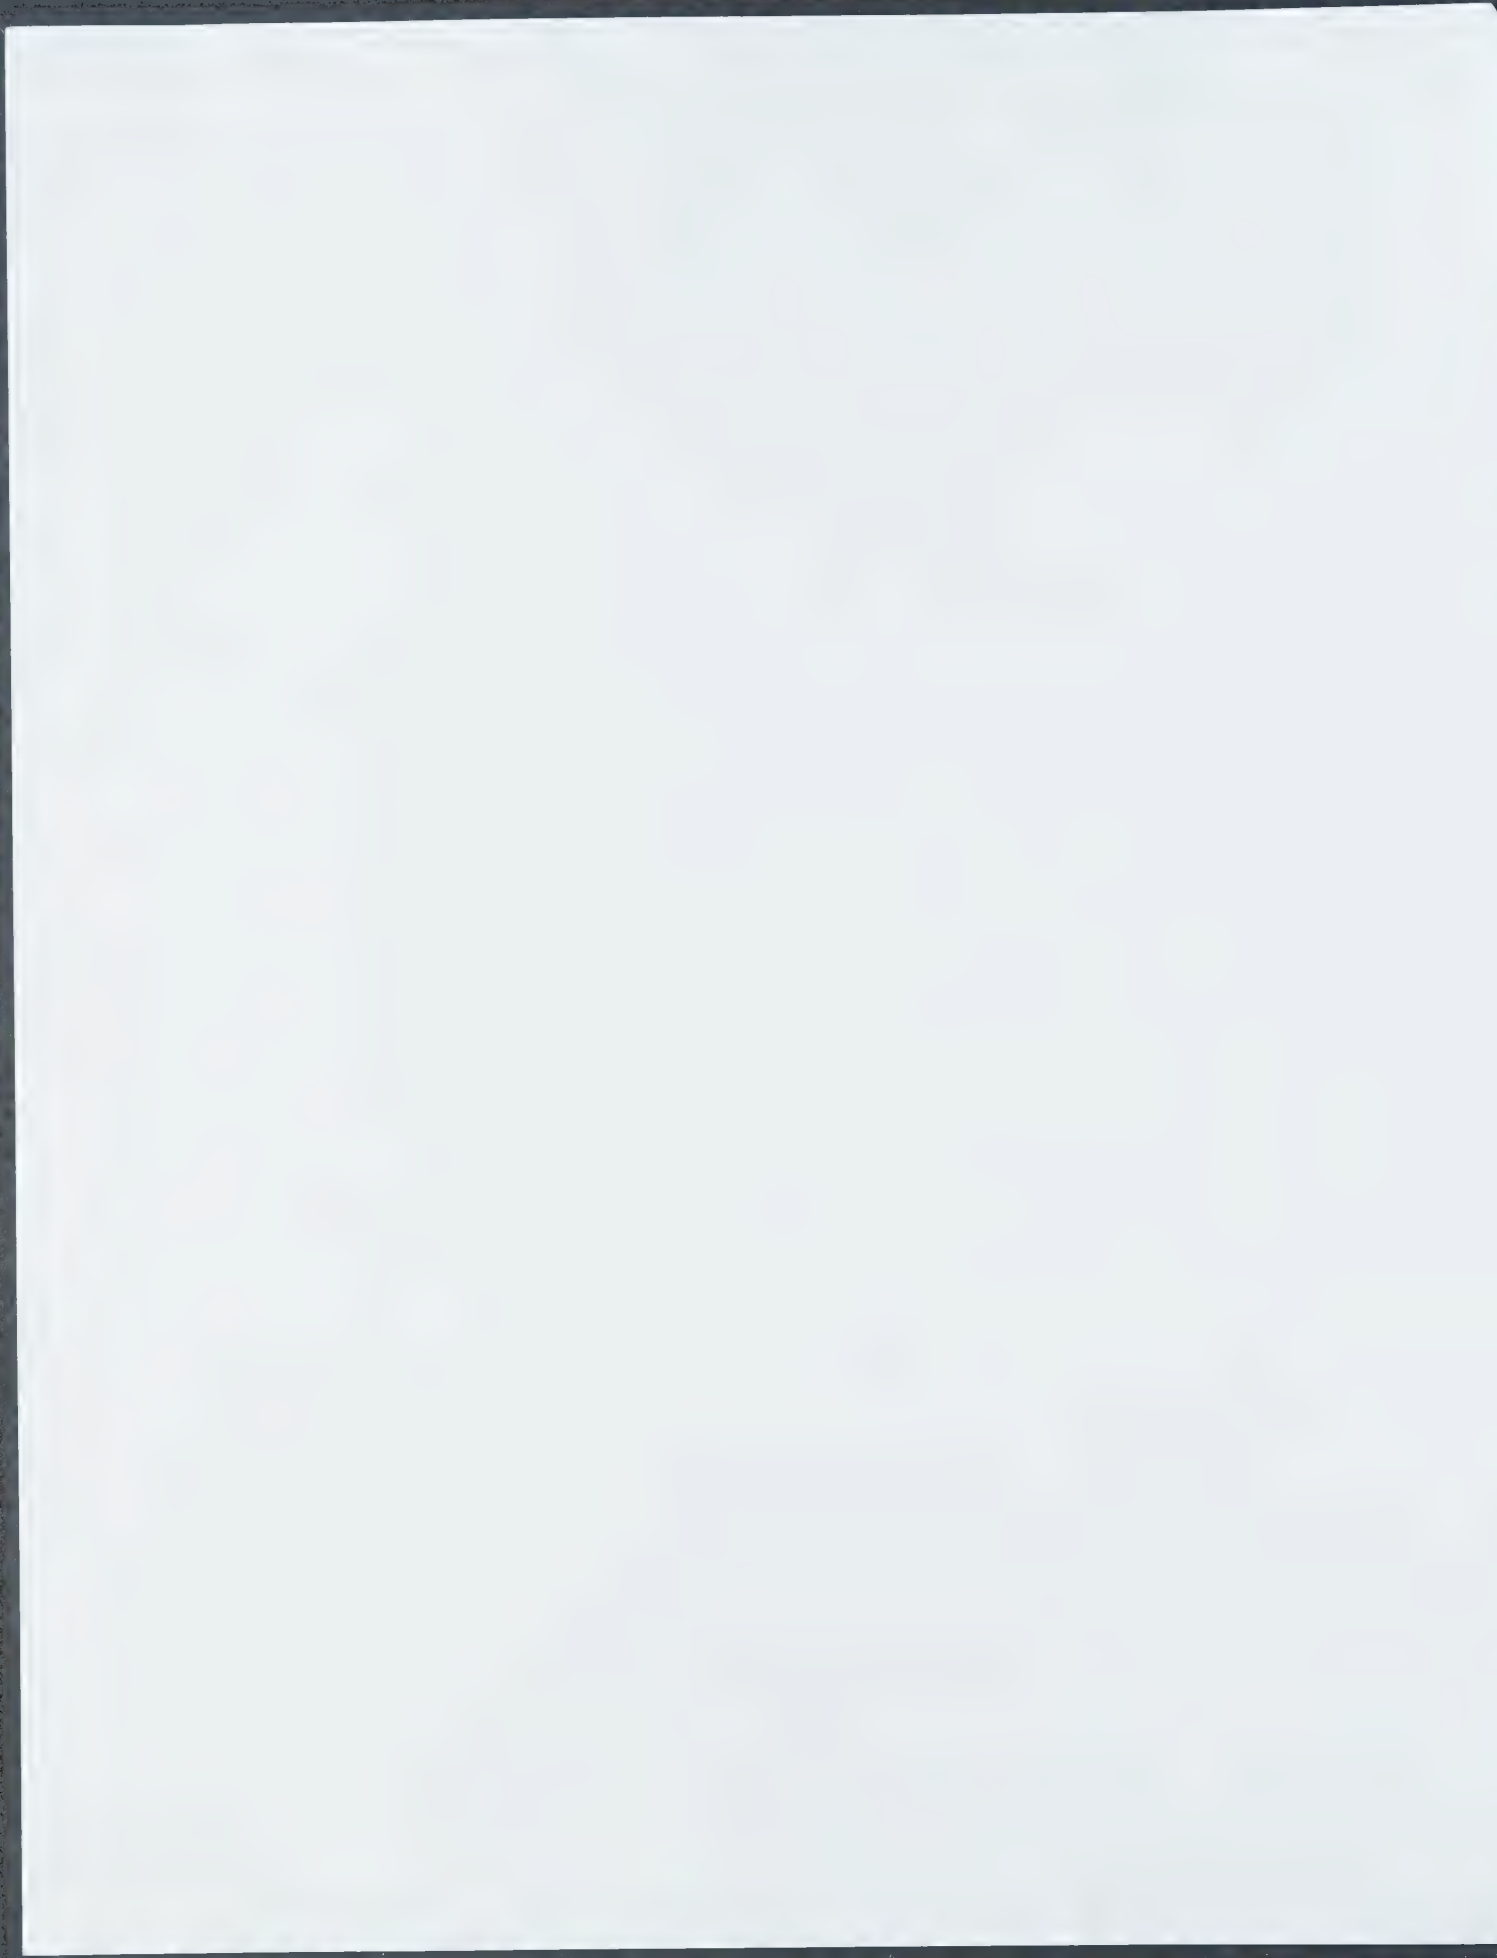

Thank you again for taking time to respond to people around you who need a hand. No one should go hungry. We are proud to be part of a community where thoughtful donors like you respond so generously to people in need.

Dear Alfred,

I am writing to thank you for your generous support of St Ben's Community Meal. Your contribution, coupled with those of many other good people, are pivotal in helping us to meet the many and varied needs that arise each month.

Since I began ministering here last summer, I have been amazed at the number and quality of the volunteers that serve St Ben's, and I have been even more amazed at the generosity of people like yourself, who consistently invest in the ministry here. We could not do this without you!

Your donation allows us to serve almost four hundred people each night of the week, except Saturday. In addition, we meet a variety of other needs from hygiene products, to bus tickets, to blankets.

May God bless you for your generosity and thoughtfulness in assisting us with this mission.

Peace,

Dear Alfred and Isabel,

Thank you for once again contributing \$15,000.00 to Lake Park Synagogue for your 5765 dues. As you know, we are a small congregation, but still have basic expenses that need to be met. Your special contribution helps us to maintain a full time Rabbi and provide most of the services that many larger congregations provide.

Although I can not keep track of your various excursions, I am happy that you will be with us this Shabbat. I am looking forward to your lecture on "Haftorahs as Seen Through the Eyes of 17th Century Dutch Artists" that you will be giving on April 10th, 2005. George Weinstein z'l would be honored to know that you were doing this in his memory.

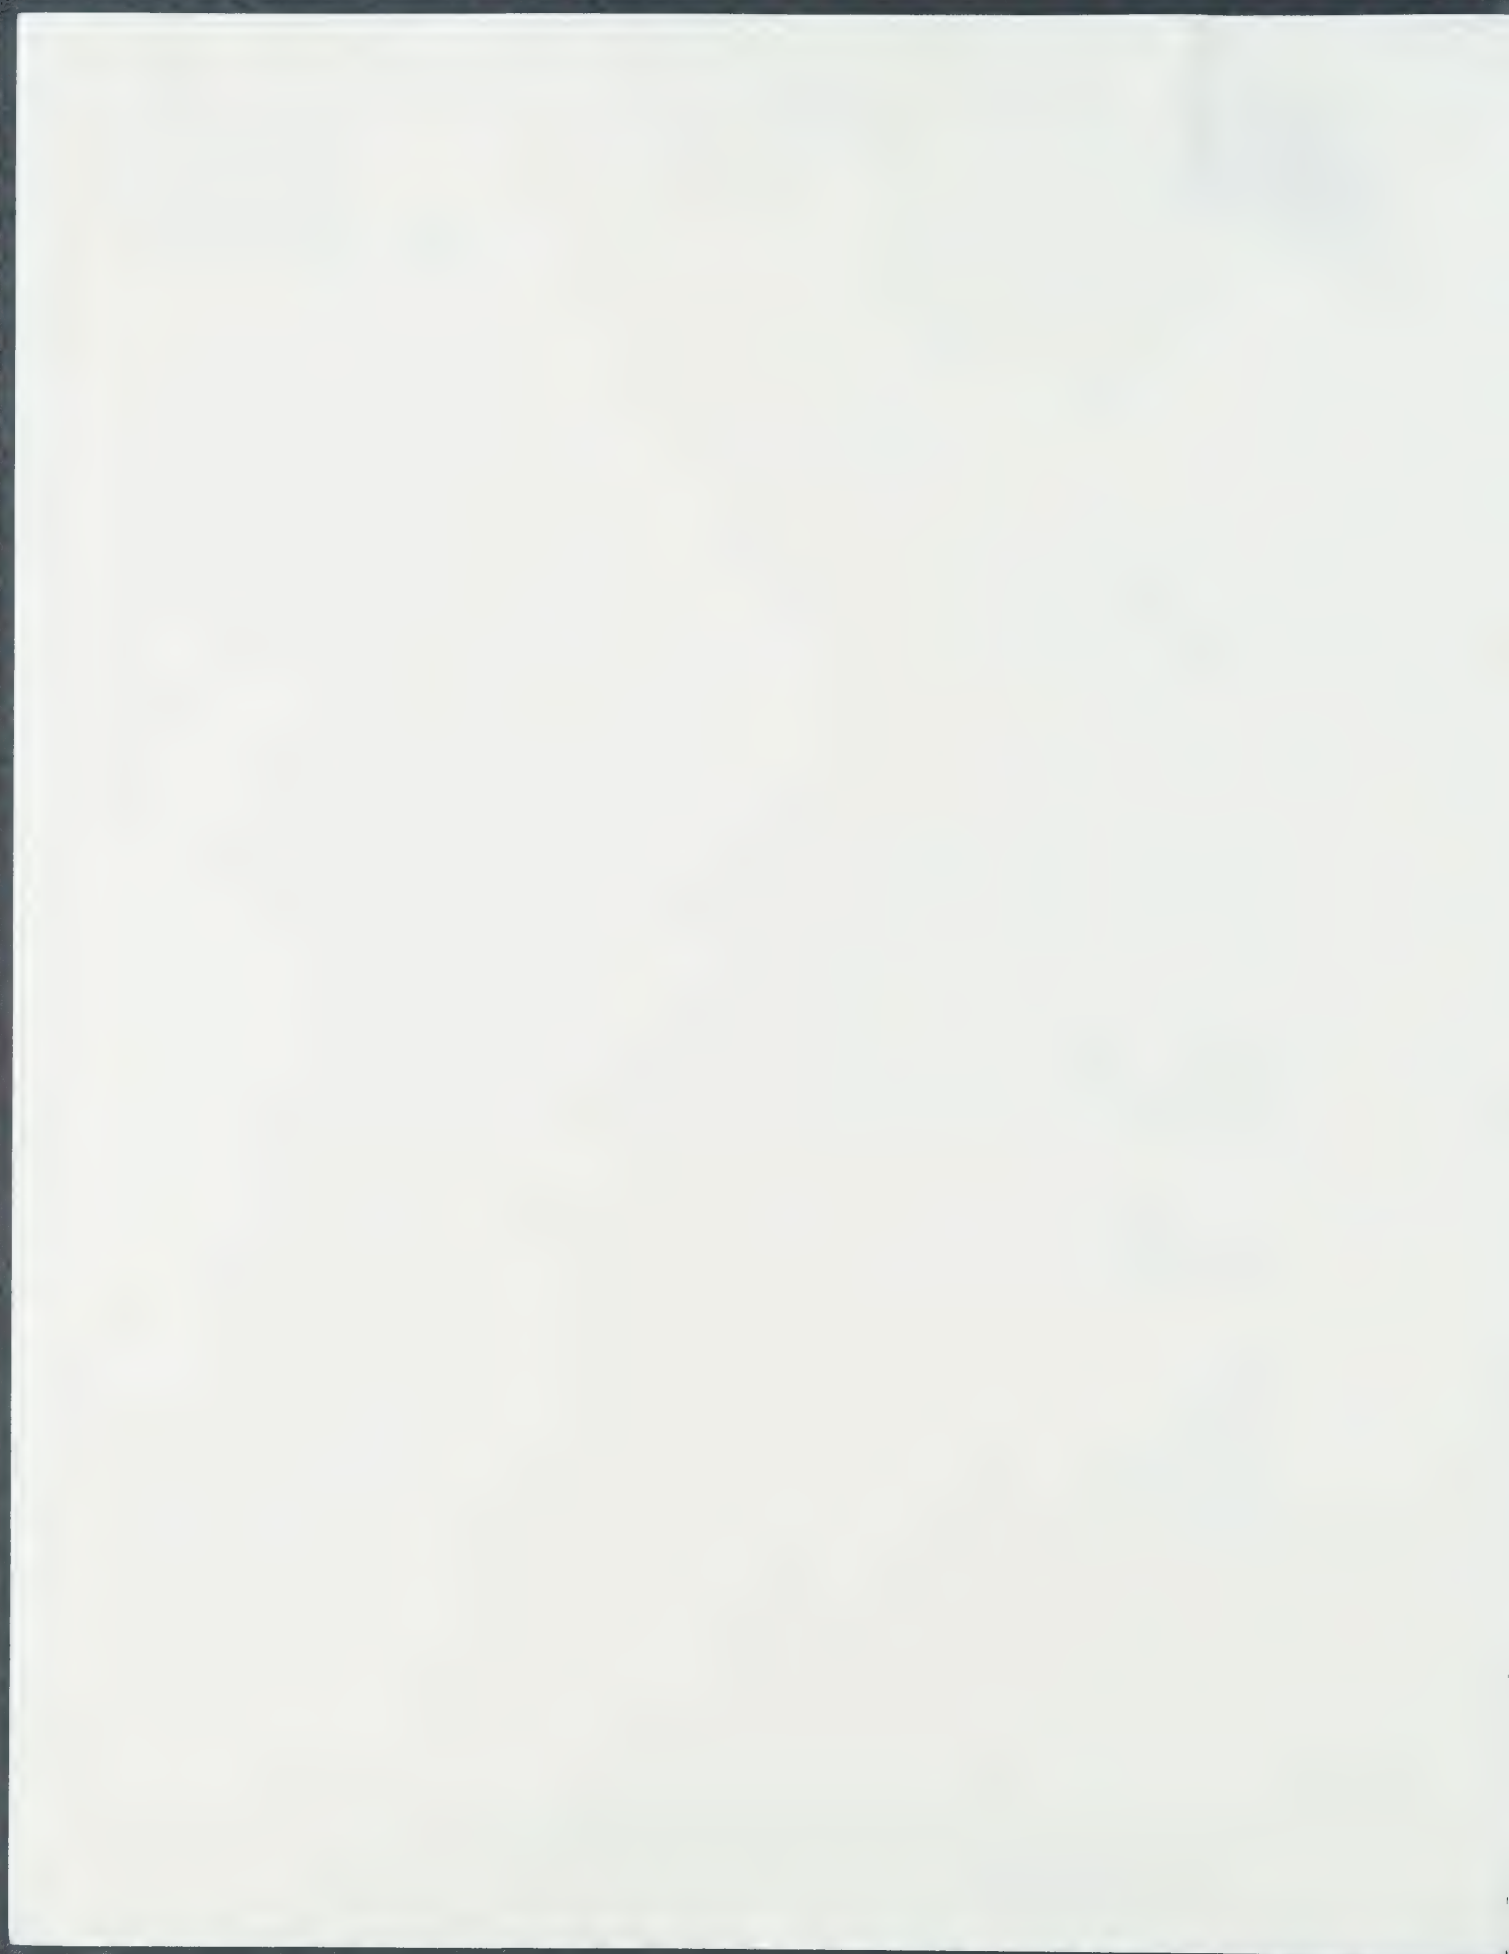

Thank you again for your continued generous support. Lake Park Synagogue is truly fortunate to have members like you.

Dear Isabel and Alfred,

Thank you so much for that outstanding lecture and slide presentation on "Haftorahs As Seen Through The Eyes of 17th Century Dutch Artists" that you presented at Lake Park Synagogue last Sunday, April 10, 2005. Many people came to us afterwards to say how much they appreciated the opportunity to hear from someone as distinguished as you. It was most fitting that this lecture should have been in memory of George Weinstein z'l in that he certainly appreciated fine art and religious artifacts. We are truly blessed to have you both as part of the Lake Park Synagogue Community.

Also, thank you for dropping off the ad copy and checks for this year's Annual Dinner. We thank you for placing a personal ad for \$800.00 in honor of the "Women of LPS" and also for the \$250.00 "local merchants" ad for Bader fine Arts.

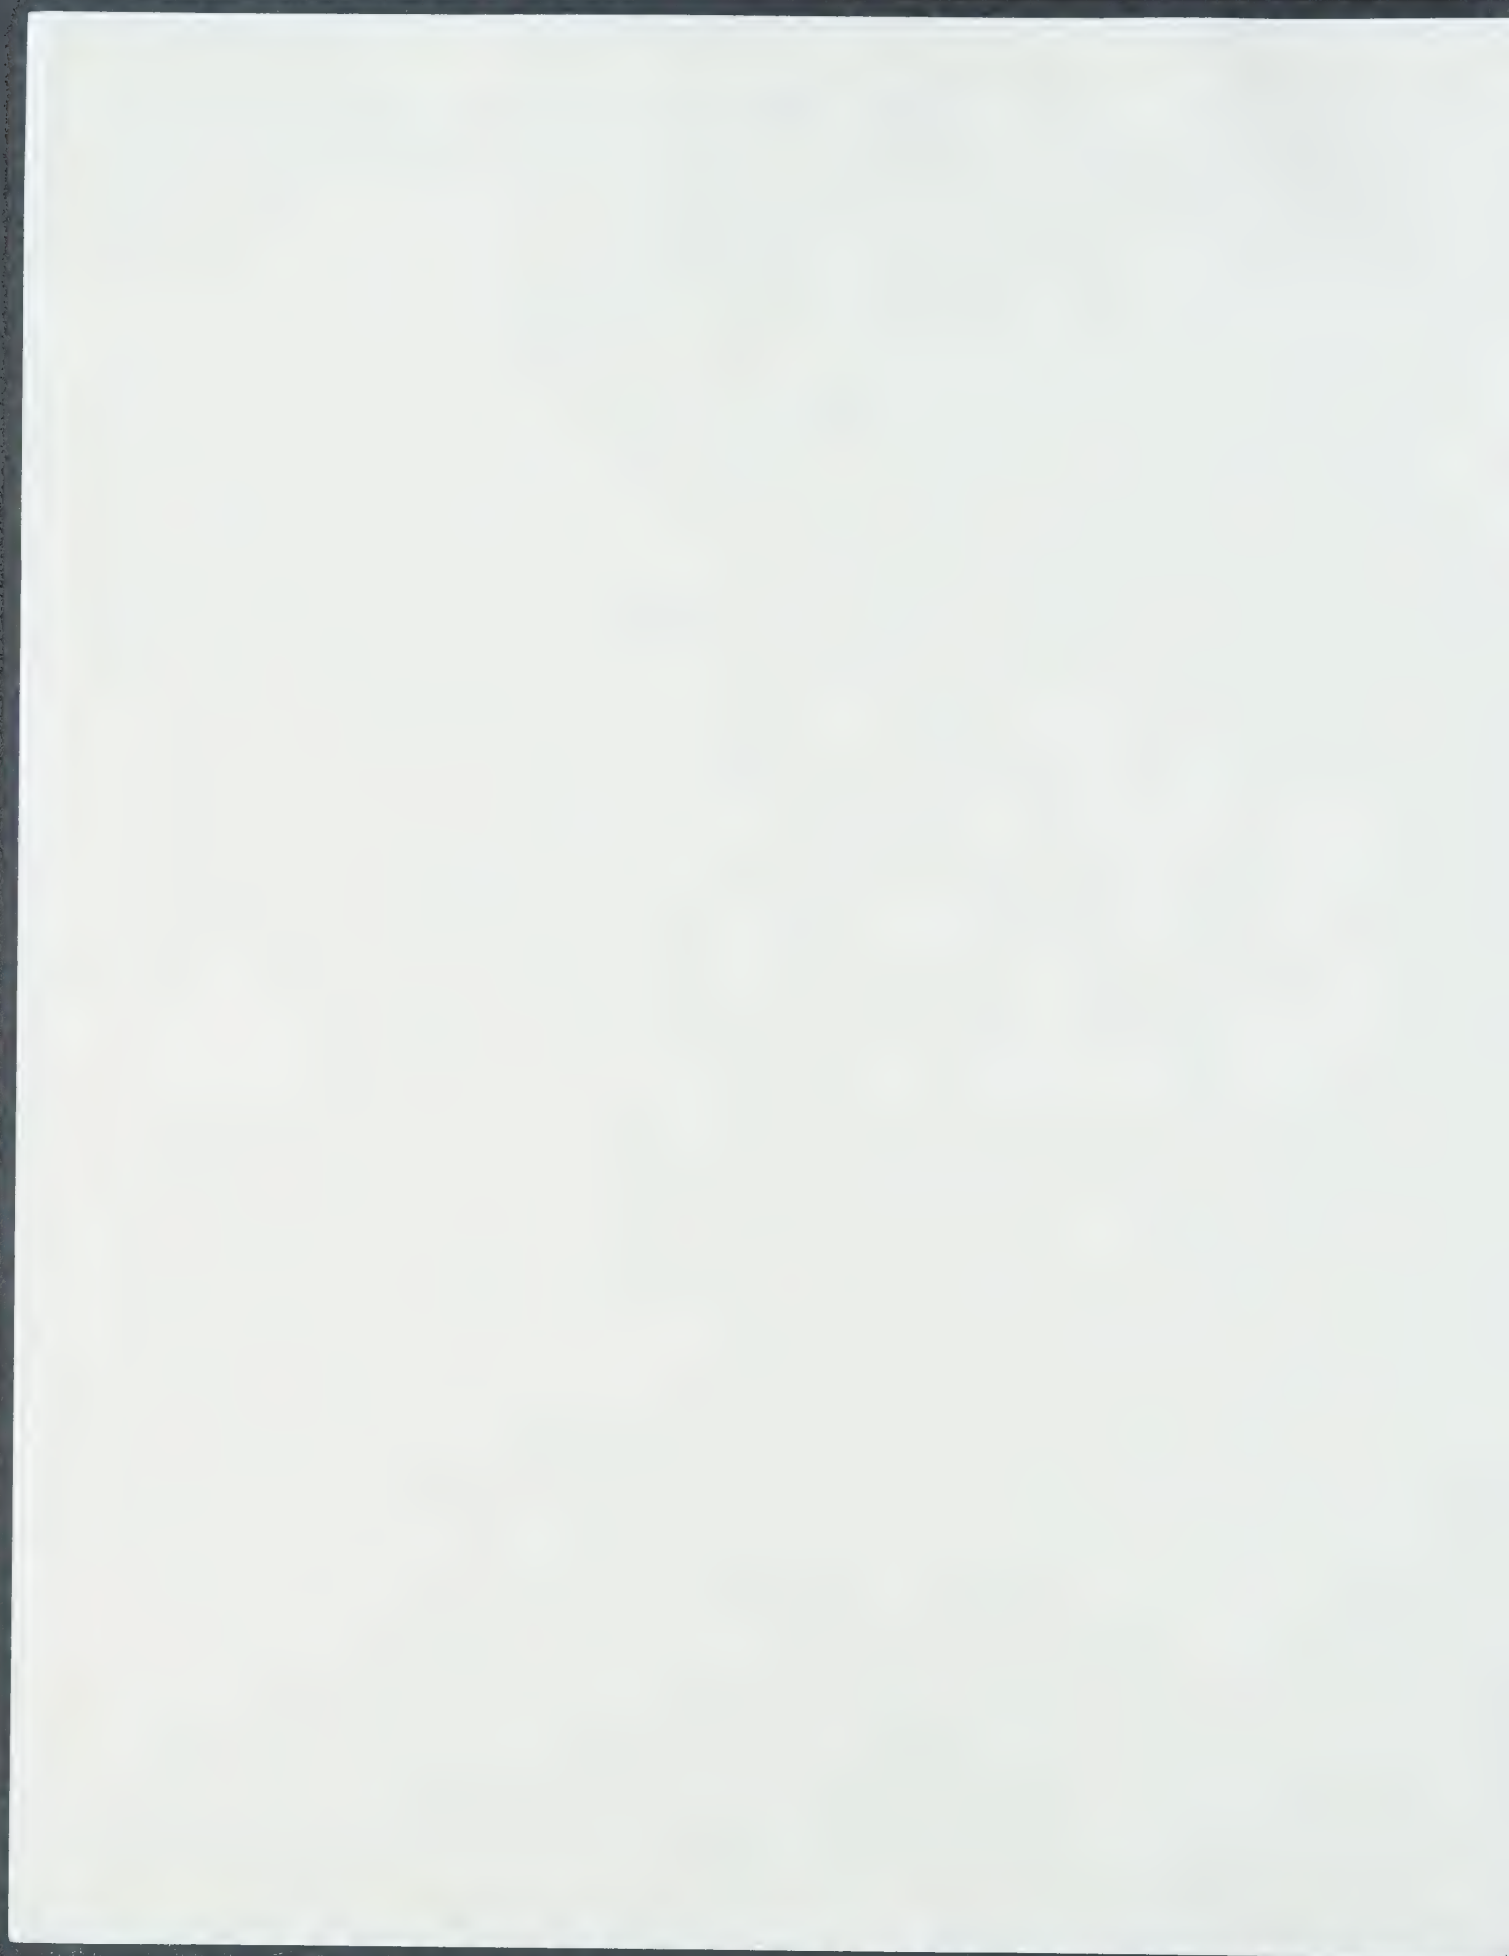

Thank you for your continued and generous support of Lake Park Synagogue. We certainly appreciate it.

Dear Alfred:

I am delighted to thank you for your renewed – and increased – contribution in the amount of \$500, which will be credited toward IFAR's 2005 Annual Fund. It means a lot to me personally, to our Board of Directors, and to all of us at IFAR. Thank you for your support and continued vote of confidence.

As a supporter you will continue to receive the *IFAR Journal*, which goes to subscribers in 19 countries and has won awards for the last two years in the American Association of Museums Publications Contest. You will also be able to attend *IFAR Evenings* gratis and our conferences and symposia at a reduced rate. Our most recent *Evening*, a talk by Lynn H. Nicholas, was an enormous success.

Most importantly, though, as a supporter you can continue to feel the satisfaction of helping an organization that plays a unique and important role in the art world. We will be pleased to acknowledge you, once again, in our annual donor salute in the *Journal*.

I look forward to meeting with you and Isabel in January when you come to New York. In the meantime, we'll forward your missing watercolor to the ALR to register it and will be happy to publish it in the next issue of *IFAR Journal*. The ALR may contact you for additional information about it.

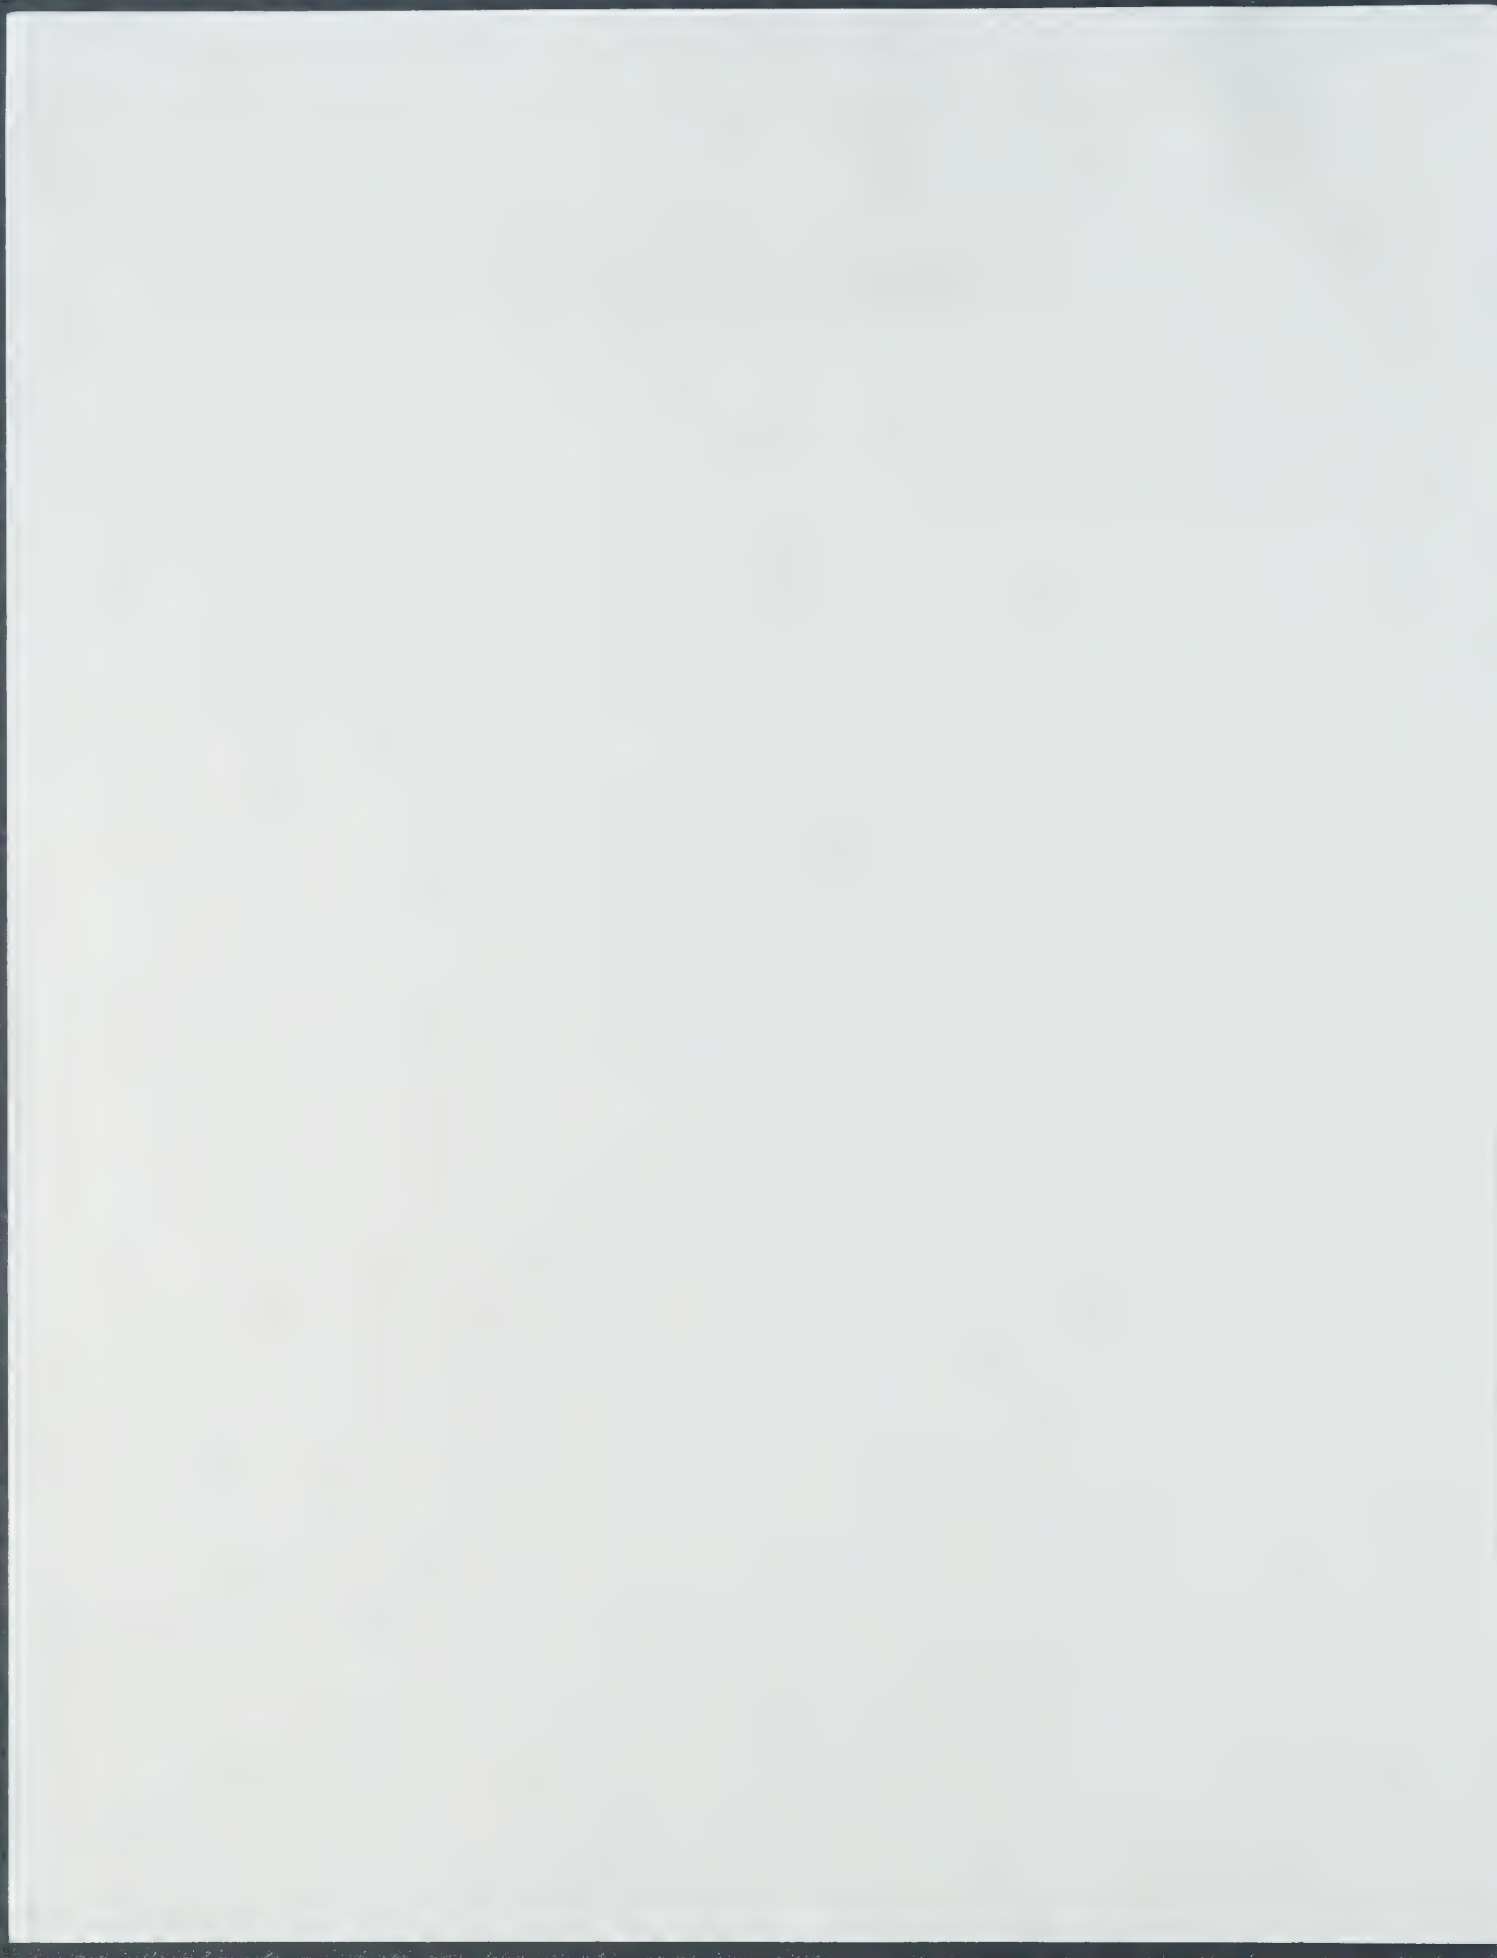

Sincerely,

Sharon Flescher
Executive Director

Thanks very much

Dear Dr. Bader,

I trust my letter finds you and Mrs. Bader in good spirits and everything is well with you.

Upon returning from New York, after Simchas Torah, I was delighted to receive your generous contribution of \$36,000 to Lubavitch of Wisconsin. This of course, will enable us to further continue our work of familiarizing our youth with our proud Jewish heritage.

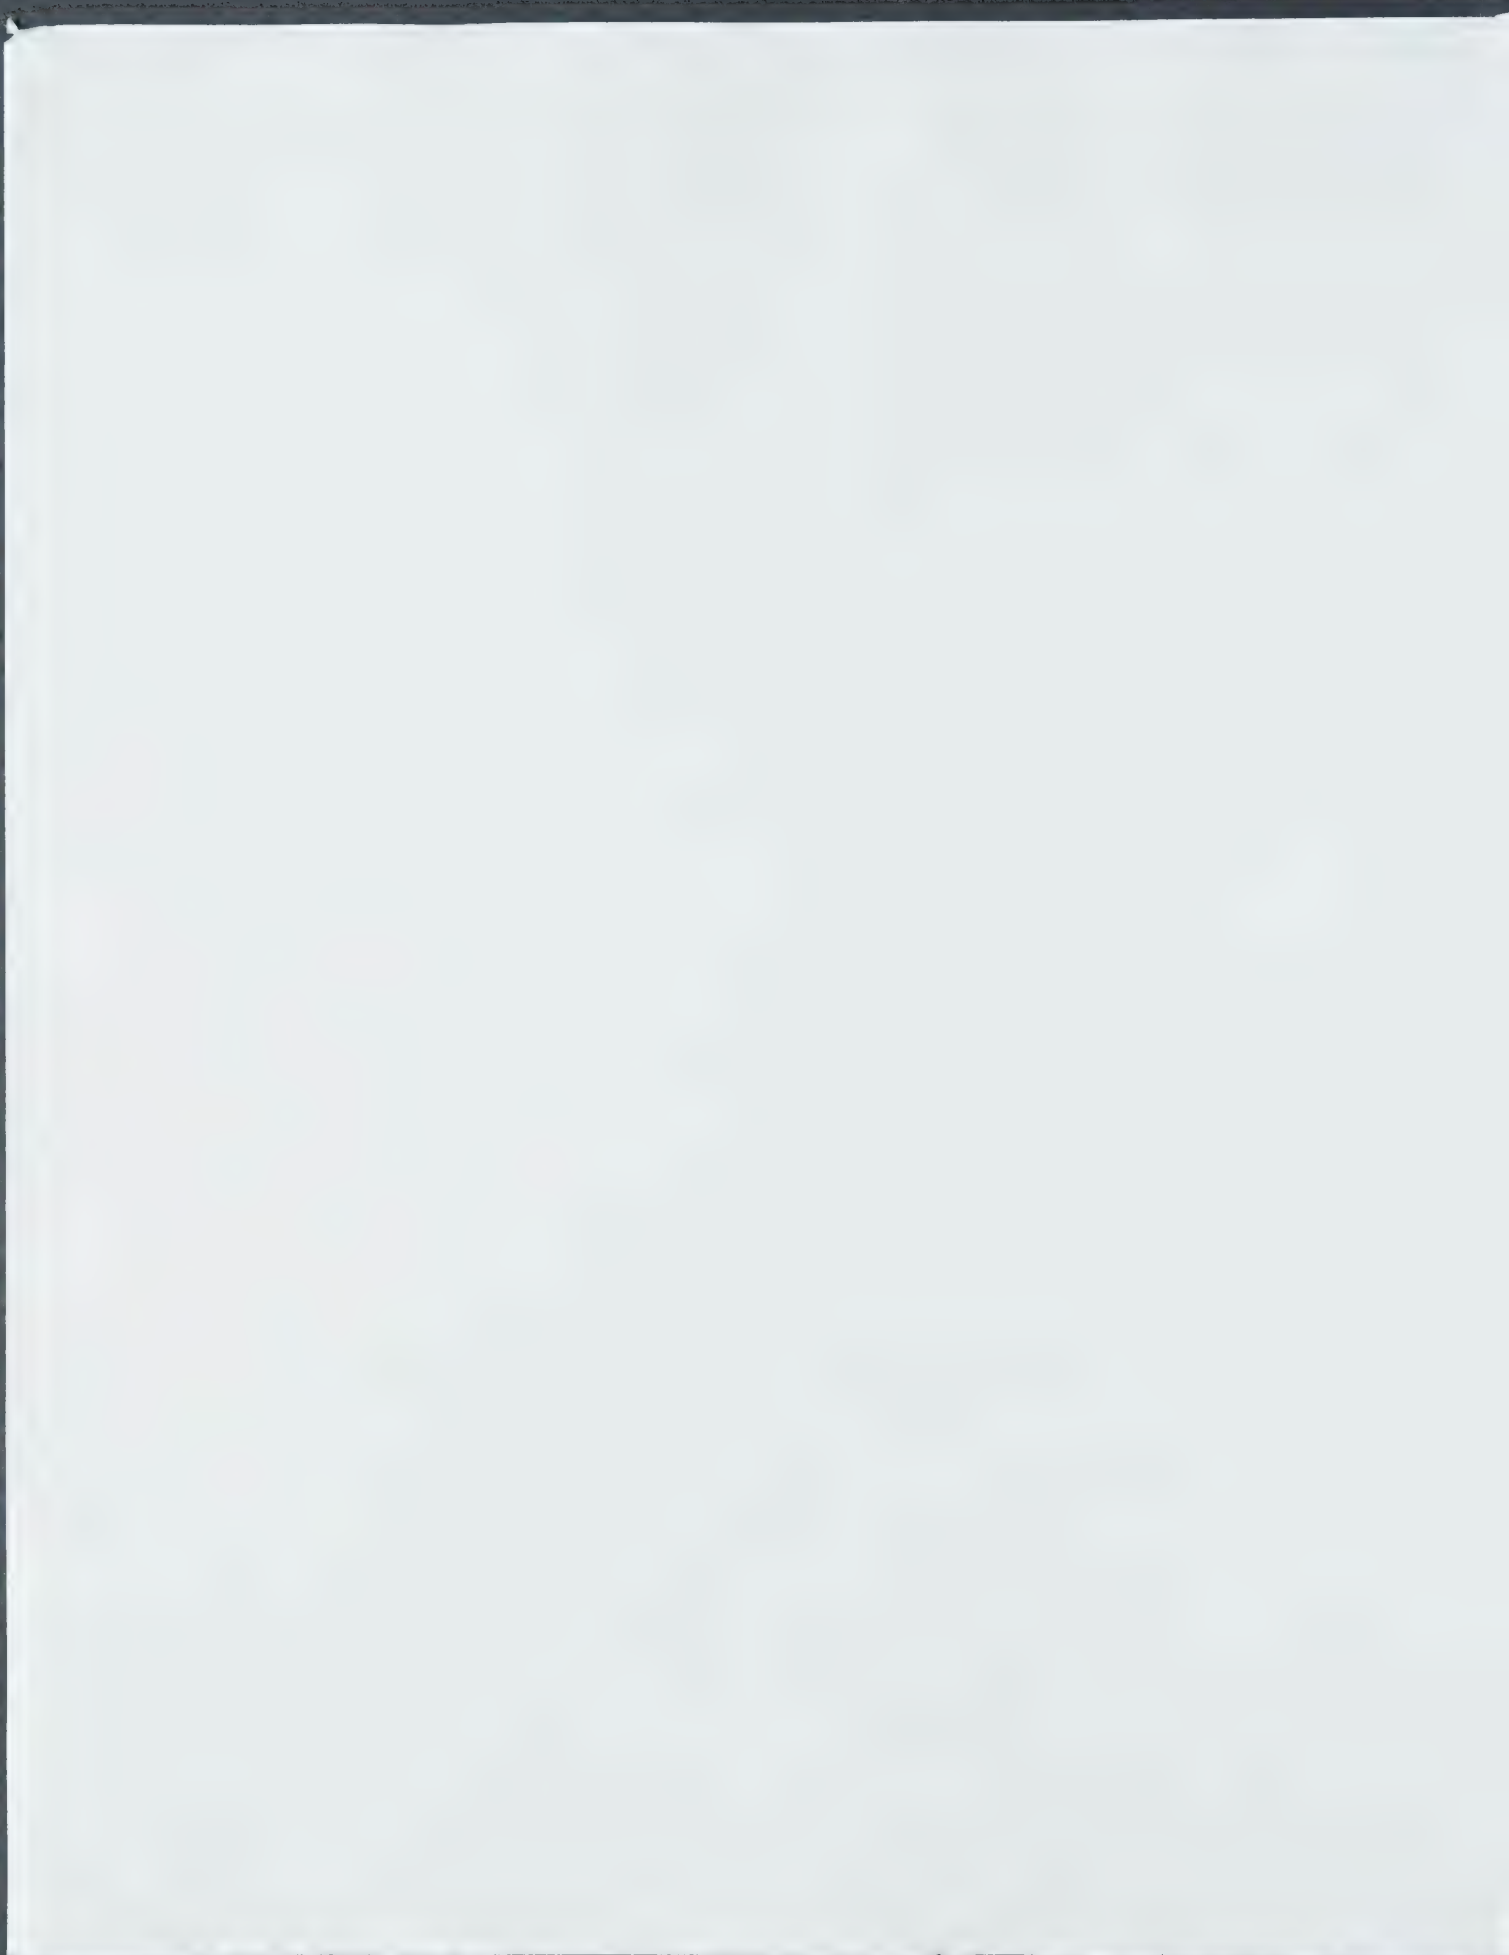

It was a delight to have you over at our home for Shabbos Sukkos. I always cherish the challenge you so delightfully put before me. *B'hashgocho protis* – by divine providence the enclosed article just came to my attention. Although not directly, I believe, it's content relates to the core of the issue we discussed at the Shabbos table. I would welcome your comments (as well as your thoughts of the *na'ar hoyisi* article).

Again, thank you for your friendship and support in our quest to upgrade Jewish knowledge, commitment and observance through out our fair city. It is only with the support of individuals such as your self that we are able to achieve this goal. You are truly partners!

Looking forward to your return and wishing you all the best.

Sincerely,

Rabbi Yisroel Shmotkin

Dr. and Mrs. Alfred Bader
2961 N. Shepard Ave.
Milwaukee, WI 53211

Dear Dr. and Mrs. Bader,

Thank you very much for your recent contribution of \$100,000, to help in our work of raising Jewish conscience, knowledge and observance throughout the community. The contribution in the form of matching funds is particularly praiseworthy, as the Talmud states: *גדול המעשה יותר מן העושה - He who causes others to contribute is greater than the one who donates himself (Bava Basra 9:1)*. That is, of course, in addition to our double benefit, ultimately resulting in greater productivity.

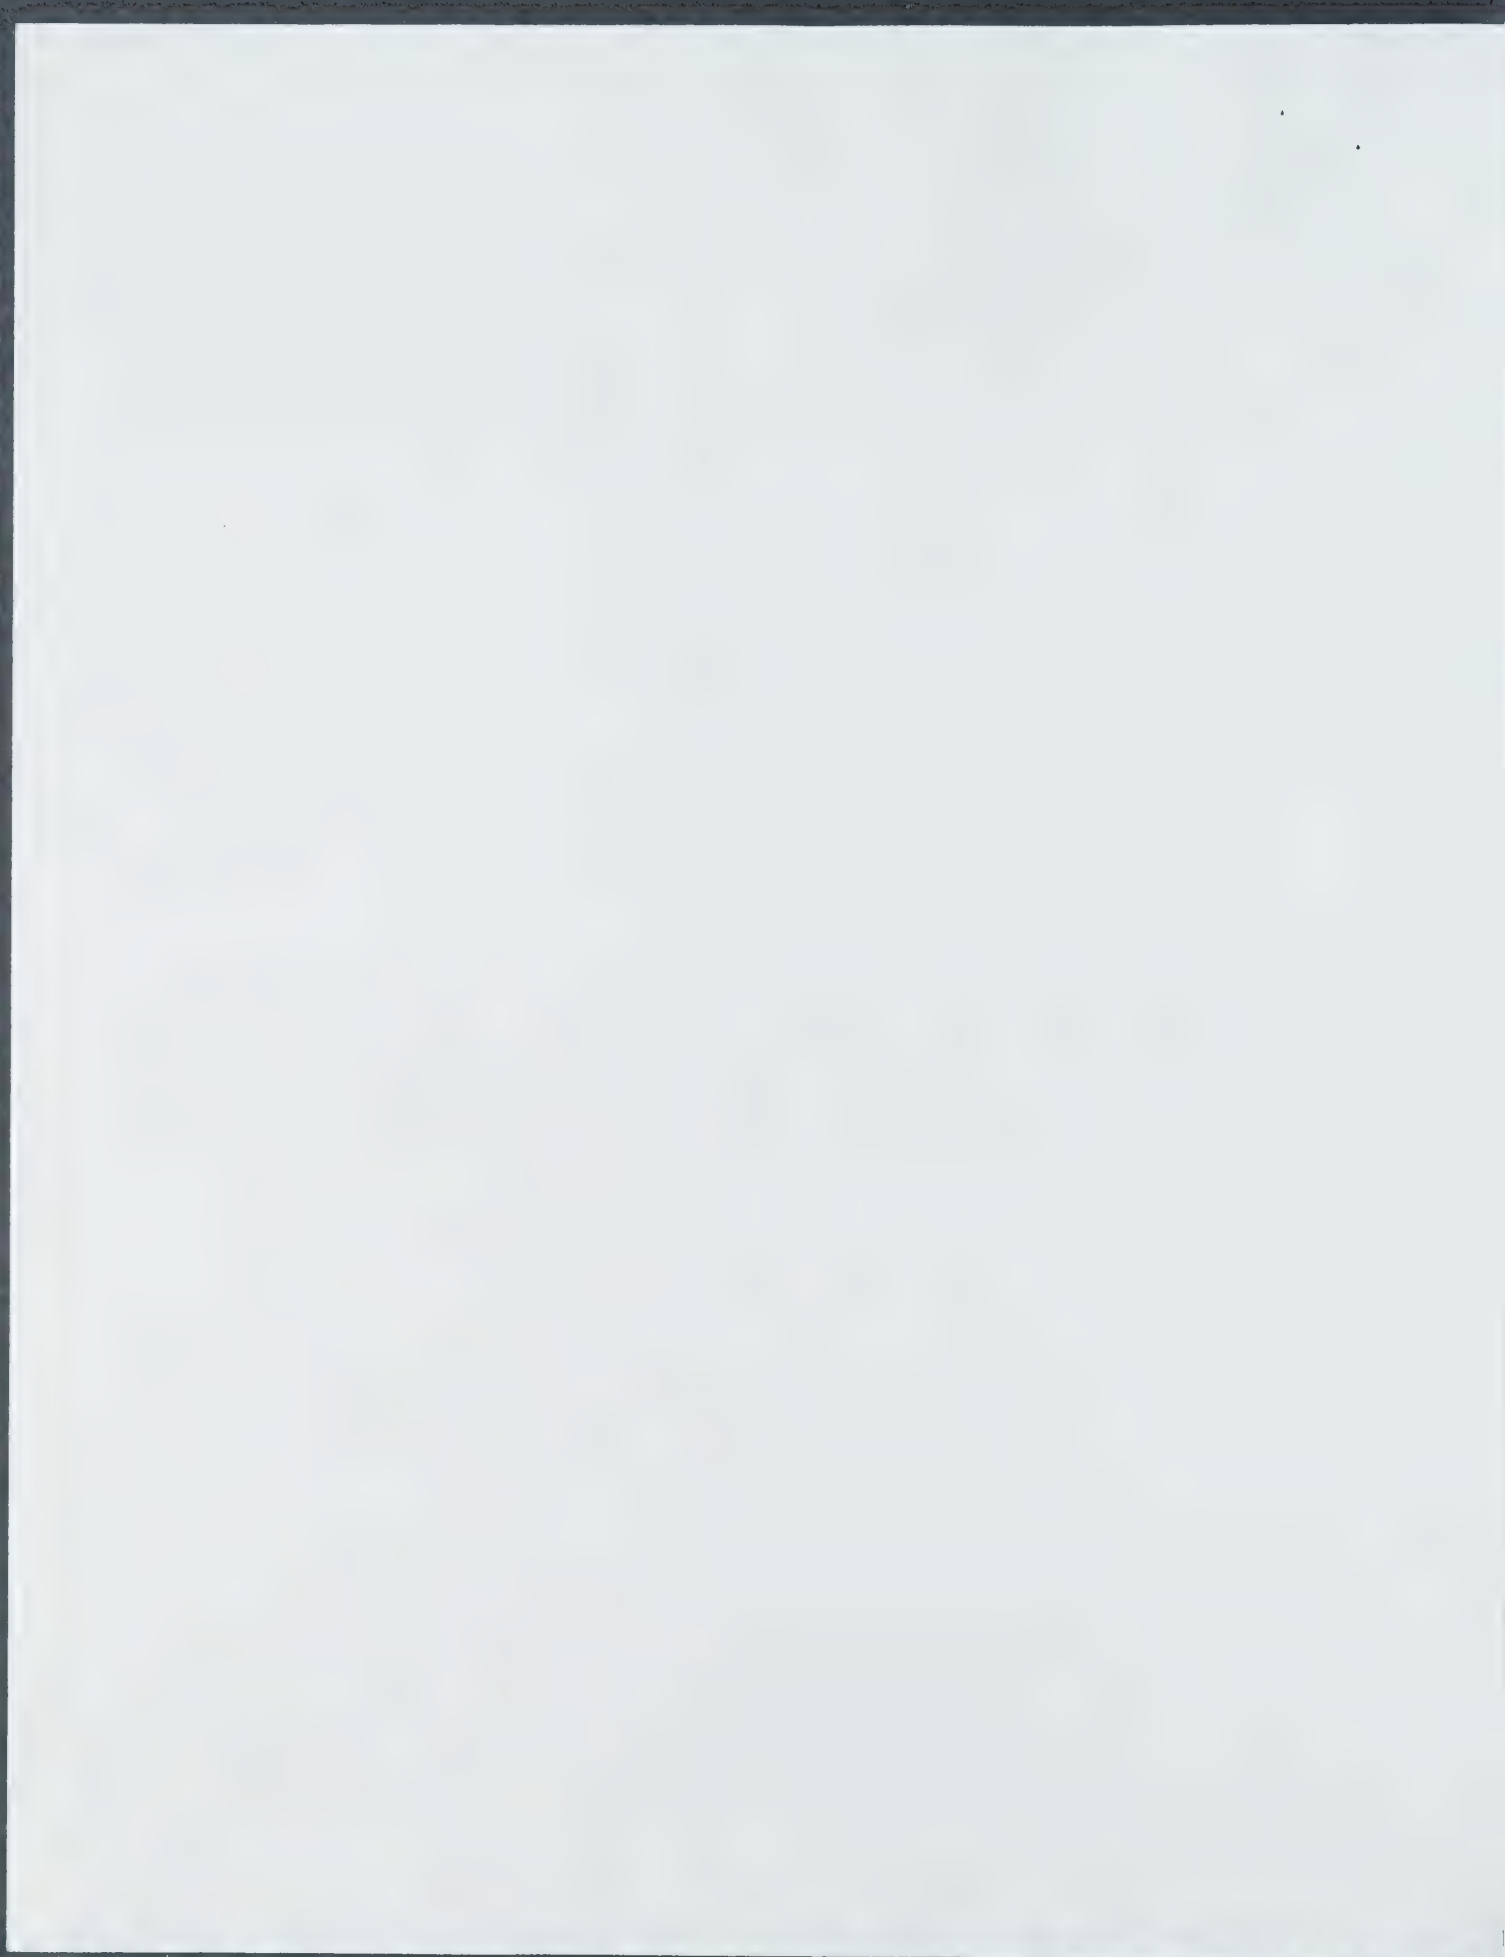

Our gratitude to you for your latest contribution, as well as for your help in bringing us to where we are today.

As life honored members of Lubavitch of Wisconsin and partners in our work, I deem it my duty to share with you the effect of your contributions in the overall Lubavitch of Wisconsin's 'state of the state'.

After four years of rigorous reorganization, as forecasted, we have practically doubled our reach in many areas of programming. The past year in particular has, thank G-d, been one of great opportunity and tremendous growth.

The following is a brief description of the growth in preexisting programming and the initiation of new programs:

- The adult education offerings and attendance has more than doubled. By consolidating our classes and manpower and creating the *Jewish Literacy Institute* catalogue, we have enabled people to take advantage of a wide variety of subjects in all areas of interest of Torah and Judaism.
- The ongoing attendance of both The Shuls has more than doubled in the last year.
- After a lengthy arduous road we have succeeded in getting together with our long lost Mequon operation, – in addition to the *Kiddush Hashem*, which is in itself is the mission of Judaism – it has already resulted in greater service to the community, and in particular, utilizing the manpower of the joint forces in the beginning of Hillel Academy reorganization. (I am confident that there will be other tangible results from the reunification).

- With the help of grants from the Helen Bader Foundation we have initiated and broadened numerous youth programs: The Teen Circle for 11th and 12th graders; Torah High for 9th and 10th graders; Bar and Bat Mitzvah Clubs; The Friendship Circle, a program engaging teens in helping children of special needs, and increased programming on the UWM campus, all of which brought new life and encouragement to the youth in each of these groups.
- We responded to the need and rose to the occasion of helping and managing Hillel Academy. We are in the process of doing a thorough reorganization of its educational, marketing, financial and all internal systems. Our vision is to bring Hillel Academy to its rightful state - as envisioned by its astute founders - as the leading provider of education, Jewish and secular, to the Jewish community's elementary school children; to be a springboard for a Jewish High school, as well as an instrument to educate and impact on the Jewish growth, learning, experience and commitment of the constituent families, and beyond.
- Not being able to delay it any longer, we began the renovations of the Mikveh, which, even before completion has already aroused great interest, and also involved some families in the actual observance of this vital mitzvah.
- Finally, as a result of all the above and more, Thank G-d, Lubavitch has attained the unprecedented esteem and moral support of the community, which will, with G-d's help, also result in greater participation, as well as financial support.

So much for the upside of our operation.

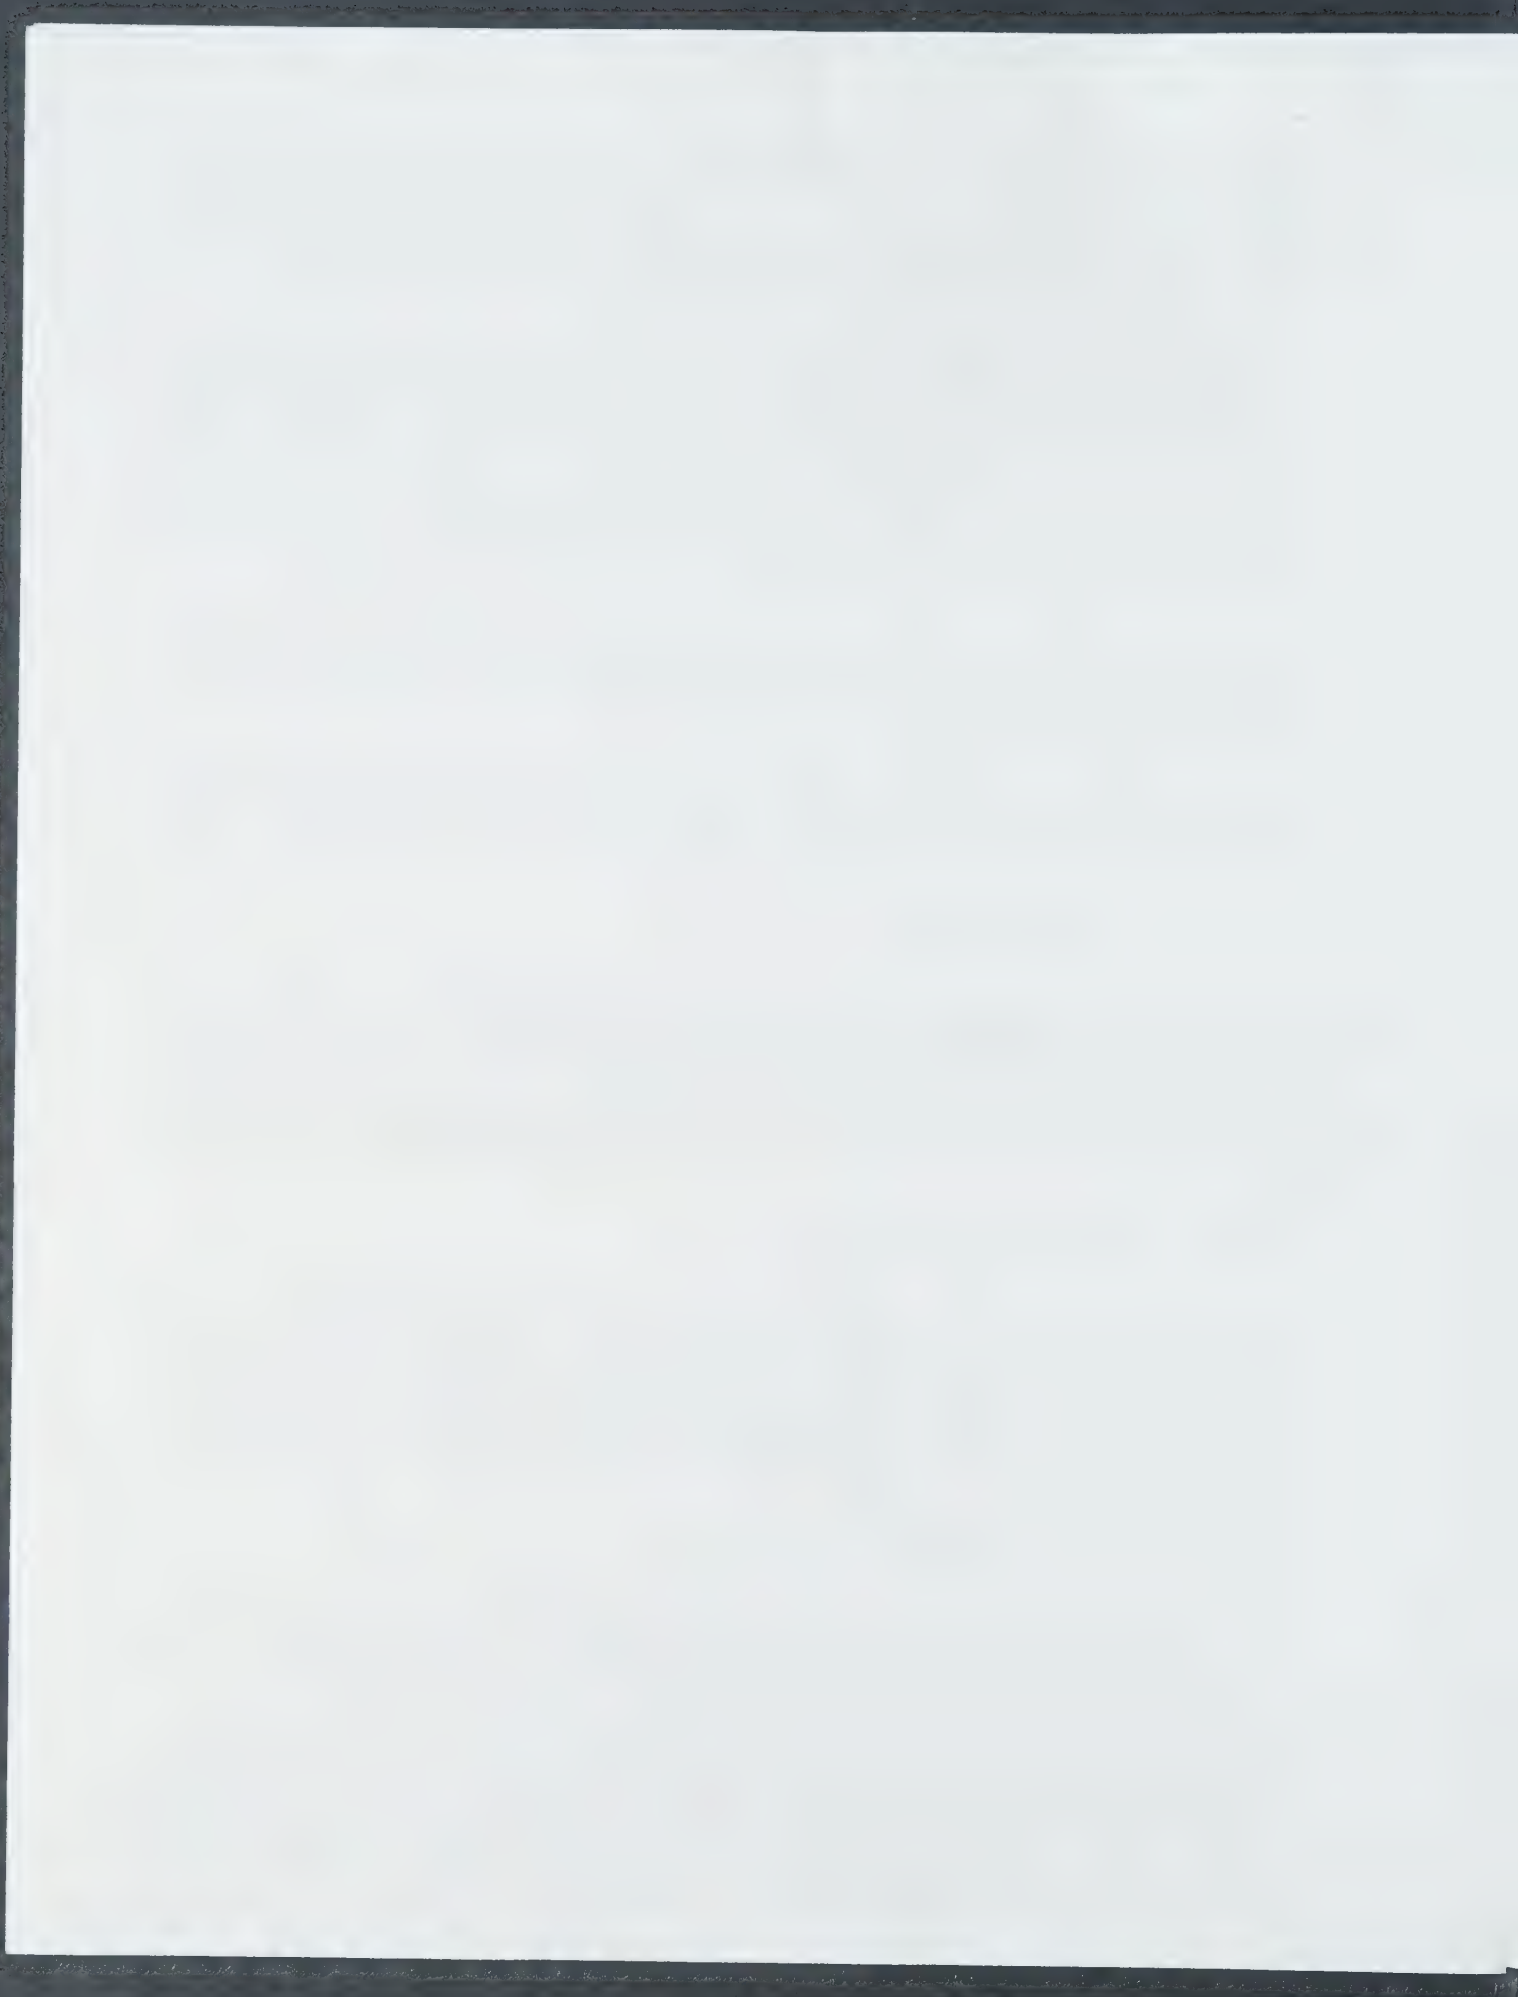

As far as our current challenges, after three and half years of extraordinary fundraising – first and foremost, through your generosity and motivation of others - to clear the deficit, while maintaining our ongoing program (from July 2002 through December 2003 we raised 5.5 million dollars in contributions), our 2004 plans called for it to be the year of developing normative, on-going financial support. Indeed, we succeeded in securing numerous multiyear pledges. However, we lagged behind in meeting the no deficit goal we set for ourselves.

The following, are factors that contributed to this:

- During the intensive campaign of the last two years, some of our largest donors contributed way above what they normally would (in great part due to the unique challenge grant that was presented), and in some cases, way beyond what they could write off in one year. Instead, they structured their gifts as multi-year gifts effectively barring subsequent years' giving. Others simply relaxed their giving; some due to the economy; some having moved away, while some passed away. Hence, new funding sources need to be developed.
- Hillel Academy. Here some background is necessary.

As you know, we accepted very reluctantly the administration of Hillel. For three years, since 2002, when we were first approached by Armin Nankin to take over Hillel, we refused to act on it. However, Hillel's desperate situation, facing closing, left us no option but to step in.

For us, Lubavitch, the option of Hillel closing down and then opening a new school from ground up, in many ways would have been much easier and more attractive. However, that would leave the children currently attending Hillel without a suitable school for them. (In addition to the children's educational needs, its closing may very well have resulted in a migration of a number of families from Milwaukee, causing yet another crack in an already vulnerable infrastructure of the community.

Financially, too, we would have lost the Federation's support for many years.

A school like Hillel is vital, if our goal of a strong presence of *Yiddishkeit* and an informed, learned and involved Jewish community is to be achieved. (All this in addition to serving the needs and newly kindled thirst of the graduates of CLLLC and their families, as well as that of the affiliates of all the shuls and the general orthodox Jewish community, and all those who want to instill real knowledge of Jewish wisdom; Chumash, Tanach, ethics, etc.

As a result of being forced to become involved with Hillel at the last moment, we spent an enormous amount of precious time that would otherwise have been utilized to continue developing ongoing regular financial support.

- Unfortunately, as I believe you are aware of, some have also withdrawn their funding of Lubavitch of Wisconsin due to the clamor surrounding Hillel academy.
- Finally, after deferring the desperately needed repair of our roof for as long as we could (do to the overall more pressing needs), this became one of the most pressing needs and were compelled by our Board to deal with it, by borrowing \$350,000 placing us even more behind.

It is these factors that contributed to the shortfall of 2004, and which we hope to make up in the 2005 and 2006 fiscal year.

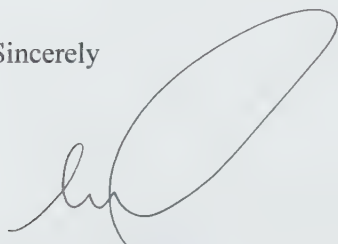

On a personal note I wish to share with you, Dr. and Mrs. Bader, some of the latest news in our family.

Just last week our daughter Henya, (who is working part-time in CLLLC, as a special project coordinator, and is also volunteering in the same capacity at Hillel) along with her husband (who while waiting for his desired position, is now teaching a couple of hours a day at Hillel and has, indeed, made a great mark on the students) have officially become *shluchim* to the Virgin Islands. For us it is a great simcha, as it is a fulfillment of a life's wish that our children become *shluchim*.

I wanted to share our state of the state with our partners, who did and will, no doubt, continue doing their share of financing Jewish life in Milwaukee, in the true spirit of *Yisachar* and *Z'vulun* (see *Rashi Bereishis 49:13 and 14; Devorim 33:18*).

I wish you *a gezunten vinter un a freilichen tomid*. Again I am grateful for your partnership.

Sincerely

Rabbi Yisroel Shmotkin

Dear Dr. Bader,

Thank you so much for your membership renewal for the coming year. Your support is the most important funding the Institute receives because it represents a personal commitment to support our work and a clear affirmation of the value of our mission.

Throughout 2005 Leo Baeck Institute will continue to mark its 50th anniversary with events and programs you will be invited to, but primarily this milestone is being used to plan for the next 50 years. Our library, archives, photo and art collections are growing as never before. The aging survivors are turning to Leo Baeck Institute as the last repository for their treasured letters and papers. All of these precious documents need special handling, preservation, conservation, cataloging and processing before they can be made available to researchers. All need expensive maintenance.

When you are ready to make another charitable donation we urge you to continue the support already indicated by your membership and be generous to Leo Baeck Institute. Also, remember to include Leo Baeck Institute in your Will.

Is there still a need for the special collections the Leo Baeck Institute is known for? More than ever, as evidenced by the number of students, scholars, museums, libraries and organizations that rely on us for material on every aspect of the history and culture of German-speaking Jewry. This is truly a legacy worth preserving.

With sincere thanks for your support,

Carol Kahn Strauss
Executive Director
