Dear Dr. Bader,

I am writing to inform you that Queen's University has recently approved the addition of a program in Jewish Studies. This program has been approved to begin in the fall of 1994.

In the past you have made available to the Department of Religious Studies the "Alfred Bader Prize in Jewish Studies," awarded to the student who obtains the highest standing in RELS-235 ("Jewish Faith and Life"). With the introduction of the Jewish Studies program this course (RELS-235) has been renumbered to JWST-135 though the name and content of the course have not changed. As a result we have transferred the "Alfred Bader Prize in Jewish Studies" from Religious Studies and it will be awarded through the program in Jewish Studies.

We do hope this decision is satisfactory to you and we thank you for your generous support to Queen's University.

Sincerely,

A handwritten signature in blue ink that reads "William P. Zion".
