Dear Alfred and Isabel,

Happy Birthday Isabel!

and Thank you, Alfred, for
your support and patience with
the castle book. We wanted you
to have a small memento of this
collaboration.

Take care,

Hyun

Happy Birthday Isabel!

There are many, many things to thank you and
Alfred for, but I decided I should thank you
particularly for having a sense of humor about
my description of you and Alfred in Chapter 6!
I've felt so honored to receive the publication grant
from you both, and think of this gift as one small
testament to my gratitude.

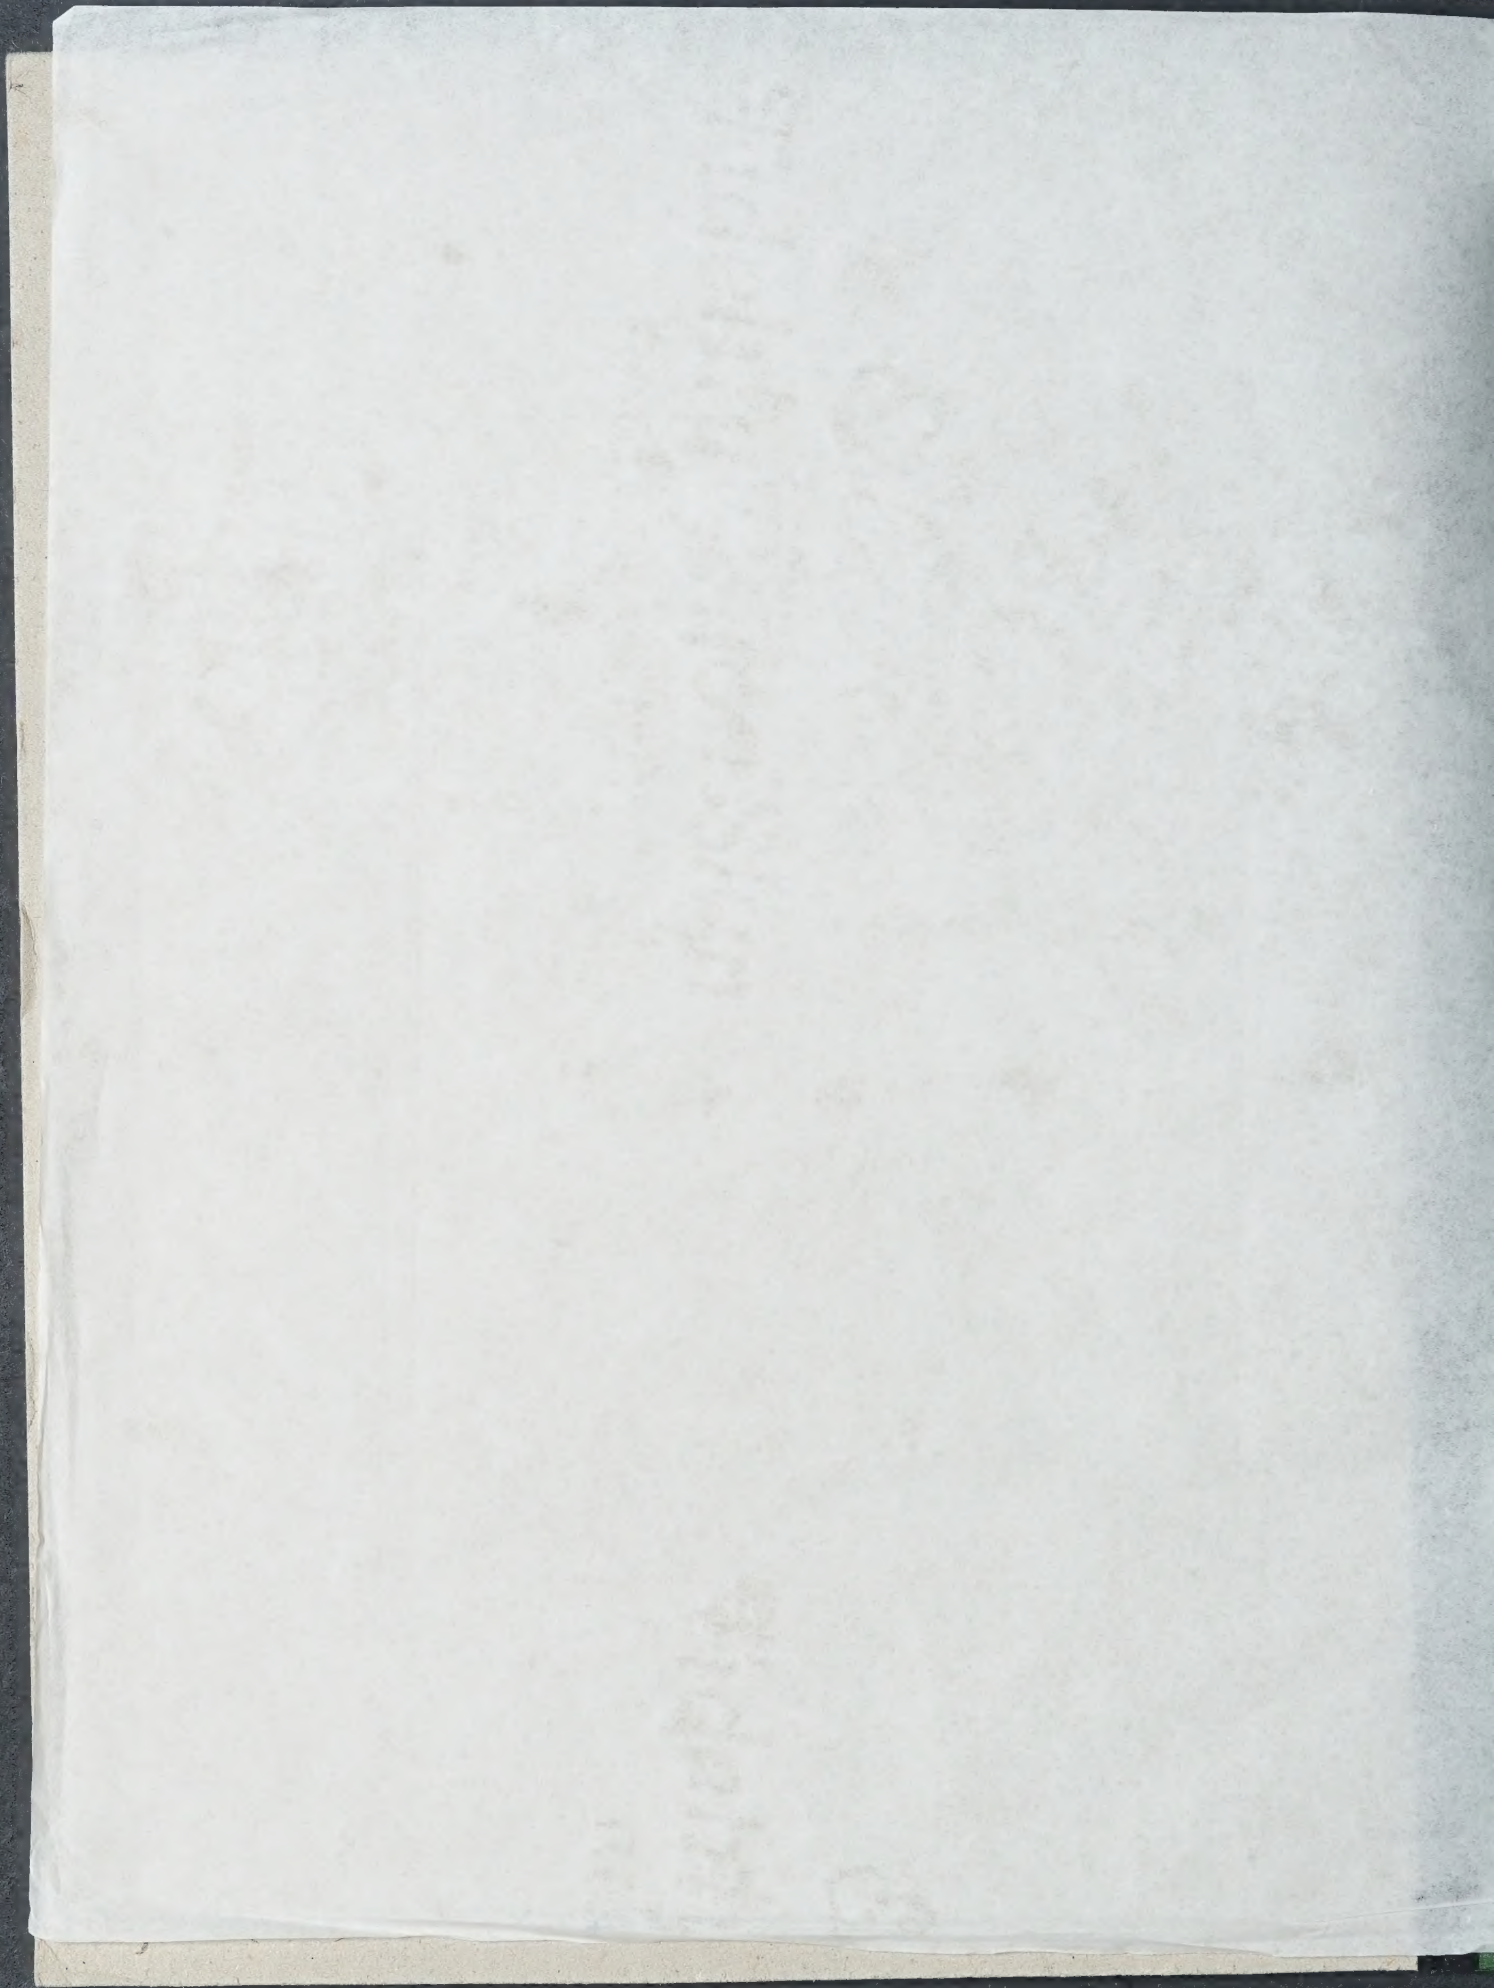

Enjoy your birthday celebrations!

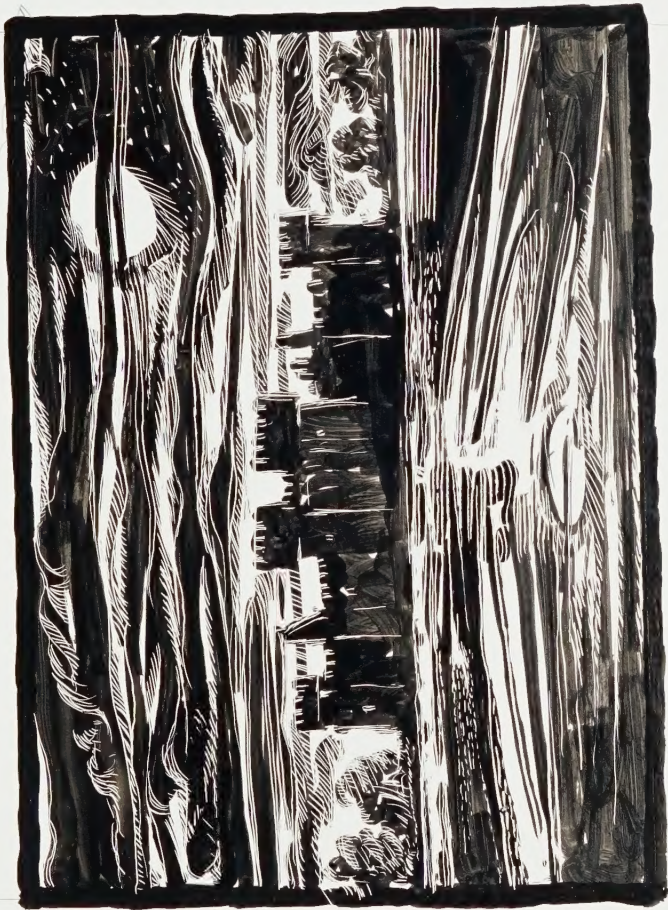

Sincerely,
Hyun
